RIN 1845-AA06

Federal Family Education Loan (FFEL) Program

AGENCY: Department of Education.

ACTION: Final regulations.

SUMMARY: The Secretary amends the Federal Family Education Loan (FFEL) Program regulations. These final regulations implement changes made to the Higher Education Act of 1965 by the Higher Education Amendments of 1998 (the 1998 Amendments). The regulations cover many areas of the FFEL Program, including changes to the financial structure of guaranty agencies. **DATES:** These regulations are effective July 1, 2000.

SUPPLEMENTARY INFORMATION: These regulations implement changes to the Higher Education Act of 1965 (the HEA) made by the 1998 Amendments, Public Law 105-244, enacted October 7, 1998.

On August 3, 1999 the Secretary published a notice of proposed rulemaking (NPRM) for this part in the **Federal Register** (64 FR 42176). In the preamble to the NPRM, the Secretary discussed on pages 42177-42185 the major changes to the regulations resulting from the 1998 Amendments.

In addition to minor technical revisions, these regulations contain a few significant changes from the NPRM that we fully explain in the Analysis of Comments and Changes that follows.

Analysis of Comments and Changes

The regulations in this document were developed through the use of negotiated rulemaking. Section 492 of the Higher Education Act requires that, before publishing any proposed regulations to implement programs under Title IV of the Act, the Secretary obtain public involvement in the development of the proposed regulations. After obtaining advice and recommendations, the Secretary must conduct a negotiated rulemaking

process to develop the proposed regulations. All proposed regulations must conform to agreements resulting from the negotiated rulemaking process unless the Secretary reopens that process or explains any departure from the agreements to the negotiated rulemaking participants.

These regulations were published in proposed form on August 3, 1999 in conformance with the consensus of the negotiated rulemaking committee. Under the committee's protocols, consensus meant that no member of the committee dissented from the agreed-upon language. The Secretary invited comments on the proposed regulations by September 15, 1999, and 26 parties submitted comments. An analysis of the comments and of the changes in the proposed regulations follows. We did not receive any substantive comments on the following sections: §§ 682.208, 682.215, 682.302, 682.400, 682.409, 682.410, 682.412, 682.413, 682.414, 682.417, 682.418, 682.420, 682.421, 682.422, 682.423, 682.800, and Appendix D.

We discuss substantive issues under the sections of the regulations to which they pertain. Generally, we do not address technical and other minor changes—and suggested changes the law does not authorize the Secretary to make.

Section 682.205 Disclosure Requirements for Lenders

Comments: One commenter believed that lenders should not be required to provide a toll-free telephone number accessible within the United States for borrowers to use to obtain additional loan information. The commenter stated that a requirement to have a toll-free telephone number would impose significant burdens and costs on small lenders who do not have a toll-free telephone number. The commenter asked if, instead of having a toll-free telephone number, it would be permissible for the lender to allow borrowers to make collect calls to the lender.

Discussion: We agree with the commenter, but no changes to the regulation are necessary. For the purpose of meeting this requirement, a lender that discloses to borrowers the phone number at which it will accept collect calls will be considered to have complied with the regulatory requirement for a toll-free telephone number.

Changes: None.

Comments: Several commenters recommended that lenders be permitted to meet their disclosure requirements and obligations to notify borrowers of their rights and responsibilities by using

the plain language disclosure in § 682.205(g).

Discussion: We agree that the disclosure referred to in § 682.205(g) will satisfy the lender's disclosure requirements for subsequent loans made under a Master Promissory Note.

Changes: For subsequent loans made under a Master Promissory Note, § 682.205(a)(3) has been revised to permit a lender to use either the Borrower's Rights and Responsibilities statement approved by the Secretary or the plain language disclosure referred to in § 682.205(g).

Section 682.207 Due Diligence in Disbursing a Loan

Comments: Several commenters representing lenders recommended that schools not be required to request the second or subsequent disbursement of a loan when they return a borrower's unneeded first disbursement to a lender and the school knows that the borrower will need the subsequent loan disbursements. The commenters believed it is logical to assume that the school wanted the subsequent disbursements to be made unless it notifies the lender to the contrary. The commenters believed that if schools had to specifically request subsequent disbursements, that requirement would impose unnecessary and significant burdens and costs on schools and lenders. In addition, the commenters believed the authorization to disburse subsequent loan funds in these situations should not be limited to the Federal Stafford Loan Program, but should be expanded to include the Federal PLUS Loan Program. The commenters noted that PLUS disbursements are sent to schools, and like Stafford Loan borrowers, some PLUS borrowers also may not need the first disbursement, but may need the loan funds later in the school year. One commenter recommended that this provision of the regulations should not be limited to the first disbursement, but should apply to any disbursement returned to a lender by a school if there were future disbursements scheduled to be made.

Discussion: We agree with the commenters who recommended an expansion of this authority to include any disbursement of a Federal Stafford or Federal PLUS loan. We also agree that this provision should apply to any future disbursement following the return of a disbursement. We do not agree, however, to authorize lenders to make subsequent disbursements following the return of a previous disbursement without first receiving a

request from the school for the subsequent disbursement. We believe it is logical to assume that the school does not want the subsequent disbursements to be made unless it notifies the lender to the contrary.

Changes: We have revised § 682.207(b)(1)(vii) so that it includes any future disbursement of a Federal Stafford or Federal PLUS loan following the return of a disbursement.

Section 682.210 Deferment

Comments: One commenter who agreed with the removal of the 6-month limit for making in-school (student) deferments effective retroactively advocated a similar removal of the 6-month limit for other types of deferments.

Discussion: Removing the 6-month retroactive effective date limit for a student deferment was extensively discussed during the negotiated rulemaking sessions. During those discussions, it was generally agreed that the 6-month limit on establishing retroactive effective dates for deferments did not present a serious problem for other deferments. Aside from the student deferment, the two most common types of deferments are economic hardship and unemployment, both of which rely upon documentation that the borrower already has or can readily obtain. In those cases, the borrower has the ability to ensure the submission of the deferment application on a timely basis. In contrast, the documentation needed to support a student deferment requires another party (the school) to certify the borrower's in-school status. Many borrowers in school erroneously assume that they do not need to notify their lenders that they are in school, believing that their enrollment status automatically has been transmitted to the lender or loan servicer by some other party. By the time the borrower discovers that the lender is unaware that the borrower is in school, the loan may already be seriously delinquent, and a delay of just another month or two in obtaining and providing in-school documentation at that late point could result in a default claim being filed by the lender. To address this problem, we believe that the 6-month limit on the period of time by which a student deferment may be applied retroactively should be removed. Unlike many other deferments, the borrower's enrollment status and effective dates for a student deferment are readily determinable retroactively.

Changes: None.

Section 682.211 Forbearance

Comments: Several commenters recommended that lenders be allowed to grant administrative forbearances to eliminate borrower delinquencies that existed at the time the lender granted an optional natural disaster administrative forbearance under § 682.211(f)(10). The commenters noted that the NPRM proposed to allow this option only if the borrower received a mandatory administrative forbearance under § 682.211(i)(2). The commenters believed that lenders should be permitted to assist all borrowers who had pre-existing delinquencies when the natural disaster occurred, regardless of whether the disaster forbearance is mandatory or optional.

Discussion: We agree with the commenters.

Changes: We have revised § 682.211(f)(2) to include the administrative forbearances that lenders are authorized to grant under § 682.211(f)(10) to assist borrowers who have been harmed by natural disasters.

Section 682.305 Procedures for Payment of Interest Benefits and Special Allowance and Collection of Origination and Loan Fees

Comments: Some commenters believed that the restrictions in § 682.305(a)(4) have been rendered obsolete due to the changes made to § 682.305(a)(3). The commenters believed that the 1998 Amendments, and the changes made to § 682.305(a)(3), make it clear that the new holder of a loan will be responsible if the origination fees were not paid by the previous holder or holders.

Discussion: The commenters appear to have misunderstood the purpose of these changes. The changes to § 682.305(a)(3) do not eliminate the originating lender's liability to pay the fees owed on the loans. That liability still exists. The changes simply add another party who is liable for paying the fees and who may be required to pay them if the originating lender does not pay them on a timely basis.

Changes: None.

Section 682.401 Basic Program Agreement

Comments: One commenter recommended that a guaranty agency be permitted to receive Federal funds to operate as a lender-of-last-resort in another guaranty agency's designated area of service only if the designated guaranty agency has waived its right to provide lender-of-last-resort loans in its designated area, or was unable to provide those loans.

Discussion: The commenter's recommendation suggests a misunderstanding of a guaranty agency's statutory obligation. A guaranty agency has a statutory obligation to provide for lender-of-last-resort loans. This obligation is not a "right" that the guaranty agency can waive. If it is able to provide for lender-of-last-resort loans in its designated State, it must do so. If necessary, the Secretary may provide Federal funds in accordance with § 682.401(c)(5)(i) to assist the agency in providing those loans. The Secretary may provide Federal funds to another guaranty agency, to make lender-of-last-resort loans in the State, if the Secretary determines that the designated guaranty agency does not have the capacity to do so or the Secretary determines that providing the designated guaranty agency with Federal funds would not be cost effective.

Changes: None.

Section 682.402 Death, Disability, Closed School, False Certification, and Bankruptcy Payments

Comments: Some commenters stated their belief that the provisions of bankruptcy law require the immediate suspension of collection activities against all parties to a loan (borrower, co-maker, endorser) whenever any one of those parties files for a Chapter 12 or Chapter 13 bankruptcy. The commenters recommended that the regulations be revised accordingly.

Discussion: We agree with the commenters' interpretation of 11 U.S.C. 1201(a) and 1301(a).

Changes: The regulations have been revised to require the immediate suspension of collection activities against all parties to a loan (maker, co-maker, endorser) if the lender is informed that any of those individuals has filed for Chapter 12 or Chapter 13 bankruptcy. For a bankruptcy petition filed by a borrower, co-maker, or endorser on a loan under Chapters 7 or 11, lenders may suspend collection activities against all parties to the loan.

Section 682.404 Federal Reinsurance Agreement

Comments: Several commenters recommended that guaranty agencies be permitted to establish specific deadlines within the 60th to 120th day of delinquency during which lenders must submit requests for default aversion assistance. The commenters stated that many guaranty agencies have successful default prevention systems designed to initiate default prevention activities at a specific point in delinquency, e.g., on the 75th day. The commenters believed

that allowing lenders to submit default aversion assistance requests at any time from the 60th day through the 120th day of the borrower's delinquency would complicate the effective default prevention systems that guaranty agencies currently have in place.

Discussion: The lender has primary responsibility for curing delinquencies by borrowers. We believe lenders should have flexibility within the 60th–120th day of delinquency to determine when to seek assistance from the guaranty agency. Many guaranty agencies have informed us that having more than one party contacting a delinquent borrower may confuse the borrower and contribute to default. We have also been told that many delinquencies cure themselves during the early stages of delinquency. We believe a lender should be given the discretion to request assistance from a guaranty agency within the 60th–120th day of delinquency at the point that the lender believes the assistance will be most effective in complimenting the default aversion activities being pursued by the lender. If a lender believes that the guaranty agency can add value to its efforts early in the delinquency, it may request assistance as early as the 60th day of delinquency.

