[Docket No. FR-4443-N-09]

Notice of Proposed Information Collection for Community Development Block Grant Program for Indian Tribes and Alaska Native Villages—Notice of Funding Availability

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: Comments Due Date: February 8, 2000.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control number and should be sent to:

Mildred M. Hamman, Reports Liaison Officer, Public and Indian Housing, Department of Housing and Urban Development, 451 7th Street, SW, room 4238, Washington, DC 20410-5000.

FOR FURTHER INFORMATION CONTACT:

Mildred M. Hamman, (202) 708-3642, extension 4128, for copies of the proposed forms and other available documents. (This is not a toll-free number).

SUPPLEMENTARY INFORMATION: The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35, as amended).

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection

techniques or other forms of information technology; e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Application for Community Development Block Grant Program Funding for Indian Tribes and Alaska Native Villages.

OMB Control Number: 2577-0191.

Description of the need for the information and proposed use: The Community Development Block Grant Program for Indian tribes and Alaska native villages requires eligible applicants to submit information to HUD to select the best projects for funding during the annual competitions. Additionally, the requirements are essential for HUD in monitoring grants to insure that grantees are making proper use of Federal dollars, and to show employment of force account construction.

Agency form numbers, if applicable: HUD-4121, HUD-4122, HUD-4123, HUD-4125, HUD-4126. Form HUD-4122-I which was used for the Indian HOME Program is cancelled.

Members of affected public: State or Local Government (Indian Tribes and Alaska Native Villages).

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: 300 respondents, annually and on occasion, 40 average hours per response, 12,000 hours for a total reporting burden.

Status of the proposed information collection: Extension.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: December 6, 1999.

Harold Lucas,

Assistant Secretary for Public and Indian Housing.

Public reporting burden for this collection of information is estimated to average 17 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This collection of information requires that each eligible applicant submit information to enable HUD to select the best projects for funding during annual competitions for the ICDBG Program. The information will be used by HUD to determine whether applications meet minimum screening eligibility requirements and application submission requirements. Applicants provide general information about the project which is preliminary to the review of the applicant's response to the criteria for rating the application. The information is essential for HUD in monitoring grants to ensure that grantees are making proper use of Federal dollars. Responses to the collection are required by Section 105 of the Department of Housing and Urban Development Reform Act (P.L. 101-235) as amended by the Cranston-Gonzales National Affordable Housing Act of 1990. The information requested does not lend itself to confidentiality.

General Instructions: Forms HUD-4121 and HUD-4122 are optional. Forms SF-424, HUD-4123, HUD-4125, and HUD-4126 must be included. For instructions in filling out form SF-424, refer to the form itself.

5. Community Development Needs. Briefly describe the need which this project addresses. Be specific and quantify need if possible. Since extent of need will be considered when project is rated, address specific points in the Notice of Fund Availability which consider need. If need involves serious threat to health and safety, provide evidence to substantiate threat. The type of information that is needed includes the specific problem the project will address, how long problem has existed, what other solutions have been considered, what negative effects will result if problem is not resolved in near future, how proposed project fits overall plan of village/tribe, and priority of this project over other projects for which funding is requested. Additional pages may be attached.

5. Description of Project. The information provided in this application component should describe the scope, magnitude, and method of implementing the project proposed to meet the need(s) described. It should also clearly establish that the two sub-thresholds set forth in Section 1003.301(a)(1)(i) and (ii) are met by the project, specifically that the project costs are reasonable and that the project is appropriate for the intended use. The unit or component costs of the project should be provided as well as on what basis and by whom they were estimated. The inflation rate, other relevant cost indices and the number of months it is anticipated that it will take to go out to bid should be taken into consideration. The following type of information is suggestive of what is needed but may not be applicable to all projects. Indicate the specific project, its size (square feet, linear feet, volume, number, etc.), to what degree it solves the problem identified in the description of need(s), length of time needed for completion, location of facility in reference to population served (map should be provided) if appropriate. Indicate whether the project will aid more than one Tribe/municipal government, how project will be carried out (tribal force account, third party contract, tribal based non-profit corporation, local development corporation, etc.), what funds will be required from other sources and current status of funds. Indicate other elements which enhance the quality of the proposed project. If funds are requested for planning and/or technical assistance, a separate project summary must be completed describing the proposed use of these funds. It is in this component that data should be provided on the service area population of the project including the number and percent of these persons who are of low or moderate income status. **The income levels to be used by applicants to evaluate the income characteristics of the service area population of a proposed project will be provided by the ONAP office that serves your community.** Additional pages may be attached.

Public reporting burden for this collection of information is estimated to average 20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.
