

Review: Industrial Phosphoric Acid from Israel.

SUMMARY: On September 27, 1999, the Department of Commerce ("the Department") published in the **Federal Register** (64 FR 51954) the preliminary results of the March 1999 sunset review of the countervailing duty order on industrial phosphoric acid from Israel. Subsequent to the publication of the preliminary results, we identified an inadvertent omission from the "Preliminary Results Section of Review" section of the notice. Therefore, we are correcting this inadvertent error.

Any hearing, if requested, will be held on November 26, 1999, in accordance with 19 CFR 351.310(d). Interested parties may submit case briefs no later than November 16, 1999, in accordance with 19 CFR 351.309(c)(1)(i). Rebuttal briefs, which must be limited to issues raised in the case briefs, may be filed not later than November 23, 1999. The Department will issue a notice of final results of this sunset review, which will include the results of its analysis of issues raised in any such comments, no later than January 25, 2000, in accordance with section 751(c)(5)(B) of the Act.¹