Changes: Section 682.404(k)(1) has been revised to clarify that guaranty agencies are prohibited from establishing specific deadlines within the 60th–120th day of delinquency by which lenders must request default aversion assistance.

Section 682.406 Conditions For Claim Payments From the Federal Fund and for Reinsurance Coverage

Comments: One commenter noted an inconsistency between the skip-tracing requirements in this section and in § 682.411(h)(1) with respect to contacting the schools the student attended.

Discussion: We agree with the commenter that the requirement to contact the schools the student attended should be the same in § 682.406(a)(14) and § 682.411(h)(1).

Changes: We have revised § 682.411(h)(1) to make it consistent with the guaranty agency's certification in § 682.406(a)(14) that diligent attempts were made to locate the borrower, including attempts to contact the schools the student attended.

Section 682.411 Lender Due Diligence in Collecting Guaranty Agency Loans

Comments: Some commenters noted an error in § 682.411(a) that had the effect of excluding the first 15 days of

delinquency from the 270-day period of required lender collection activities.

Discussion: The commenters are correct. The intention of the negotiators during the development of the NPRM was to apply the existing 45-day gap rule to the new 270-day delinquency period by simply extending the period covered by the rule to 270 days of delinquency.

Changes: We have revised § 682.411(a) so that the initial delinquency period (days 1–15) is included in the overall 270-day period of required lender collection activities. We have also made a conforming change in § 682.411(b)(2) so that the initial delinquency period is included in the determination of whether a gap of more than 45 days (or more than 60 days in the case of a transfer) in collection activity had occurred. The definition of "gap in collection activity" found in § 682.411(j) remains accurate and needs no modification.

Section 682.419 Guaranty Agency Federal Fund

Comments: A few commenters stated that they believe that a guaranty agency should be permitted to deposit default collections into the agency's Operating Fund for a reasonable period before transferring the Federal share of those collections to the Federal Fund. The commenters believed this would give the agency time to ensure that the borrower's payment does not need to be reversed because of insufficient funds or a stop payment order and that the collected funds are correctly posted to the borrower's account. One commenter stated that a reasonable delay in transferring funds to the Federal Fund would conform to sound accounting practices that recommend a clean cutoff period for reconciliation purposes.

Discussion: The Federal Government has a beneficial interest in loans that are held by guaranty agencies and on which claims have been paid using Federal funds. The guaranty agency's role in regard to these loans is that of a trustee. Accordingly, a guaranty agency that receives collections on those loans has a fiduciary obligation to the Secretary with respect to the Secretary's share of those collections. As a fiduciary, a guaranty agency may not use Federal funds or assets for any purpose not authorized by the HEA or the Secretary. To ensure that the Secretary's interest in those loans is protected, we have revised the regulations to require guaranty agencies to deposit the Federal share of collections into the Federal Fund within 48 hours of receipt of those funds. A guaranty agency may elect to comply with this requirement by

initially depositing all collections into the Federal Fund. If this option is selected by the guaranty agency, we will provide the guaranty agency with authorization to promptly withdraw its portion from the Federal Fund for deposit into its Operating Fund.

We believe that the requirements in these regulations are consistent with sound accounting practices as well as the guaranty agency's obligation to act as a fiduciary. We understand that the common business practices among lenders and servicers who collect on loans is to credit the amount of collections received to the appropriate accounts within 24 hours. In fact, the Department's own collection contractors for student loans are not permitted to hold funds for any period before depositing them directly to the appropriate Department account. We have been assured by some guaranty agencies, that they already meet the 24-hour standard. In light of these practices and standards, we believe the 48-hour period provided in these regulations will provide guaranty agencies with more than enough time to insure that the proper amount is deposited to the Federal Fund.

A guaranty agency can, if necessary, reverse a credit applied to the Federal Fund if a borrower's payment is rejected because of insufficient funds or a stop payment order. We do not believe that it will be any more difficult for a guaranty agency to make the needed changes to the Federal Fund than it would have been to the Operating Fund and, in the meantime, the Federal Government's interest in the funds is protected.

Changes: We have revised § 682.419(b)(6) of the regulations to require a guaranty agency to deposit the Federal share of all funds received on loans on which a claim has been paid, including default collections, into its Federal Fund within 48 hours of receipt of those funds.

Section 682.420 Federal Nonliquid Assets

Comments: Some commenters asked for clarification of the treatment of revenue derived from a Federal nonliquid asset.

Discussion: In reviewing the language referenced by the commenters, we determined that the proposed regulations did not fully reflect the details discussed in the preamble to the NPRM. This inconsistency may have contributed to the commenters' request for clarification.

Changes: We have revised the regulations to specify the requirements

that apply when a guaranty agency uses the Federal portion of a nonliquid asset.

Paperwork Reduction Act of 1995

The Paperwork Reduction Act of 1995 does not require you to respond to a collection of information unless it displays a valid OMB control number. We display the valid OMB control numbers assigned to the collections of information in these final regulations at the end of the affected sections of the regulations.

Executive Order 12866

We have reviewed these final regulations in accordance with Executive Order 12866. Under the terms of the order we have assessed the potential costs and benefits of this regulatory action.

The potential costs associated with the final regulations are those resulting from statutory requirements and those we have determined to be necessary for administering this program effectively and efficiently.

 - (1) A lender must disclose the information described in paragraph (a)(2) of this section to a borrower, in simple and understandable terms,

before or at the time of the first disbursement on a Federal Stafford or Federal PLUS loan. The information given to the borrower must prominently and clearly display, in bold type, a clear and concise statement that the borrower is receiving a loan that must be repaid.

- (2) * * *
 - (i) The lender's name;
 - (ii) A toll-free telephone number accessible from within the United States that the borrower can use to obtain additional loan information;
 - (iii) The address to which correspondence with the lender and payments should be sent;
 - (iv) Notice that the lender may sell or transfer the loan to another party and, if it does, that the address and identity of the party to which correspondence and payments should be sent may change;

* * * * *

(3) With the exception of paragraphs (a)(2)(i) through (a)(2)(iii), (a)(2)(v) through (a)(2)(vii), and (a)(2)(xx) of this section, a lender's disclosure requirements are met if it provides the borrower with either—

(i) The borrower's rights and responsibilities statement approved by the Secretary under paragraph (b) of this section; or

(ii) The plain language disclosure approved by the Secretary under paragraph (g) of this section for subsequent loans made under a Master Promissory Note.

(b) *Separate statement of borrower rights and responsibilities.* In addition to the disclosures required by paragraph (a) of this section, the lender must provide the borrower with a separate written statement, using simple and understandable terms, at or prior to the time of the first disbursement, that summarizes the rights and responsibilities of the borrower with respect to the loan. The statement must also warn the borrower about the consequences described in paragraph (a)(2)(xvi) of this section if the borrower defaults on the loan. The Borrower's Rights and Responsibilities statement approved by the Secretary satisfies this requirement.

(c) * * *

- (1) The lender must disclose the information described in paragraph (c)(2) of this section, in simple and understandable terms, in a statement provided to the borrower at or prior to the beginning of the repayment period. In the case of a Federal Stafford or Federal SLS loan, the disclosures required by this paragraph must be made not less than 30 days nor more than 240 days before the first payment

on the loan is due from the borrower. If the borrower enters the repayment period without the lender's knowledge, the lender must provide the required disclosures to the borrower immediately upon discovering that the borrower has entered the repayment period.

(2) * * *

(i) The lender's name, a toll-free telephone number accessible from within the United States that the borrower can use to obtain additional loan information, and the address to which correspondence with the lender and payments should be sent;

* * * * *

(d) *Exception to disclosure requirement.* In the case of a Federal PLUS loan, the lender is not required to provide the information in paragraph (c)(2)(viii) of this section if the lender, instead of that disclosure, provides the borrower with sample projections of the monthly repayment amounts assuming different levels of borrowing and interest accruals resulting from capitalization of interest while the student is in school. Sample projections must disclose the cost to the borrower of principal and interest, interest only, and capitalized interest. The lender may rely on the PLUS promissory note and associated materials approved by the Secretary for purposes of complying with this section.

(e) *Borrower may not be charged for disclosures.* The lender must provide the information required by this section at no cost to the borrower.

(f) *Method of disclosure.* Any disclosure of information by a lender under this section may be through written or electronic means.

(g) *Plain language disclosure.* The plain language disclosure text, as approved by the Secretary, must be provided to a borrower in conjunction with subsequent loans taken under a previously signed Master Promissory Note. The requirements of paragraphs (a) and (b) of this section are satisfied for subsequent loans if the borrower is sent the plain language disclosure text and an initial disclosure containing the information required by paragraphs (a)(2)(i) through (iii), (a)(2)(v), (a)(2)(vi), (a)(2)(vii), and (a)(2)(xx) of this section.

(h) *Notice of availability of income-sensitive repayment option.*

(1) At the time of offering a borrower a loan and at the time of offering a borrower repayment options, the lender must provide the borrower with a notice that informs the borrower of the availability of income-sensitive repayment. This information may be provided in a separate notice or as part of the other disclosures required by this

section. The notice must inform the borrower—

(i) That the borrower is eligible for income-sensitive repayment, including through loan consolidation;

(ii) Of the procedures by which the borrower can elect income-sensitive repayment; and

(iii) Of where and how the borrower may obtain more information concerning income-sensitive repayment.

(2) The promissory note and associated materials approved by the Secretary satisfy the loan origination notice requirements provided for in paragraph (h)(1) of this section.

§ 682.208 Due diligence in servicing a loan.

§ 682.305 Procedures for payment of interest benefits and special allowance and collection of origination and loan fees.

(a) * * *

(1) If a lender owes origination fees or loan fees under paragraph (a) of this section, it must submit quarterly reports to the Secretary on a form provided or prescribed by the Secretary, even if the lender is not owed, or does not wish to receive, interest benefits or special allowance from the Secretary.

* * * * *

(3) * * *

(iii) The Secretary collects from an originating lender the amount of origination fees the originating lender was authorized to collect from borrowers during the quarter whether or not the originating lender actually collected those fees. The Secretary also collects the fees the originating lender is required to pay under paragraph (a)(3)(ii) of this section. Generally, the Secretary collects the fees from the originating lender by offsetting the amount of interest benefits and special allowance payable to the originating lender in a quarter, and, if necessary, the amount of interest benefits and special allowance payable in subsequent quarters may be offset until the total amount of fees has been recovered.

(iv) If the full amount of the fees cannot be collected within two quarters by reducing interest and special allowance payable to the originating lender, the Secretary may collect the unpaid amount directly from the originating lender.

