#### Determination

As a result of the determinations by the Department and the Commission that revocation of these antidumping findings and this countervailing duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping findings on sugar from Belgium, France, and Germany, and of the countervailing duty order on sugar from the European Community. The Department will instruct the U.S. Customs Service to continue to collect antidumping and countervailing duty deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of these antidumping findings and countervailing duty order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to sections 751(c)(2) and 751(c)(6) the Department intends to initiate the next five-year reviews of these findings and order not later than September 2004.

Dated: October 22, 1999.

## Revocation of Antidumping Duty Order: Sugar and Syrups From Canada

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of revocation of antidumping duty order: Sugar and syrup from Canada.

**SUMMARY:** Pursuant to section 751(c) of the Tariff Act from 1930, as amended ("the Act"), the United States International Trade Commission ("the Commission") determined that revocation of the antidumping duty order on sugar and syrups from Canada is not likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (64 FR 54355 (October 6, 1999)). Therefore, pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(1)(iii), the Department of Commerce ("the Department") is publishing notice of the revocation of the antidumping duty order on sugar and syrups from Canada. Pursuant to section 751(c)(6)(A)(iv) of the Act and 19 CFR 351.222(i)(2), the effective date of revocation is January 1, 2000.

**FOR FURTHER INFORMATION CONTACT:** Scott E. Smith or Melissa G. Skinner, Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-6397 or (202) 482-1560, respectively.

**EFFECTIVE DATE:** January 1, 2000.

**Background**

On October 1, 1998, the Department initiated, and the Commission instituted, a sunset review (63 FR 52683 and 63 FR 52759, respectively) of the antidumping duty order on sugar and syrups from Canada pursuant to section 751(c) of the Act. As a result of the review, the Department found that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margin likely to prevail were the order to be revoked (see *Final Results of Full Sunset Review: Sugar and Syrups from Canada*, 64 FR 48326 (September 3, 1999)).

On October 6, 1999, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the

antidumping duty order on sugar and syrups would not be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (see *Sugar From the European Union; Sugar From Belgium, France, and Germany; and Sugar and Syrups From Canada*, 64 FR 54355 (October 6, 1999), and USITC Pub. 3238, Inv. Nos. 104-TAA-7, AA1921-198-200, and 731-TA-3 (September 1999)).

**Scope**

The merchandise subject to this antidumping duty order is sugar and syrups from Canada produced from sugar cane and sugar beets. The sugar is refined into granulated or powdered sugar, icing, or liquid sugar.<sup>1</sup> The subject merchandise is currently classified under Harmonized Tariff Schedule of the United States ("HTSUS") item numbers 1701.99.0500, 1701.99.1000, 1701.99.5000, 1702.90.1000, and 1702.90.2000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description remains dispositive.

**Determination**

As a result of the determination by the Commission that revocation of this antidumping duty order is not likely to lead to continuation or recurrence of material injury to an industry in the United States, the Department, pursuant to section 751(d)(2) of the Act, will revoke the antidumping duty order on sugar and syrups from Canada. Pursuant to section 751(c)(6)(A)(iv) of the Act and 19 CFR 351.222(i)(2), this revocation is effective January 1, 2000. The Department will instruct the U.S. Customs Service to discontinue suspension of liquidation and collection of cash deposits on entries of the subject merchandise entered or withdrawn from warehouse on or after January 1, 2000 (the effective date). The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

Dated: October 22, 1999.
