[TA-W-36, 202 and TA-W-36,202A]

#### Thunderbird Mining, Eveleth, and Forbes, MN; Notice of Negative Determination on Reconsideration

On August 11, 1999, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The United Steelworkers of America (USWA), Local Union 6860, provided new information regarding possible customer import purchases of articles like or directly competitive with the taconite pellets produced by workers of the subject firm. The notice was published in the **Federal Register** on August 31, 1999 (64 FR 47525).

The Department initially denied TAA to workers of Thunderbird Mining

producing taconite pellets because the "contributed importantly" group eligibility requirement of Section 222(3) of the Trade Act of 1974, as amended, was not met. The petitioners alleged that imports of steel led to worker separations from the subject firm. Imports of taconite pellets must be used as the basis for possible certification. The investigation revealed that the major domestic customers of the subject firm reported either that they did not import or that their imports declined in 1999. U.S. imports of agglomerated iron ores and concentrates (other than roasted iron pyrites) declined in the first quarter of 1999 compared with the same period of 1998.

To address the USWA Local Union 6860 assertion that Thunderbird Mining customers are importing products like or directly competitive with the taconite pellets produced in Eveleth and Forbes, Minnesota, the Department conducted another survey of the subject firms' major declining customers. The respondents reported that no products were purchased from domestic or foreign sources to replace taconite pellets in the relevant time period (1997, 1998, and January through April 1998 and 1999).

#### Conclusion

After reconsideration, I affirm the original notice of negative determination of eligibility to apply for worker adjustment assistance for workers and former workers of Thunderbird Mining, Eveleth and Forbes, Minnesota.

Signed at Washington, D.C., this 11 day of September 1999.