(v) If the full amount of the fees cannot be collected within two quarters from the originating lender in accordance with paragraphs (a)(3)(iii) and (iv) of this section and if the originating lender has transferred the loan to a subsequent holder, the Secretary may, following written notice, collect the unpaid amount from the holder by using the same steps described in paragraphs (a)(3)(iii) and (iv) of this section, with the term "holder" substituting for the term "originating lender".

* * * * *

(c) * * *

(1) If a lender originates or holds more than \$5 million in FFEL loans during its fiscal year, it must submit an independent annual compliance audit for that year, conducted by a qualified independent organization or person. The Secretary may, following written notice, suspend the payment of interest benefits and special allowance to a lender that does not submit its audit

within the time period prescribed in paragraph (c)(2) of this section.

(iii) 100 percent of its losses on default claim payments to lenders—

(A) For loans for which the first disbursement is made prior to October 1, 1993;

* * * * *

(2) * * *

(ii) *Default aversion assistance* means the activities of a guaranty agency that are designed to prevent a default by a borrower who is at least 60 days delinquent and that are directly related to providing collection assistance to the lender.

* * * * *

(4) If a lender has requested default aversion assistance as described in paragraph (a)(2)(ii) of this section, the agency must, upon request of the school at which the borrower received the loan, notify the school of the lender's request. The guaranty agency may not charge the school or the school's agent for providing this notification and must accept a blanket request from the school to be notified whenever any of the school's current or former students are the subject of a default aversion assistance request. The agency must notify schools annually of the option to make this blanket request.

(b) *Reduction in reinsurance rate.* (1) * * *

(i) 90 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(ii) 88 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 85 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

(2) * * *

(i) 80 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(ii) 78 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 75 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

* * * * *

(g) *Share of borrower payments returned to the Secretary.* (1) After an agency pays a default claim to a holder using assets of the Federal Fund, the agency must pay to the Secretary the portion of payments received on those defaulted loans remaining after—

(i) The agency deposits into the Federal Fund the amount of those payments equal to the applicable complement of the reinsurance percentage that was in effect at the time the claim was paid; and

(ii) The agency has deducted an amount equal to—

(A) 30 percent of borrower payments received before October 1, 1993;

(B) 27 percent of borrower payments received on or after October 1, 1993, and before October 1, 1998;

(C) 24 percent of borrower payments received on or after October 1, 1998, and before October 1, 2003; and

(D) 23 percent of borrower payments received on or after October 1, 2003.

(2) Unless the Secretary approves otherwise, the guaranty agency must pay to the Secretary the Secretary's share of borrower payments within 45 days of its receipt of the payments.

* * * * *

(i) *Account maintenance fee.* A guaranty agency is paid an account maintenance fee based on the original principal amount of outstanding FFEL Program loans insured by the agency. For fiscal years 1999 and 2000, the fee is 0.12 percent of the original principal amount of outstanding loans. After fiscal year 2000, the fee is 0.10 percent of the original principal amount of outstanding loans.

(j) *Loan processing and issuance fee.* A guaranty agency is paid a loan processing and issuance fee based on the principal amount of FFEL Program loans originated during a fiscal year that are insured by the agency. The fee is paid quarterly. No payment is made for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed. For fiscal years 1999 through 2003, the fee is 0.65 percent of the principal amount of loans originated. Beginning October 1, 2003, the fee is 0.40 percent.

(k) *Default aversion fee.*—(1) *General.* If a guaranty agency performs default aversion activities on a delinquent loan in response to a lender's request for default aversion assistance on that loan, the agency receives a default aversion fee. The fee may not be paid more than once on any loan. The lender's request for assistance must be submitted to the guaranty agency no earlier than the 60th day and no later than the 120th day of

the borrower's delinquency. A guaranty agency may not restrict a lender's choice of the date during this period on which the lender submits a request for default aversion assistance.

(2) *Amount of fees transferred.* No more frequently than monthly, a guaranty agency may transfer default aversion fees from the Federal Fund to its Operating Fund. The amount of the fees that may be transferred is equal to—

(i) One percent of the unpaid principal and accrued interest owed on loans that were submitted by lenders to the agency for default aversion assistance; minus

(ii) One percent of the unpaid principal and accrued interest owed by borrowers on default claims that—

(A) Were paid by the agency for the same time period for which the agency transferred default aversion fees from its Federal Fund; and

(B) For which default aversion fees have been received by the agency.

(3) *Calculation of fee.* (i) For purposes of calculating the one percent default aversion fee described in paragraph (k)(2)(i) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the default aversion assistance request is submitted by the lender.

(ii) For purposes of paragraph (k)(2)(ii) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the agency paid the default claim.

(4) *Prohibition against conflicts.* If a guaranty agency contracts with an outside entity to perform any default aversion activities, that outside entity may not—

(i) Hold or service the loan; or

(ii) Perform collection activities on the loan in the event of default within 3 years of the claim payment date.

* * * * *

(14) The guaranty agency certifies to the Secretary that diligent attempts have been made by the lender and the

* * * * *

15. Section 682.409 is amended by revising the introductory text of paragraph (a)(1) to read as follows:

§ 682.409 Mandatory assignment by guaranty agencies of defaulted loans to the Secretary.

(a)(1) If the Secretary determines that action is necessary to protect the Federal fiscal interest, the Secretary directs a guaranty agency to promptly assign to the Secretary any loans held by the agency on which the agency has received payment under § 682.402(f), 682.402(k), or 682.404. The collection of unpaid loans owed by Federal employees by Federal salary offset is, among other things, deemed to be in the Federal fiscal interest. Unless the Secretary notifies an agency, in writing, that other loans must be assigned to the Secretary, an agency must assign any loan that meets all of the following criteria as of April 15 of each year:

* * * * *

16. Section 682.410 is amended by adding a new paragraph (b)(5)(vii) to read as follows:

* * * * *

(b) * * *

(5) * * *

(vii) As part of the guaranty agency's response to a borrower who appeals an adverse decision resulting from the agency's administrative review of the loan obligation, the agency must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

* * * * *

17. Section 682.411 is revised to read as follows:

§ 682.411 Lender due diligence in collecting guaranty agency loans.

(a) *General.* In the event of delinquency on an FFEL Program loan, the lender must engage in at least the collection efforts described in paragraphs (c) through (n) of this section, except that in the case of a loan made to a borrower who is incarcerated, residing outside a State, Mexico, or Canada, or whose telephone number is unknown, the lender may send a forceful collection letter instead of each telephone effort required by this section.

(b) *Delinquency.* (1) For purposes of this section, delinquency on a loan begins on the first day after the due date

of the first missed payment that is not later made. The due date of the first payment is established by the lender but must occur by the deadlines specified in § 682.209(a) or, if the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the day the lender so learns, except as provided in § 682.209(a)(2)(v) and (a)(3)(ii)(E). If a payment is made late, the first day of delinquency is the day after the due date of the next missed payment that is not later made. A payment that is within five dollars of the amount normally required to advance the due date may nevertheless advance the due date if the lender's procedures allow for that advancement.

(2) At no point during the periods specified in paragraphs (c), (d), and (e) of this section may the lender permit the occurrence of a gap in collection activity, as defined in paragraph (j) of this section, of more than 45 days (60 days in the case of a transfer).

(3) As part of one of the collection activities provided for in this section, the lender must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(c) *1-15 days delinquent.* Except in the case in which a loan is brought into this period by a payment on the loan, expiration of an authorized deferment or forbearance period, or the lender's receipt from the drawee of a dishonored check submitted as a payment on the loan, the lender during this period must send at least one written notice or collection letter to the borrower informing the borrower of the delinquency and urging the borrower to make payments sufficient to eliminate the delinquency. The notice or collection letter sent during this period must include, at a minimum, a lender or servicer contact, a telephone number, and a prominent statement informing the borrower that assistance may be available if he or she is experiencing difficulty in making a scheduled repayment.

(d) *16-180 days delinquent (16-240 days delinquent for a loan repayable in installments less frequently than monthly).* (1) Unless exempted under paragraph (d)(4) of this section, during this period the lender must engage in at least four diligent efforts to contact the borrower by telephone and send at least four collection letters urging the borrower to make the required payments on the loan. At least one of the diligent efforts to contact the borrower by telephone must occur on or before, and another one must occur after, the 90th day of delinquency. Collection letters sent during this period must include, at

a minimum, information for the borrower regarding deferment, forbearance, income-sensitive repayment and loan consolidation, and other available options to avoid default.

(2) At least two of the collection letters required under paragraph (d)(1) of this section must warn the borrower that, if the loan is not paid, the lender will assign the loan to the guaranty agency that, in turn, will report the default to all national credit bureaus, and that the agency may institute proceedings to offset the borrower's State and Federal income tax refunds and other payments made by the Federal Government to the borrower or to garnish the borrower's wages, or to assign the loan to the Federal Government for litigation against the borrower.

(3) Following the lender's receipt of a payment on the loan or a correct address for the borrower, the lender's receipt from the drawee of a dishonored check received as a payment on the loan, the lender's receipt of a correct telephone number for the borrower, or the expiration of an authorized deferment or forbearance period, the lender is required to engage in only—

(i) Two diligent efforts to contact the borrower by telephone during this period, if the loan is less than 91 days delinquent (121 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance; or

(ii) One diligent effort to contact the borrower by telephone during this period if the loan is 91-120 days delinquent (121-180 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance.

(4) A lender need not attempt to contact by telephone any borrower who is more than 120 days delinquent (180 days delinquent for a loan repayable in installments less frequent than monthly) following the lender's receipt of—

(i) A payment on the loan;

(ii) A correct address or correct telephone number for the borrower;

(iii) A dishonored check received from the drawee as a payment on the loan; or

(iv) The expiration of an authorized deferment or forbearance.

(e) *181-270 days delinquent (241-330 days delinquent for a loan repayable in installments less frequently than monthly).* During this period the lender

must engage in efforts to urge the borrower to make the required payments on the loan. These efforts must, at a minimum, provide information to the borrower regarding options to avoid default and the consequences of defaulting on the loan.

(f) *Final demand.* On or after the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly) the lender must send a final demand letter to the borrower requiring repayment of the loan in full and notifying the borrower that a default will be reported to a national credit bureau. The lender must allow the borrower at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(g) *Collection procedures when borrower's telephone number is not available.* Upon completion of a diligent but unsuccessful effort to ascertain the correct telephone number of a borrower as required by paragraph (m) of this section, the lender is excused from any further efforts to contact the borrower by telephone, unless the borrower's number is obtained before the 211th day of delinquency (the 271st day for loans repayable in installments less frequently than monthly).

