

recommendations to the Council regarding the extent of Federal waters off Texas that will be closed in 2000 concurrently with the closure of Texas waters. Finally, the Shrimp AP will review a draft of an Options paper for Amendment 10 to the Shrimp Fishery Management Plan. This options paper contains provisions for requiring additional measures to reduce bycatch in the shrimp fishery, particularly on the west coast of Florida, south and east of 85°30' W. long. Measures being considered include area and/or seasonal closures as well as bycatch reduction devices.

The Shrimp AP consists principally of commercial shrimp fishermen, dealers, and association representatives. Copies of the agenda can be obtained by calling 813-228-2815.

Although non-emergency issues not contained in this agenda may come before the AP for discussion, those issues may not be the subject of formal action during this meeting. Actions of the AP will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(b) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
