Notice of Proposals to Engage in Nonbanking Activities or to Acquire Companies that are Engaged in Nonbanking Activities

The companies listed in this notice have given notice under section 4 of the Bank Holding Company Act (12 U.S.C. 1843) (BHC Act) and Regulation Y (12 CFR Part 225) to engage *de novo*, or to acquire or control voting securities or assets of a company, that engages either directly or through a subsidiary or other company, in a nonbanking activity. These activities will be conducted worldwide.

Each notice is available for inspection at the Federal Reserve Bank indicated. The notice also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the question whether the proposal complies with the standards of section 4 of the BHC Act.

Unless otherwise noted, comments regarding the applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than October 29, 1999.

A. Federal Reserve Bank of New York (Betsy Buttrill White, Senior Vice President) 33 Liberty Street, New York, New York 10045-0001:

1. *National Westminster Bank Plc*, London, England; to make an

investment through its wholly owned subsidiary, NatWest Group Holdings Corporation, New York, New York, in Identrus, LLC, New York, New York (Company) (formerly known as Global Trust Organization LLC), and thereby engage *de novo* directly and through Company, in digital certification and data processing and data transmission activities, as described below. Notificant also proposes to engage in activities that it maintains are incidental to permissible digital certification and data processing and data transmission activities.

Notificant proposes to acquire more than 5 percent of the outstanding voting interests in Company, a *de novo* limited liability company.

Other investors in Company would include national banks and state member banks. Company would serve as the rulemaking authority for a network of participating financial institutions (Network), which would include Notificant, future equity investors in Company, and other financial institutions that elect to participate in the Network (collectively, Participants). The Network is designed to allow Participants to certify electronically the identity of parties conducting business or communicating electronically through the internet or otherwise. Participants in the Network would, among other things, issue to customers "digital certificates" that authenticate messages electronically sent by the customer, and confirm the validity of digital certificates issued by Participants. Participants also may issue warranties to customers who request verification of digital certificates issued by Participants, and post collateral to secure claims under any warranty issued by the Participant.

Company would develop, maintain, and enforce the rules governing the operation of, and participation in, the Network, and provide other services designed to facilitate the certification activities of Participants and operation of the Network. These activities would include issuing digital certificates to Participants and maintaining a current database of digital certificates that have been issued. Company and Participants would engage in a wide range of data processing and data transmission activities in connection with their proposed activities. A more complete description of the proposed activities of Company, Notificant, and other Participants is contained in the notices.

Section 4(c)(8) of the BHC Act provides that a bank holding company may, with Board approval, engage in any activity that the Board has determined (by order or regulation) to

be so closely related to banking or managing or controlling banks as to be a proper incident thereto. The Board previously has determined that certain data processing and data transmission services are closely related to banking for purposes of section 4(c)(8) of the BHC Act, pursuant to § 225.28(b)(14) of Regulation Y. Notificant contends that all of the proposed activities are so closely related to banking as to be a proper incident thereto, or are activities that are incidental to permissible activities, pursuant to § 225.21(a)(2) of Regulation Y.

In determining whether the proposal satisfies the proper incident to banking standard of section 4(c)(8) of the BHC Act, the Board must consider whether consummation of the proposal can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices." 12 U.S.C. 1843(c)(8). Notificant contends that consummation of the proposal will facilitate the development of electronic commerce and will have a beneficial effect on competition for identity certification and related services.

In publishing the proposal for comment, the Board does not take a position on the issues raised by the proposal. Notice of the proposal is published solely to seek the views of interested persons on the issues presented by the proposal and does not represent a determination by the Board that the proposal meets, or is likely to meet, the standards of the BHC Act. The notice is available for immediate inspection at the Federal Reserve Bank indicated above and at the offices of the Board of Governors. Any request for a hearing on the notices must be accompanied by a statement of reasons explaining why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

2. *UBS AG*, Zurich, Switzerland ("Notificant"); to acquire certain subsidiaries of Global Asset Management Limited, Hamilton, Bermuda ("GAML"), including Global Asset Management (USA) Inc., GAM Investments Inc., GAM Services Inc., and GAM Funding Inc., all in New York, New York, and GAM International Management Limited, London, England,