(h) *Skip-tracing.* (1) Unless the letter specified under paragraph (f) of this section has already been sent, within 10 days of its receipt of information indicating that it does not know the borrower's current address, the lender must begin to diligently attempt to locate the borrower through the use of effective commercial skip-tracing techniques. These efforts must include, but are not limited to, sending a letter to or making a diligent effort to contact each endorser, relative, reference, individual, and entity, identified in the borrower's loan file, including the schools the student attended. For this purpose, a lender's contact with a school official who might reasonably be expected to know the borrower's address may be with someone other than the financial aid administrator, and may be in writing or by phone calls. These efforts must be completed by the date of default with no gap of more than 45 days between attempts to contact those individuals or entities.

(2) Upon receipt of information indicating that it does not know the borrower's current address, the lender must discontinue the collection efforts described in paragraphs (c) through (f) of this section.

(3) If the lender is unable to ascertain the borrower's current address despite its performance of the activities

described in paragraph (h)(1) of this section, the lender is excused thereafter from performance of the collection activities described in paragraphs (c) through (f) and (l)(1) through (l)(3) and (l)(5) of this section unless it receives communication indicating the borrower's address before the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly).

(4) The activities specified by paragraph (m)(1)(i) or (ii) of this section (with references to the "borrower" understood to mean endorser, reference, relative, individual, or entity as appropriate) meet the requirement that the lender make a diligent effort to contact each individual identified in the borrower's loan file.

(i) *Default aversion assistance.* Not earlier than the 60th day and no later than the 120th day of delinquency, a lender must request default aversion assistance from the guaranty agency that guarantees the loan.

(j) *Gap in collection activity.* For purposes of this section, the term *gap in collection activity* means, with respect to a loan, any period—

(1) Beginning on the date that is the day after—

(i) The due date of a payment unless the lender does not know the borrower's address on that date;

(ii) The day on which the lender receives a payment on a loan that remains delinquent notwithstanding the payment;

(iii) The day on which the lender receives the correct address for a delinquent borrower;

(iv) The day on which the lender completes a collection activity;

(v) The day on which the lender receives a dishonored check submitted as a payment on the loan;

(vi) The expiration of an authorized deferment or forbearance period on a delinquent loan; or

(vii) The day the lender receives information indicating it does not know the borrower's current address; and

(2) Ending on the date of the earliest of—

(i) The day on which the lender receives the first subsequent payment or completed deferment request or forbearance agreement;

(ii) The day on which the lender begins the first subsequent collection activity;

(iii) The day on which the lender receives written communication from the borrower relating to his or her account; or

(iv) Default.

(k) *Transfer.* For purposes of this section, the term *transfer* with respect to

a loan means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

(l) *Collection activity.* For purposes of this section, the term *collection activity* with respect to a loan means—

(1) Mailing or otherwise transmitting to the borrower at an address that the lender reasonably believes to be the borrower's current address a collection letter or final demand letter that satisfies the timing and content requirements of paragraph (c), (d), (e), or (f) of this section;

(2) Making an attempt to contact the borrower by telephone to urge the borrower to begin or resume repayment;

(3) Conducting skip-tracing efforts, in accordance with paragraph (h)(1) or (m)(1)(iii) of this section, to locate a borrower whose correct address or telephone number is unknown to the lender;

(4) Mailing or otherwise transmitting to the guaranty agency a request for default aversion assistance available from the agency on the loan at the time the request is transmitted; or

(5) Any telephone discussion or personal contact with the borrower so long as the borrower is apprised of the account's past-due status.

(m) *Diligent effort for telephone contact.* (1) For purposes of this section, the term *diligent effort* with respect to telephone contact means—

(i) A successful effort to contact the borrower by telephone;

(ii) At least two unsuccessful attempts to contact the borrower by telephone at a number that the lender reasonably believes to be the borrower's correct telephone number; or

(iii) An unsuccessful effort to ascertain the correct telephone number of a borrower, including, but not limited to, a directory assistance inquiry as to the borrower's telephone number, and sending a letter to or making a diligent effort to contact each reference, relative, and individual identified in the most recent loan application or most recent school certification for that borrower held by the lender. The lender may contact a school official other than the financial aid administrator who reasonably may be expected to know the borrower's address or telephone number.

(2) If the lender is unable to ascertain the borrower's correct telephone number despite its performance of the activities described in paragraph (m)(1)(iii) of this section, the lender is excused thereafter from attempting to contact the borrower by telephone unless it receives a communication

indicating the borrower's current telephone number before the 211th day of delinquency (the 271st day for loans repayable in installments less frequently than monthly).

(3) The activities specified by paragraph (m)(1) (i) or (ii) of this section (with references to "the borrower" understood to mean endorser, reference, relative, or individual as appropriate), meet the requirement that the lender make a diligent effort to contact each endorser or each reference, relative, or individual identified on the borrower's most recent loan application or most recent school certification.

(n) *Due diligence for endorsers.* (1) Before filing a default claim on a loan with an endorser, the lender must—

(i) Make a diligent effort to contact the endorser by telephone; and

(ii) Send the endorser on the loan two letters advising the endorser of the delinquent status of the loan and urging the endorser to make the required payments on the loan with at least one letter containing the information described in paragraph (d)(2) of this section (with references to "the borrower" understood to mean the endorser).

(2) On or after the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly) the lender must send a final demand letter to the endorser requiring repayment of the loan in full and notifying the endorser that a default will be reported to a national credit bureau. The lender must allow the endorser at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(3) Unless the letter specified under paragraph (n)(2) of this section has already been sent, upon receipt of information indicating that it does not know the endorser's current address or telephone number, the lender must diligently attempt to locate the endorser through the use of effective commercial skip-tracing techniques. This effort must include an inquiry to directory assistance.

(o) *Preemption of State law.* The provisions of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements or frustrate the purposes of this section.

(a) and adding, in its place, "§ 682.411(f)".

19. Section 682.413 is amended by revising paragraph (e)(1) to read as follows:

(e)(1)(i) The Secretary's decision to require repayment of funds, withhold funds, or to limit or suspend a lender, guaranty agency, or third party servicer from participation in the FFEL Program or to terminate a lender or third party from participation in the FFEL Program does not become final until the Secretary provides the lender, agency, or servicer with written notice of the intended action and an opportunity to be heard. The hearing is at a time and in a manner the Secretary determines to be appropriate to the resolution of the issues on which the lender, agency, or servicer requests the hearing.

(ii) The Secretary's decision to terminate a guaranty agency's participation in the FFEL Program after September 24, 1998 does not become final until the Secretary provides the agency with written notice of the intended action and provides an opportunity for a hearing on the record.

21. Section 682.417 is revised to read as follows:

§ 682.417 Determination of Federal funds or assets to be returned.

(a) *General.* The procedures described in this section apply to a determination by the Secretary that—

(1) A guaranty agency must return to the Secretary a portion of its Federal

Fund that the Secretary has determined is unnecessary to pay the program expenses and contingent liabilities of the agency; and

(2) A guaranty agency must require the return to the agency or the Secretary of Federal funds or assets within the meaning of section 422(g)(1) of the Act held by or under the control of any other entity that the Secretary determines are necessary to pay the program expenses and contingent liabilities of the agency or that are required for the orderly termination of the guaranty agency's operations and the liquidation of its assets.

(b) *Return of unnecessary Federal funds.* (1) The Secretary may initiate a process to recover unnecessary Federal funds under paragraph (a)(1) of this section if the Secretary determines that a guaranty agency's Federal Fund ratio under § 682.410(a)(10) for each of the two preceding Federal fiscal years exceeded 2.0 percent.

(2) If the Secretary initiates a process to recover unnecessary Federal funds, the Secretary requires the return of a portion of the Federal funds that the Secretary determines will permit the agency to—

(i) Have a Federal Fund ratio of at least 2.0 percent under § 682.410(a)(10) at the time of the determination; and

(ii) Meet the minimum Federal Fund requirements under § 682.410(a)(10) and retain sufficient additional Federal funds to perform its responsibilities as a guaranty agency during the current Federal fiscal year and the four succeeding Federal fiscal years.

(3)(i) The Secretary makes a determination of the amount of Federal funds needed by the guaranty agency under paragraph (b)(2) of this section on the basis of financial projections for the period described in that paragraph. If the agency provides projections for a period longer than the period referred to in that paragraph, the Secretary may consider those projections.

(ii) The Secretary may require a guaranty agency to provide financial projections in a form and on the basis of assumptions prescribed by the Secretary. If the Secretary requests the agency to provide financial projections, the agency must provide the projections within 60 days of the Secretary's request. If the agency does not provide the projections within the specified time period, the Secretary determines the amount of Federal funds needed by the agency on the basis of other information.

(c) *Notice.* (1) The Secretary or an authorized Departmental official begins a proceeding to order a guaranty agency to return a portion of its Federal funds,

or to direct the return of Federal funds or assets subject to return, by sending the guaranty agency a notice by certified mail, return receipt requested.

(2) The notice—

(i) Informs the guaranty agency of the Secretary's determination that Federal funds or assets must be returned;

(ii) Describes the basis for the Secretary's determination and contains sufficient information to allow the guaranty agency to prepare and present an appeal;

(iii) States the date by which the return of Federal funds or assets must be completed;

(iv) Describes the process for appealing the determination, including the time for filing an appeal and the procedure for doing so; and

(v) Identifies any actions that the guaranty agency must take to ensure that the Federal funds or assets that are the subject of the notice are maintained and protected against use, expenditure, transfer, or other disbursement after the date of the Secretary's determination, and the basis for requiring those actions. The actions may include, but are not limited to, directing the agency to place the Federal funds in an escrow account. If the Secretary has directed the guaranty agency to require the return of Federal funds or assets held by or under the control of another entity, the guaranty agency must ensure that the agency's claims to those funds or assets and the collectability of the agency's claims will not be compromised or jeopardized during an appeal. The guaranty agency must also comply with all other applicable regulations relating to the use of Federal funds and assets.

(d) *Appeal.* (1) A guaranty agency may appeal the Secretary's determination that Federal funds or assets must be returned by filing a written notice of appeal within 20 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination. If the agency files a notice of appeal, the requirement that the return of Federal funds or assets be completed by a particular date is suspended pending completion of the appeal process. If the agency does not file a notice of appeal within the period specified in this paragraph, the Secretary's determination is final.

(2) A guaranty agency must submit the information described in paragraph (d)(4) of this section within 45 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination unless the Secretary agrees to extend the period at the agency's request. If the agency does not submit that information within the

prescribed period, the Secretary's determination is final.

(3) A guaranty agency's appeal of a determination that Federal funds or assets must be returned is considered and decided by a Departmental official other than the official who issued the determination or a subordinate of that official.

(4) In an appeal of the Secretary's determination, the guaranty agency must—

(i) State the reasons the guaranty agency believes the Federal funds or assets need not be returned;

(ii) Identify any evidence on which the guaranty agency bases its position that Federal funds or assets need not be returned;

(iii) Include copies of the documents that contain this evidence;

(iv) Include any arguments that the guaranty agency believes support its position that Federal funds or assets need not be returned; and

(v) Identify the steps taken by the guaranty agency to comply with the requirements referred to in paragraph (c)(2)(v) of this section.

