Notice of Proposed Relocation of Jeanne d'Arc Statue, Place de France, New Orleans, Louisiana; Comments Requested

AGENCY: Office of the Secretary, Interior.

ACTION: Notice; comment request.

SUMMARY: Public comment is sought on a request from the City of New Orleans, Louisiana to relocate the Place de France, a statue of Jeanne d'Arc and two bronze cannons, currently located in the median between the International Trade Mart Building and the former Rivergate, to a new location in the Vieux Carre (the French Quarter), a National Historic Landmark District.

Background

In 1971, the City of New Orleans, Louisiana (the "City") applied for a grant pursuant to the Housing and Urban Development Act of 1970, Public Law 91-609 (the "Act") to develop a park currently known as the Joan of Arc Plaza. The Plaza contains a gilded bronze statue of Jeanne d'Arc and two bronze cannons manufactured during the Napoleonic Empire donated to the City by the French Government.

As a result of construction adjacent to the Joan of Arc Plaza, the City, by letter dated October 29, 1998 from Mayor Marc H. Morial, has requested the Secretary to approve relocation of the Plaza, the statue and the cannons from the current location to the Decatur Street/North Peters Street Triangle in the Vieux Carre (the French Quarter), a National Historic Landmark District. This location was identified by the staff of the City Planning Commission in consultation with the staff of the City's Arts Council.

Section 705 of the Act provides that "[n]o open-space land involving historic or architectural purposes for which assistance has been granted under this title shall be converted to use for any other purpose without the prior approval of the Secretary of the Interior." In *Louisiana Landmarks Society, Inc. v. City of New Orleans*, No. 94-3880 (E.D. La. 1995), the court provided no standards by which to evaluate the historic purposes of the Place de France. The court, however, found that the term "historic" is not limited to property listed on, or eligible for listing on, the National Register pursuant to the National Historic Preservation Act of 1966, 16 U.S.C. 470. The Department of the Interior is accepting comments, pursuant to section 705 of the Act and this Notice, on whether the Secretary should approve relocation of the Place de France, together with the Jeanne d'Arc statue and two bronze cannons.

The Department is also accepting comments on the effect of locating the Place de France, together with the Jeanne d'Arc statue and two bronze cannons, to the designated site in the Vieux Carre (the French Quarter), a National Historic Landmark District. In selecting this site, the City took into consideration the following seven factors: (1) urban prominence; (2) scale/urban context; (3) visibility as a deterrent to potential vandalism; (4) pedestrian and vehicular safety; (5) suitability for designated functions; (6) stated wishes of identified interest groups; and (7) favorable comparison to the previous installation. The City further advises that in selecting this site, it has consulted with the French community in the City, with Consul General Mme. Lenoir-Bertrand and with Ambassador Francois Bujon de L'Estang.

DATES: The Department of the Interior will accept comments on these two actions through March 22, 1999.

ADDRESSES: Written comments should be submitted to: Ms. Juliette Falkner, Director, Office of Executive Secretariat,

Department of the Interior, 1849 C Street, NW., Mail Stop 7229, Washington, DC 20240.

Notice of Camping Limit on Public Land; Montana

AGENCY: Bureau of Land Management, Miles City and Billings Field Offices, Interior.

ACTION: Notice.

SUMMARY: This notice establishes camping stay limits for public land administered by the BLM within the Miles City and Billings Field Office areas, Montana. Camping is defined as "occupancy or holding for occupancy by placing private property used in connection with camping; such as but not limited to vehicles, trailers, structures, tents, stoves, chairs, notes or other personal items". Persons may occupy for the purpose of camping any one site or multiple sites within a five mile radius on public lands not specifically closed to camping or otherwise restricted in writing for a period of fourteen (14) days within any 30 day period and also not to exceed 28 days in any period of one year. Following the 14 day continuous occupancy or 28 day maximum allowable use, the person(s) involved will have to relocate their camp beyond the five mile radius boundary. The 14 day limit may be reached either through a number of separate visits or through continuous occupancy of the site. Under special circumstances and upon written request, the authorized officer may give written permission for an extension to the 14 day limit. Exempted from this camping limit are administratively authorized personnel, law enforcement officers and fire/emergency personnel.

In addition, no person shall leave personal property unattended on public lands for a period of more than 72 hours without written permission from the authorized officer. Unattended personal property will be counted towards the 14 day continuous camp limit and/or the 28 day maximum camp limit. Any property left on public land beyond the camping or hours limit may be impounded by the authorized officer pending disposition in court.

DATES: Comments must be submitted on or before March 22, 1999.

ADDRESSES: Comments may be mailed or delivered to either of the following addresses: Miles City Field Office, 111 Garryowen Road, Miles City, MT 59301 or Billings Field Office, 810 East Main, Billings, MT 59105.

FOR FURTHER INFORMATION CONTACT: Tim Murphy, Miles City Field Office

Manager, phone (406) 233-2800 or Sandra Brooks, Billings Field Office Manager, phone (406) 238-1540.

SUPPLEMENTARY INFORMATION: This camping stay limit is being established in order to assist the BLM in reducing the incidence of long term occupancy trespass being conducted under the appearance of camping on public land within the Miles City Field Office. Of equal importance is the problem of exclusion, whereby long term camping at a given location will deny equal opportunities for other members of the public to camp in the same area/location. Authority for this action is contained in 43 CFR, Chapter II, Subpart 8365, 8365.1-2, 8365.1-6, and 8365.2-3.

Dated: February 5, 1999.

Sandra Brooks,

Billings Field Manager.
