

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. RP93-151-027]****Tennessee Gas Pipeline Company; Notice of Compliance Filing**

November 2, 1999.

Take notice that on October 29, 1999, Tennessee Gas Pipeline Company (Tennessee), tendered for filing as part of its FERC Gas Tariff, the following tariff sheets, with an effective date of November 1, 1999:

Fifth Revised Volume No. 1

Thirteenth Revised Sheet No. 26
Thirteenth Revised Sheet No. 26A
Twenty-First Revised Sheet No. 26B

Original Volume No. 2

Thirty-Ninth Revised Sheet No. 5

Tennessee states that this filing is in compliance with the Stipulation and Agreement approved by the Commission in its April 16, 1997 Order Approving Settlement in the above-referenced docket. *Tennessee Gas Pipeline Company*, 79 FERC ¶ 61,031 (1997). Tennessee requests waiver of the Commission's thirty-day notice requirement to allow an effective date of November 1, 1999 for the tariff sheets. Tennessee submits that good cause exists for the waiver because (1) the proposed tariff sheets represent a reduction in these customers' existing rates; (2) all of Tennessee's customers were informed of the rates since such rates were set forth in the Stipulation and Agreement; and (3) the Commission previously approved implementation of the rates, effective November 1, 1999, in its orders approving the Stipulation and Agreement.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****Docket No. RP000-24-001]****Transcontinental Gas Pipe Line Corporation; Notice of Filing**

November 2, 1999.

Take notice that Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing in the referenced docket on October 21, 1999 a revised tariff sheet to its FERC Gas Tariff, Third Revised Volume No. 1. The effective date for the revised tariff sheet is December 1, 1999.

Transco states that its Cash Out Modification filing of October 13, 1999 in Docket No. RP00-24 (October 13 Filing) inadvertently left out part of a phrase in the General Terms and Conditions Section 37.1(b) that describes how the imbalance percentage for a shipper is calculated. The imbalance percentage calculation process is currently in Transco's tariff and not among the cash out provisions that Transco proposes to modify in its October 13 filing. The purpose of the filing is to supplement the October 13 Filing to reflect the correct imbalance percentage calculations.

In accordance with the provisions of Section 154.2(d) of the Commission's Regulations, copies of this filing are available for public inspection, during regular business hours, in a convenient form and place at Transco's main office at 2800 Post Oak Boulevard in Houston, Texas. In addition, Transco is serving copies of the instant filing to its affected customers and interested State Commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations.