(5)(i) In its appeal, the guaranty agency may request the opportunity to make an oral argument to the deciding official for the purpose of clarifying any issues raised by the appeal. The deciding official provides this opportunity promptly after the expiration of the period referred to in paragraph (d)(2) of this section.

(ii) The agency may not submit new evidence at or after the oral argument unless the deciding official determines otherwise. A transcript of the oral argument is made a part of the record of the appeal and is promptly provided to the agency.

(6) The guaranty agency has the burden of production and the burden of persuading the deciding official that the Secretary's determination should be modified or withdrawn.

(e) *Third-party participation.* (1) If the Secretary issues a determination under paragraph (a)(1) of this section, the Secretary promptly publishes a notice in the **Federal Register** announcing the portion of the Federal Fund to be returned by the agency and providing interested persons an opportunity to submit written information relating to the determination within 30 days after the date of publication. The Secretary publishes the notice no earlier than five days after the agency receives a copy of the determination.

(2) If the guaranty agency to which the determination relates files a notice of appeal of the determination, the deciding official may consider any information submitted in response to

the **Federal Register** notice. All information submitted by a third party is available for inspection and copying at the offices of the Department of Education in Washington, D.C., during normal business hours.

(f) *Adverse information.* If the deciding official considers information in addition to the evidence described in the notice of the Secretary's determination that is adverse to the guaranty agency's position on appeal, the deciding official informs the agency and provides it a reasonable opportunity to respond to the information without regard to the period referred to in paragraph (d)(2) of this section.

(g) *Decision.* (1) The deciding official issues a written decision on the guaranty agency's appeal within 45 days of the date on which the information described in paragraphs (d)(4) and (d)(5)(ii) of this section is received, or the oral argument referred to in paragraph (d)(5) of this section is held, whichever is later. The deciding official mails the decision to the guaranty agency by certified mail, return receipt requested. The decision of the deciding official becomes the final decision of the Secretary 30 days after the deciding official issues it. In the case of a determination that a guaranty agency must return Federal funds, if the deciding official does not issue a decision within the prescribed period, the agency is no longer required to take the actions described in paragraph (c)(2)(v) of this section.

(2) A guaranty agency may not seek judicial review of the Secretary's determination to require the return of Federal funds or assets until the deciding official issues a decision.

(3) The deciding official's written decision includes the basis for the decision. The deciding official bases the decision only on evidence described in the notice of the Secretary's determination and on information properly submitted and considered by the deciding official under this section. The deciding official is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(h) *Collection of Federal funds or assets.* (1) If the deciding official's final decision requires the guaranty agency to return Federal funds, or requires the guaranty agency to require the return of Federal funds or assets to the agency or to the Secretary, the decision states a new date for compliance with the decision. The new date is no earlier than the date on which the decision becomes the final decision of the Secretary.

(2) If the guaranty agency fails to comply with the decision, the Secretary may recover the Federal funds from any funds due the agency from the Department without any further notice or procedure and may take any other action permitted or authorized by law to compel compliance.

(Approved by the Office of Management and Budget under control number 1845-0020).

22. Section 682.418 is amended by revising the heading and paragraph (a)(1), and removing the words "reserve fund" and adding, in their place, the words "Operating Fund", respectively, wherever they appear. The revised heading and text follows:

§ 682.418 Prohibited uses of the assets of the Operating Fund during periods in which the Operating Fund contains transferred funds owed to the Federal Fund.

(a) * * *

(1) During periods in which the Operating Fund contains transferred funds owed to the Federal Fund, a guaranty agency may not use the assets of the Operating Fund to pay costs prohibited under paragraph (b) of this section and may not use the assets of the Operating Fund to pay for goods, property, or services provided by an affiliated organization unless the agency applies and demonstrates to the Secretary, and receives the Secretary's approval, that the payment would be in the Federal fiscal interest and would not exceed the affiliated organization's actual and reasonable cost of providing those goods, property, or services.

* * * * *

23. A new § 682.419 is added to subpart D to read as follows:

§ 682.419 Guaranty agency Federal Fund.

(a) *Establishment and control.* A guaranty agency must establish and maintain a Federal Student Loan Reserve Fund (referred to as the "Federal Fund") to be used only as permitted under paragraph (c) of this section. The assets of the Federal Fund and the earnings on those assets are, at all times, the property of the United States. The guaranty agency must exercise the level of care required of a fiduciary charged with the duty of protecting, investing, and administering the money of others.

(b) *Deposits.* The agency must deposit into the Federal Fund—

(1) All funds, securities, and other liquid assets of the reserve fund that existed under § 682.410;

(2) The total amount of insurance premiums collected;

(3) Federal payments for default, bankruptcy, death, disability, closed

school, false certification, and other claims;

(4) Federal payments for supplemental preclaims assistance activities performed before October 1, 1998;

(5) 70 percent of administrative cost allowances received on or after October 1, 1998 for loans upon which insurance was issued before October 1, 1998;

(6) All funds received by the guaranty agency from any source on FFEL Program loans on which a claim has been paid, within 48 hours of receipt of those funds, minus the portion the agency is authorized to deposit in its Operating Fund;

(7) Investment earnings on the Federal Fund;

(8) Revenue derived from the Federal portion of a nonliquid asset, in accordance with § 682.420; and

(9) Other funds received by the guaranty agency from any source that are specifically designated for deposit in the Federal Fund.

(c) *Uses.* A guaranty agency may use the assets of the Federal Fund only—

(1) To pay insurance claims;

(2) To transfer default aversion fees to the agency's Operating Fund;

(3) To transfer account maintenance fees to the agency's Operating Fund, if directed by the Secretary;

(4) To refund payments made by or on behalf of a borrower on a loan that has been discharged in accordance with § 682.402;

(5) To pay the Secretary's share of borrower payments, in accordance with § 682.404(g);

(6) For transfers to the agency's Operating Fund, pursuant to § 682.421;

(7) To refund insurance premiums related to loans cancelled or refunded, in whole or in part;

(8) To return to the Secretary portions of the Federal Fund required to be returned by the Act; and

(9) For any other purpose authorized by the Secretary.

(d) *Prohibition against prepayment.* A guaranty agency may not prepay obligations of the Federal Fund unless it demonstrates, to the satisfaction of the Secretary, that the prepayment is in the best interests of the United States.

(e) *Minimum Federal Fund level.* The guaranty agency must maintain a minimum Federal Fund level equal to at least 0.25 percent of its insured original principal amount of loans outstanding.

(f) *Definitions.* For purposes of this section—

(1) *Federal Fund level* means the total of Federal Fund assets identified in paragraph (b) of this section plus the amount of funds transferred from the Federal Fund that are in the Operating

Fund, using an accrual basis of accounting.

(2) *Original principal amount of loans outstanding means—*

(i) The sum of—

(A) The original principal amount of all loans guaranteed by the agency; and

(B) The original principal amount of any loans on which the guarantee was transferred to the agency from another guarantor, excluding loan guarantees transferred to another agency pursuant to a plan of the Secretary in response to the insolvency of the agency;

(ii) Minus the original principal amount of all loans on which—

(A) The loan guarantee was cancelled;

(B) The loan guarantee was transferred to another agency;

(C) Payment in full has been made by the borrower;

(D) Reinsurance coverage has been lost and cannot be regained; and

(E) The agency paid claims.

(Authority: 20 U.S.C. 1072-1)

24. A new § 682.420 is added to subpart D to read as follows:

§ 682.420 Federal nonliquid assets.

(a) *General.* The Federal portion of a nonliquid asset developed or purchased in whole or in part with Federal reserve funds, regardless of who held or controlled the Federal reserve funds or assets, is the property of the United States. The ownership of that asset must be prorated based on the percentage of the asset developed or purchased with Federal reserve funds. In maintaining and using the Federal portion of a nonliquid asset under this section, the guaranty agency must exercise the level of care required of a fiduciary charged with protecting, investing, and administering the property of others.

(b) *Treatment of revenue derived from a nonliquid Federal asset.* If a guaranty agency derives revenue from the Federal portion of a nonliquid asset, including its sale or lease, the agency must promptly deposit the percentage of the net revenue received into the Federal Fund equal to the percentage of the asset owned by the United States.

(c) *Guaranty agency use of the Federal portion of a nonliquid asset.* (1)(i) If a guaranty agency uses the Federal portion of a nonliquid asset in the performance of its guaranty activities (other than an intangible or intellectual property asset or a tangible asset of nominal value), the agency must promptly deposit into the Federal Fund an amount representing the net fair value of the use of the asset.

(ii) If a guaranty agency uses the Federal portion of a nonliquid asset for purposes other than the performance of

its guaranty activities, the agency must promptly deposit into the Federal Fund an amount representing the net fair value of the use of the asset.

(2) Payments to the Federal Fund required by paragraph (c)(1) of this section must be made not less frequently than quarterly.

(Authority: 20 U.S.C. 1072-1)

25. A new § 682.421 is added to subpart D to read as follows:

§ 682.421 Funds transferred from the Federal Fund to the Operating Fund by a guaranty agency.

(a) *General.* In accordance with this section, a guaranty agency may request the Secretary's permission to transfer a limited amount of funds from the Federal Fund to the Operating Fund. Upon receiving the Secretary's approval, the agency may transfer the requested funds at any time within 6 months following the date specified by the Secretary. If the Secretary has not approved or disapproved the agency's request within 30 days after receiving it, the agency may transfer the requested funds at any time within the 6-month period beginning on the 31st day after the Secretary received the agency's request. The transferred funds may be used only as permitted by §§ 682.410(a)(2) and 682.418.

(b) *Transferring the principal balance of the Federal Fund.*—(1) *Amount that may be transferred.* Upon receiving the Secretary's approval, an agency may transfer an amount up to the equivalent of 180 days of cash expenses for purposes allowed by §§ 682.410(a)(2) and 682.418 (not including claim payments) for normal operating expenses to be deposited into the agency's Operating Fund. The amount transferred and outstanding at any time during the first 3 years after establishing the Operating Fund may not exceed the lesser of 180 days cash expenses for purposes allowed by §§ 682.410(a)(2) and 682.418 (not including claim payments), or 45 percent of the balance in the Federal reserve fund that existed under § 682.410 as of September 30, 1998.

(2) *Requirements for requesting a transfer.* A guaranty agency that wishes to transfer principal from the Federal Fund must provide the Secretary with a proposed repayment schedule and evidence that it can repay the transfer according to its proposed schedule. The agency must provide the Secretary with the following:

(i) A request for the transfer that specifies the desired amount, the date the funds will be needed, and the agency's proposed terms of repayment;

(ii) A projected revenue and expense statement, to be updated annually during the repayment period, that demonstrates that the agency will be able to repay the transferred amount within the repayment period requested by the agency; and

(iii) Certifications by the agency that during the period while the transferred funds are outstanding—

(A) Sufficient funds will remain in the Federal Fund to pay lender claims during the period the transferred funds are outstanding;

(B) The agency will be able to meet the reserve recall requirements of section 422 of the Act;

(C) The agency will be able to meet the statutory minimum reserve level of 0.25 percent, as mandated by section 428(c)(9) of the Act; and

(D) No legal prohibition exists that would prevent the agency from obtaining or repaying the transferred funds.

(c) *Transferring interest earned on the Federal Fund.* (1) *Amount that may be transferred.* The Secretary may permit an agency that owes the Federal Fund the maximum amount allowable under paragraph (b) of this section to transfer the interest income earned on the Federal Fund during the 3-year period following October 7, 1998. The combined amount of transferred interest and the amount of principal transferred under paragraph (b) of this section may exceed 180 days cash expenses for purposes allowed by §§ 682.410(a)(2) and 682.418 (not including claim payments), but may not exceed 45 percent of the balance in the Federal reserve fund that existed under § 682.410 as of September 30, 1998.

(2) *Requirements for requesting a transfer.* To be allowed to transfer the interest income, in addition to the items in paragraph (b)(2) of this section, the agency must demonstrate to the Secretary that the cash flow in the Operating Fund will be negative if the agency is not authorized to transfer the interest, and, by transferring the interest, the agency will substantially improve its financial circumstances.

(Authority: 20 U.S.C. 1072-1)

(Approved by the Office of Management and Budget under control number 1845-0020)

26. A new § 682.422 is added to subpart D to read as follows:

§ 682.422 Guaranty agency repayment of funds transferred from the Federal Fund.

(a) *General.* A guaranty agency must begin repayment of money transferred from the Federal Fund not later than the start of the 4th year after the agency establishes its Operating Fund. All

amounts transferred must be repaid not later than five years after the date the Operating Fund is established.

(b) *Extension for repaying the interest transferred.*—(1) *General.* The Secretary may extend the period for repayment of interest transferred from the Federal Fund from two years to five years if the Secretary determines that the cash flow of the Operating Fund will be negative if the transferred interest had to be repaid earlier or the repayment of the interest would substantially diminish the financial circumstances of the agency.

(2) *Agency eligibility for an extension.* To receive an extension, the agency must demonstrate that it will be able to repay all transferred funds by the end of the 8th year following the date of establishment of the Operating Fund and that the agency will be financially sound upon the completion of repayment.

(3) *Repayment of interest earned on transferred funds.* If the Secretary extends the period for repayment of interest transferred from the Federal Fund for a guaranty agency, the agency must repay the amount of interest during the 6th, 7th, and 8th years following the establishment of the Operating Fund. In addition to repaying the amount of interest, the guaranty agency must also pay to the Secretary any income earned after the 5th year from the investment of the transferred amount. In determining the amount of income earned on the transferred amount, the Secretary uses the average investment income earned on the agency's Operating Fund.

(c) *Consequences if a guaranty agency fails to repay transfers from the Federal Fund.* If a guaranty agency fails to make a scheduled repayment to the Federal Fund, the agency may not receive any other Federal funds until it becomes current in making all scheduled payments, unless the Secretary waives this restriction.

(Authority: 20 U.S.C. 1072-1)

27. A new § 682.423 is added to subpart D to read as follows:

§ 682.423 Guaranty agency Operating Fund.

(a) *Establishment and control.* A guaranty agency must establish and maintain an Operating Fund in an account separate from the Federal Fund. Except for funds that have been transferred from the Federal Fund, the Operating Fund is considered the property of the guaranty agency. During periods in which the Operating Fund contains funds transferred from the Federal Fund, the Operating Fund may

be used only as permitted by §§ 682.410(a)(2) and 682.418.

(b) *Deposits.* The guaranty agency must deposit into the Operating Fund—

- (1) Amounts authorized by the Secretary to be transferred from the Federal Fund;
- (2) Account maintenance fees;
- (3) Loan processing and issuance fees;
- (4) Default aversion fees;
- (5) 30 percent of administrative cost allowances received on or after October 1, 1998 for loans upon which insurance was issued before October 1, 1998;

(6) The portion of the amounts collected on defaulted loans that remains after the Secretary's share of collections has been paid and the complement of the reinsurance percentage has been deposited into the Federal Fund;

(7) The agency's share of the payoff amounts received from the consolidation or rehabilitation of defaulted loans; and

(8) Other receipts as authorized by the Secretary.

(c) *Uses.* A guaranty agency may use the Operating Fund for—

(1) Guaranty agency-related activities, including—

- (i) Application processing;
- (ii) Loan disbursement;
- (iii) Enrollment and repayment status management;
- (iv) Default aversion activities;
- (v) Default collection activities;
- (vi) School and lender training;
- (vii) Financial aid awareness and related outreach activities; and
- (viii) Compliance monitoring; and

(2) Other student financial aid-related activities for the benefit of students, as selected by the guaranty agency.

Subpart H—[Amended]

28. Sections 682.800 through 682.839 are removed, § 682.840 is redesignated as § 682.800, and the term “handicapped status” in the redesignated § 682.800(a) is removed and “disability status” is added in its place.

29. Appendix D to part 682 is revised to read as follows:

Appendix D to Part 682—Policy for Waiving the Secretary's Right To Recover or Refuse To Pay Interest Benefits, Special Allowance, and Reinsurance on Stafford, Plus, Supplemental Loans for Students, and Consolidation Program Loans Involving Lenders' Violations of Federal Regulations Pertaining to Due Diligence in Collection or Timely Filing of Claims [Bulletin 88-G-138]

Note: The following is a reprint of Bulletin 88-G-138, issued on March 11, 1988, with modifications made to reflect changes in the program regulations. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline. For the purpose of determining the 3-year deadline, reinsurance is lost on the later of (a) 3 years from the last date the claim could have been filed for claim payment with the guaranty agency for a claim that was not filed; or (b) 3 years from the date the guaranty agency rejected the claim, for a claim that was filed. These deadlines are extended by periods during which collection activities are suspended due to the filing of a bankruptcy petition.

Introduction

(1) This letter sets forth the circumstances under which the Secretary, pursuant to sections 432(a)(5) and (6) of the Higher Education Act of 1965 and 34 CFR 682.406(b) and 682.413(f), will waive certain of the Secretary's rights and claims with respect to Stafford Loans, PLUS, Supplemental Loans for Students (SLS), and Consolidation Program loans made under a guaranty agency program that involve violations of Federal regulations pertaining to due diligence in collection or timely filing. (These programs are collectively referred to in this letter as the FFEL Program.) This policy applies to due diligence violations on loans for which the first day of delinquency occurred on or after March 10, 1987 (the effective date of the November 10, 1986 due diligence regulations) and to timely filing violations occurring on or after December 26, 1986, whether or not the affected loans have been submitted as claims to the guaranty agency.

(2) The Secretary has been implementing a variety of regulatory and administrative actions to minimize defaults in the FFEL Program. As a part of this effort, the Secretary published final regulations on November 10, 1986, requiring lenders and guaranty agencies to undertake specific due diligence activities to collect delinquent and defaulted loans, and establishing deadlines for the filing of claims by lenders with guaranty agencies. In recognition of the time required for agencies and lenders to modify their internal procedures, the Secretary delayed for four months the date by which lenders were required to comply with the new due diligence requirements. Thus, § 682.411 of the regulations, which established minimum due diligence procedures that a lender must follow in order for a guaranty agency to receive reinsurance on a loan, became

effective for loans for which the first day of delinquency occurred on or after March 10, 1987. The regulations make clear that compliance with these minimum requirements, and with the new timely filing deadlines, is a condition for an agency's receiving or retaining reinsurance payments made by the Secretary on a loan. See 34 CFR 682.406(a)(3), (a)(5), (a)(6), and 682.413(b). The regulations also specify that a lender must comply with § 682.411 and with the applicable filing deadline as a condition for its right to receive or retain interest benefits and special allowance on a loan for certain periods. See 34 CFR 682.300(b)(2)(vi), 682.300(b)(2)(vii), 682.413(a)(1).

(3) The Department has received inquiries regarding the procedures by which a lender may cure a violation of § 682.411 regarding diligent loan collection, or of the 90-day deadline for the filing of default claims found in § 682.406(a)(3) and (a)(5), in order to reinstate the agency's right to reinsurance and the lender's right to interest benefits and special allowance. Preliminarily, please note that, absent an exercise of the Secretary's waiver authority, a guaranty agency may not receive or retain reinsurance payments on a loan on which the lender has violated the Federal due diligence or timely filing requirements, even if the lender has followed a cure procedure established by the agency. Under §§ 682.406(b) and 682.413(f), the Secretary—not the guaranty agency—decides whether to reinstate reinsurance coverage on a loan involving such a violation or any other violation of Federal regulations. A lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. See §§ 682.406(a)(7) and 682.413(b). As §§ 682.406(a)(7) and 682.413(b) make clear, a guaranty agency's cure procedures are relevant to reinsurance coverage only insofar as they allow for cure of violations of requirements established by the agency affecting the loan insurance it provides to lenders. In addition, all those requirements must be submitted to the Secretary for review and approval under 34 CFR 682.401(d).

(4) References throughout this letter to “due diligence and timely filing” rules, requirements, and violations should be understood to mean only the Federal rules cited above, unless the context clearly requires otherwise.

A. Scope

This letter outlines the Secretary's waiver policy regarding certain violations of Federal due diligence or timely filing requirements on a loan insured by a guaranty agency. Unless your agency receives notification to the contrary, or the lender's violation involves fraud or other intentional misconduct, you may treat as reinsured any otherwise reinsured loan involving such a violation that has been cured in accordance with this letter.

B. Duty of a Guaranty Agency To Enforce Its Standards

As noted above, a lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. Thus, as a general rule,

an agency that fails to enforce such a requirement and pays a default claim involving a violation is not eligible to receive reinsurance on the underlying loan. However, in light of the waiver policy outlined below, which provides more stringent cure procedures for violations occurring on or after May 1, 1988 than for pre-May 1, 1988 violations, some guaranty agencies with more stringent policies than the policy outlined below for the pre-May 1 violations have indicated that they wish to relax their own policies for violations of agency rules during that period. While the Secretary does not encourage any agency to do so, the Secretary will permit an agency to take either of the following approaches to its enforcement of its own due diligence and timely filing rules for violations occurring before May 1, 1988.

(1) The agency may continue to enforce its rules, even if they result in the denial of guarantee coverage by the agency on otherwise reinsurable loans; or

(2) The agency may decline to enforce its rules as to any loan that would be reinsured under the retrospective waiver policy outlined below. In other words, for violations of a guaranty agency's due diligence and timely filing rules occurring before May 1, 1988, a guaranty agency is authorized, but not required, to retroactively revise its own due diligence and timely filing standards to treat as guaranteed any loan amount that is reinsured under the retrospective enforcement policy outlined in section I.C.1. However, for any violation of an agency's due diligence or timely filing rules occurring on or after May 1, 1988, the agency must resume enforcing those rules in accordance with their terms, in order to receive reinsurance payments on the underlying loan. For these post-April 30 violations, and for any other violation of an agency's rule affecting its guarantee coverage, the Secretary will treat as reinsured all loans on which the agency has engaged in, and documented, a case-by-case exercise of reasonable discretion allowing for guarantee coverage to be continued or reinstated notwithstanding the violation. But any agency that otherwise fails, or refuses, to enforce such a rule does so without the benefit of reinsurance coverage on the affected loans, and the lenders continue to be ineligible for interest benefits and special allowance thereon.

C. Due Diligence

Under 34 CFR 682.200, default on a FFEL Program loan occurs when a borrower fails to make a payment when due, provided this failure persists for 270 days for loans payable in monthly installments, or for 330 days for loans payable in less frequent installments. The 270/330-day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment 3 months late (June 1st), and makes no further payments, the delinquency period begins on February 2nd, with the first delinquency, and default occurs on December 27th, when the April payment

becomes 270 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

Note: Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

D. Timely Filing

(1) The 90-day filing period applicable to FFEL Program default claims is described in 34 CFR 682.406(a)(5). The 90-day filing period begins at the end of the 270/330-day default period. The lender ordinarily must file a default claim on a loan in default by the end of the filing period. However, the lender may, but need not, file a claim on that loan before the 360th day of delinquency (270-day default period plus 90-day filing period) if the borrower brings the account less than 270 days delinquent before the 360th day. Thus, in the above example, if the borrower makes the April 1st payment on December 28th, that payment makes the loan 241 days delinquent, and the lender may, but need not, file a default claim on the loan at that time. If, however, the loan again becomes 270 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 270 days delinquent prior to the end of that 90-day period). In other words, the Secretary will permit a lender to treat payments made during the filing period as curing the default if those payments are sufficient to make the loan less than 270 days delinquent.

(2) Section I of this letter outlines the Secretary's waiver policy for due diligence and timely filing violations. As noted above, to the extent that it results in the imposition of a lesser sanction than that available to the Secretary by statute or regulation, this policy reflects the exercise of the Secretary's authority to waive the Secretary's rights and claims in this area. Section II discusses the issue of the due date of the first payment on a loan and the application of the waiver policy to that issue. Section III provides guidance on several issues related to due diligence and timely filing as to which clarification has been requested by some program participants.

I. Waiver Policy

A. Definitions

The following definitions apply to terms used throughout this letter:

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of

the default. (For example, if the original repayment schedule or agreement called for payments of \$50 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay \$25 per month for a specified time, and the borrower defaulted in making the reduced payments, a full payment would be \$50, or two \$25 payments in accordance with the original repayment schedule or agreement.) In the case of a payment made by cash, money order, or other means that do not identify the payor that is received by a lender after the date of this letter, that payment may constitute a full payment only if a senior officer of the lender or servicing agent certifies that the payment was not made by or on behalf of the lender or servicing agent.

Earliest unexcused violation means:

(a) In cases when reinsurance is lost due to a failure to timely establish a first payment due date, the earliest unexcused violation would be the 46th day after the date the first payment due date should have been established.

(b) In cases when reinsurance is lost due to a gap of 46 days, the earliest unexcused violation date would be the 46th day following the last collection activity.

(c) In cases when reinsurance is lost due to three or more due diligence violations of 6 days or more, the earliest unexcused violation would be the day after the date of default.

(d) In cases when reinsurance is lost due to a timely filing violation, the earliest unexcused violation would be the day after the filing deadline.

Reinstatement with respect to reinsurance coverage means the reinstatement of the guaranty agency's right to receive reinsurance payments on the loan after the date of reinstatement. Upon reinstatement of reinsurance, the borrower regains the right to receive forbearance or deferments, as appropriate. Reinstatement with respect to reinsurance on a loan also includes reinstatement of the lender's right to receive interest and special allowance payments on that loan.

Gap in collection activity on a loan means:

(a) The period between the initial delinquency and the first collection activity;

(b) The period between collection activities (a request for preclaims assistance is considered a collection activity);

(c) The period between the last collection activity and default; or

(d) The period between the date a lender discovers a borrower has "skipped" and the lender's first skip-tracing activity.

Note: The concept of "gap" is used herein simply as one measure of collection activity. This definition applies to loans subject to the FFEL and PLUS programs regulations published on or after November 10, 1986. For those loans, not all gaps are violations of the due diligence rules.

Violation with respect to the due diligence requirements in § 682.411 means the failure to timely complete a required diligent phone contact effort, the failure to timely send a required letter (including a request for preclaims assistance), or the failure to timely engage in a required skip-tracing activity. If

during the delinquency period a gap of more than 45 days occurs (more than 60 days for loans with a transfer), the lender must satisfy the requirement outlined in I.D.1. for reinsurance to be reinstated. The day after the 45-day gap (or 60 for loans with a transfer) will be considered the date that the violation occurred.

Transfer means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

B. General

1. *Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations.* For any loan on which a cure is required under this letter in order for the agency to receive any reinsurance payment, the lender may resume billing for interest and special allowance on the loan only for periods following its completion of the required cure procedure.

2. *Reservation of the Secretary's Right to Strict Enforcement.* While this letter describes the Secretary's general waiver policy, the Secretary retains the option of refusing to permit or recognize cures, or of insisting on strict enforcement of the remedies established by statute or regulation, in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of due diligence or timely filing rules and in cases where the best interests of the United States otherwise require strict enforcement. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulation.

3. *Interest, Special Allowance, and Reinsurance Repayment Required as a Condition for Exercise of the Secretary's Waiver Authority.* The Secretary's waiver of the right to recover or refuse to pay reinsurance, interest benefits, or special allowance payments, and recognition of cures for due diligence and timely filing violations, are conditioned on the following:

a. The guaranty agency and lender must ensure that the lender repays all interest benefits and special allowance received on loans involving violations occurring prior to May 1, 1988, for which the lender is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., or under the waiver policy for timely filing violations described in section I.E.1., by an adjustment to one of the next three quarterly billings for interest benefits and special allowance submitted by the lender in a timely manner after May 1, 1988. The guaranty agency's responsibility in this regard is satisfied by receipt of a certification from the lender that this repayment has been made in full.

b. The guaranty agency, on or before October 1, 1988, must repay all reinsurance received on loans involving violations occurring prior to May 1, 1988, for which the agency is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., or under the waiver policy for timely filing violations described in section I.E.1. Pending completion of the repayment described above, a lender or guaranty agency

may submit billings to the Secretary on loans that are eligible for reinsurance under the waiver policy in this letter until it learns that repayment in full will not be made, or until the deadline for a repayment has passed without it being made, whichever is earlier. Of course, a lender or guaranty agency is prohibited from billing the Secretary for program payments on any loan amount that is not eligible for reinsurance under the waiver policy outlined in this letter. In addition to the repayments required above, any amounts received in the future in violation of this prohibition must immediately be repaid to the Secretary.

4. *Applicability of the Waiver Policy to Particular Classes of Loans.* The policy outlined in this letter applies only to a loan for which the first day of the 180/240-day or 270/330-day default period (as applicable) that ended with default by the borrower occurred on or after March 10, 1987, or, in the case of a timely filing violation, December 26, 1986, and that involves violations only of the due diligence or timely filing requirements or both. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline.

5. *Excuse of Certain Due Diligence Violations.* Except as noted in section II, if a loan has due diligence violations but was later cured and brought current, those violations will not be considered in determining whether a loan was serviced in accordance with 34 CFR 682.411. Guarantors must review the due diligence for the 180/270 or 270/330-day period (as applicable) prior to the default date ensuring the due date of the first payment not later made is the correct payment due date for the borrower.

6. *Excuse of Timely Filing Violations Due to Performance of a Guaranty Agency's Cure Procedures.* If, prior to May 1, 1988, and prior to the filing deadline, a lender commenced the performance of collection activities specifically required by the guaranty agency to cure a due diligence violation on a loan, the Secretary will excuse the lender's timely filing violation if the lender completes the additional activities within the time period permitted by the guaranty agency and files a default claim on the loan not more than 45 days after completing the additional activities.

7. *Treatment of Accrued Interest on "Cured" Claims.* For any loan involving any violation of the due diligence or timely filing rules for which a "cure" is required under section I.C. or I.E., for the agency to receive a reinsurance payment, the Secretary will not reimburse the guaranty agency for any unpaid interest accruing after the date of the earliest unexcused violation occurring after the last payment received before the cure is accomplished, and prior to the date of reinstatement of reinsurance coverage. The lender may capitalize unpaid interest accruing on the loan from the date of the earliest unexcused violation to the date of the reinstatement of reinsurance coverage. However, if the agency later files a claim for reinsurance on that loan, the agency must

deduct this capitalized interest from the amount of the claim. Some cures will not reinstate coverage. For treatment of accrued interest in those cases, see section I.E.1.c.

C. Waiver Policy for Violations of the Federal Due Diligence in Collection Requirements (34 CFR 682.411)

A violation of the due diligence in collection rules occurs when a lender fails to meet the requirements found in 34 CFR 682.411. However, if a lender makes all required calls and sends all required letters during any of the delinquency periods described in that section, the lender is considered to be in compliance with that section for that period, even if the letters were sent before the calls were made. The special provisions for transfers apply whenever the violation(s) and, if applicable, the gap, were due to a transfer, as defined in section I.A.

1. *Retrospective Period.* For one or more due diligence violations occurring during the period March 10, 1987–April 30, 1988—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if no gap of 46 days or more (61 days or more for a transfer) exists.

b. If a gap of 46–60 days (61–75 days for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period are limited to amounts accruing through the date of default.

c. If a gap of 61 days or more (76 days or more for a transfer) exists, the borrower must be located after the gap, either by the agency or the lender, in order for reinsurance on the loan to be reinstated. (See section I.E.1.d., for a description of acceptable evidence of location.) In addition, if the loan is held by the lender or after March 15, 1988, the lender must follow the steps described in section I.E.1., or receive a full payment or a new signed repayment agreement, in order for the loan to again be eligible for reinsurance. The lender must repay all interest benefits and special allowance received for the period beginning with its earliest unexcused violation, occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

2. *Prospective Period.* For due diligence violations occurring on or after May 1, 1988 based on due dates prior to October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer.)

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the claim filing deadline, except that a preclaims assistance request must be made before the 240th day of delinquency. If the lender fails to make

this request by the 240th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 180 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1., or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1., for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

3. *Post 1998 Amendments.* For due diligence violations based on due dates on or after October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer).

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the claim filing deadline, except that a default aversion assistance request must be made before the 330th day of delinquency. If the lender fails to make this request by the 330th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 270 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or

more for a transfer), the lender must satisfy the requirements outlined in I.E.1. or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1. for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished and ending with the date, if any, that reinsurance on the loan is reinstated.

D. Reinstatement of Reinsurance Coverage for Certain Egregious Due Diligence Violations.

1. *Cures.* In the case of a loan involving violations described in section I.C.2.d. or I.C.3.d., the lender may utilize either of the two procedures described in section I.D.1.a or I.D.1.b. for obtaining reinstatement of reinsurance coverage on the loan.

a. After the violations occur, the lender obtains a new repayment agreement signed by the borrower. The repayment agreement must comply with the ten-year repayment limitations set out in 34 CFR 682.209(a)(7); or

b. After the violations occur, the lender obtains one full payment. If the borrower later defaults, the guaranty agency must obtain evidence of this payment (e.g., a copy of the check) from the lender.

2. *Borrower Deemed Current as of Date of Cure.* On the date the lender receives a new signed repayment agreement or the curing payment under section I.D.1., reinsurance coverage on the loan is reinstated, and the borrower must be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. The lender must then follow the collection and timely filing requirements applicable to the loan.

E. Cures for Timely Filing Violations and Certain Due Diligence Violations

1. Default Claims.

a. *Reinstatement of Insurance Coverage.* Except as noted in section I.B.6., in order to obtain reinstatement of reinsurance coverage on a loan in the case of a timely filing violation, a due diligence violation described in section I.C.2.c. or I.C.3.c., or a due diligence violation described in section I.C.1.c. where the lender holds the loan on or after March 15, 1988, the lender must first locate the borrower after the gap, or after the date of the last violation, as applicable. (See section I.E.1.d. for description of acceptable evidence of location.) Within 15 days thereafter, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment

agreement, to be signed by the borrower, that complies with the ten-year repayment limitations in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed. If, within 15 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender must, within 5 days thereafter, diligently attempt to contact the borrower by telephone. Within 5–10 days after completing these efforts, the lender must again diligently attempt to contact the borrower by telephone. Finally, within 5–10 days after completing these efforts, the lender must send a forceful collection letter indicating that the entire unpaid balance of the loan is due and payable, and that, unless the borrower immediately contacts the lender to arrange repayment, the lender will be filing a default claim with the guaranty agency.

b. *Borrower Deemed Current Under Certain Circumstances.* If, at any time on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender receives a full payment or a new signed repayment agreement, reinsurance coverage on the loan is reinstated on the date the lender receives the full payment or new agreement. The borrower must be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. In the case of a timely filing violation on a loan for which the borrower is deemed current under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation to the date of reinstatement of reinsurance coverage on the loan.

c. *Borrower Deemed in Default Under Certain Circumstances.* If the borrower does not make a full payment, or sign and return the new repayment agreement, on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender must deem the borrower to be in default. The lender must then file a default claim on the loan, accompanied by acceptable evidence of location (see section I.E.1.d.), within 30 days after the end of the 30-day period.

Reinsurance coverage, and therefore the lender's right to receive interest benefits and special allowance, is not reinstated on a loan involving these circumstances. However, the Secretary will honor reinsurance claims submitted in accordance with this paragraph on the outstanding principal balance of those loans, on unpaid interest as provided in section I.B.7., and for reimbursement of eligible supplemental preclaims assistance costs. In the case of a timely filing violation on a loan for which the borrower is deemed in default under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation.

d. *Acceptable Evidence of Location.* Only the following documentation is acceptable as

evidence that the lender has located the borrower:

(1) A postal receipt signed by the borrower not more than 15 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(2) Documentation submitted by the lender showing—

(i) The name, identification number, and address of the lender;

(ii) The name and Social Security number of the borrower; and

(iii) A signed certification by an employee or agent of the lender, that—

(A) On a specified date, he or she spoke with or received written communication (attached to the certification) from the borrower on the loan underlying the default claim, or a parent, spouse, sibling, roommate, or neighbor of the borrower;

(B) The address and, if available, telephone number of the borrower were provided to the lender in the telephone or written communication; and

(C) In the case of a borrower whose address or telephone number was provided to the lender by someone other than the borrower, the new repayment agreement and the letter sent by the lender pursuant to section I.E.1.a., had not been returned undelivered as of 20 days after the date those items were sent, for due diligence violations described in section I.C.1.c. where the lender holds the loan on the date of this letter, and as of the date the lender filed a default claim on the cured loan, for all other violations.

2. Death, Disability, and Bankruptcy Claims. The Secretary will honor a death or disability claim on an otherwise eligible loan notwithstanding the lender's failure to meet the 60-day timely filing requirement (See 34 CFR 682.402(g)(2)(ii)). However, the Secretary will not reimburse the guaranty agency if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the Federal due diligence or timely filing requirements applicable to that loan, except in accordance with the waiver policy described above. Interest that accrued on the loan after the expiration of the 60-day filing period remains ineligible for reimbursement by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period. The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to bankruptcy claims (§ 682.402(g)(2)(iv)) causes irreparable harm to the guaranty agency's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to excuse violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy or, if previously discharged, has been the subject of a reversal of the discharge. In that case, the lender must return the borrower to the appropriate status

that existed prior to the filing of the bankruptcy claim unless the status has changed due solely to passage of time. In the latter case, the lender must place the borrower in the status that would exist had no bankruptcy claim been filed. If the borrower is delinquent after the loan is determined nondischargeable, the lender should grant administrative forbearance to bring the borrower's account current as provided in § 682.211(f)(4). The Secretary will not reimburse the guaranty agency for interest for the period beginning on the filing deadline for the bankruptcy claim and ending on the date the loan becomes eligible again for reinsurance. Reinsurance is reinstated on the date the bankruptcy action concludes and the loan is not discharged or on the date a previous discharge is reversed.

II. Due Date of First Payment. Section 682.411(b)(1) refers to the "due date of the first missed payment not later made" as one way to determine the first day of delinquency on a loan. Section 682.209(a)(3) states that, generally, the repayment period on an FFEL Program loan begins some number of months after the month in which the borrower ceases at least half-time study. Where the borrower enters the repayment period with the lender's knowledge, the first payment due date may be set by the lender, provided it falls within a reasonable time after the first day of the month in which the repayment period begins. In this situation, the Secretary generally permits a lender to allow the borrower up to 45 days from the first day of repayment to make the first payment (unless the lender establishes the first day of repayment under § 682.209(a)(3)(ii)(E)).

1. In cases where the lender learns that the borrower has entered the repayment period after the fact, current § 682.411 treats the 30th day after the lender receives this information as the first day of delinquency. In the course of discussion with lenders, the Secretary has learned that many lenders have not been using the 30th day after receipt of notice that the repayment period has begun ("the notice") as the first payment due date. In recognition of this apparently widespread practice, the Secretary has decided that, both retrospectively and prospectively, a lender should be allowed to establish a first payment due date within 60 days after receipt of the notice, to capitalize interest accruing up to the first payment due date, and to exercise forbearance with respect to the period during which the borrower was in the repayment period but made no payment. In effect, this means that, if the lender sends the borrower a coupon book, billing notice, or other correspondence establishing a new first payment due date, on or before the 60th day after receipt of the notice, the lender is deemed to have exercised forbearance up to the new first payment due date. The new first payment due date must fall no later than 75 days after receipt of the notice (unless the lender establishes the first day of repayment under § 682.209(a)(3)(ii)(E)). In keeping with the 5-day tolerance permitted under section I.C.2.a., for the "prospective period," or section I.C.3.a., for the "post 1998 amendment period," a lender that sends the above-described material on or before the 65th day after receipt of the notice will be

held harmless. However, a lender that does so on the 66th day will have failed by more than 5 days to send both of the collection letters required by § 682.411(c) to be sent within the first 30 days of delinquency and will thus have committed two violations of more than five days of that rule.

2. If the lender fails to send the material establishing a new first payment due date on or before the 65th day after receipt of the notice, it may thereafter send material establishing a new first payment due date falling not more than 45 days after the materials are sent and will be deemed to have exercised forbearance up to the new first payment due date. However, all violations and gaps occurring prior to the date on which the material is sent are subject to the waiver policies described in section I for violations falling in either the retrospective or prospective periods. This is an exception to the general policy set forth in section I.B.5., that only violations occurring during the most recent 180 or 270 days (as applicable) of the delinquency period on a loan are relevant to the Secretary's examination of due diligence.

Please Note: References to the "65th day after receipt of the notice" and "66th day" in the preceding paragraphs should be amended to read "95th day" and "96th day" respectively for lenders subject to § 682.209(a)(3)(ii)(E).

III. Questions and Answers

The waiver policy outlined in this letter was developed after extensive discussion and consultation with participating lenders and guaranty agencies. In the course of these discussions, lenders and agencies raised a number of questions regarding the due diligence rules as applied to various circumstances. The Secretary's responses to these questions follow.

Note: The answer to questions 1 and 4 are applicable only to loans subject to § 682.411 of the FFEL and PLUS program regulations published on or after November 10, 1986.

1. Q: Section 682.411 of the program regulations requires the lender to make "diligent efforts to contact the borrower by telephone" during each 30-day period of delinquency beginning after the 30th day of delinquency. What must a lender do to comply with this requirement?

A: Generally speaking, one actual telephone contact with the borrower, or two attempts to make such contact on different days and at different times, will satisfy the "diligent efforts" requirement for any of the 30-day delinquency periods described in the rule. However, the "diligent efforts" requirement is intended to be a flexible one, requiring the lender to act on information it receives in the course of attempting telephone contact regarding the borrower's actual telephone number, the best time to call to reach the borrower, etc. For instance, if the lender is told during its second telephone contact attempt that the borrower can be reached at another number or at a different time of day, the lender must then attempt to reach the borrower by telephone at that number or that time of day.

2. Q: What must a lender do when it receives conflicting information regarding the date a borrower ceased at least half-time study?

A: A lender must promptly attempt to reconcile conflicting information regarding a borrower's in-school status by making inquiries of appropriate parties, including the borrower's school. Pending reconciliation, the lender may rely on the most recent credible information it has.

3. Q: If a loan is transferred from one lender to another, is the transferee held responsible for information regarding the borrower's status that is received by the transferor but is not passed on to the transferee?

A: No. A lender is responsible only for information received by its agents and

employees. However, if the transferee has reason to believe that the transferor has received additional information regarding the loan, the transferee must make a reasonable inquiry of the transferor as to the nature and substance of that information.

4. Q: What are a lender's due diligence responsibilities where a check received on a loan is dishonored by the bank on which it was drawn?

A: Upon receiving notice that a check has been dishonored, the lender must treat the payment as having never been made for purposes of determining the number of days that the borrower is delinquent at that time.

The lender must then begin (or resume) attempting collection on the loan in accordance with § 682.411, commencing with the first 30-day delinquency period described in § 682.411 that begins after the 30-day delinquency period in which the notice of dishonor is received. The same result occurs when the lender successfully obtains a delinquent borrower's correct address through skip-tracing, or when a delinquent borrower leaves deferment or forbearance status.
