SUPPLEMENTARY INFORMATION: The energy information collection submitted to OMB for review was:

1. EIA-903, "Natural Gas Service Interruptions in the Northeast during January and February 2000."

2. The Energy Information Administration plans to collect information from 25 companies which deliver natural gas (*i.e.*, have natural gas service arrangements) to consumers in the Northeast.

The form consists of six parts. Part I contains identification data; Part II, information on selected characteristics of interruptible service arrangements provided to end-use customers; Part III, names and contact information for customers with interruptible service agreements who were interrupted; Part IV, baseline monthly and weekly information for those categories of service which were interrupted during December 1999, and January and February 2000; Part V, names and contact information for customers with firm service agreements who were interrupted; and Part VI, names and contact information for customers that declined natural gas service when interruptions were ended and natural gas service was offered/available in the report State. This is a new survey and a new OMB number is being requested.

The response obligation will be mandatory.

3. The data are needed to respond to a request from the Secretary of Energy and Congress to jointly conduct a study on the impact of interruptible contracts on home heating oil supplies in the Northeast, during January and February 2000.

4. Respondents will be 25 natural gas companies who deliver natural gas to consumers.

5. The reporting burden is expected to be 500 hours. (25 respondents \times 1 response \times 20 hours).

Statutory Authority: Section 3507(j)(1) of the Paperwork Reduction Act of 1995 (Pub. L. No. 104-13).

Issued in Washington, DC, April 17, 2000.

[Docket No. ER00-1828-000]

ANP Marketing Company; Notice of Issuance of Order

April 13, 2000.

ANP Marketing Company (ANP Marketing) submitted for filing a rate schedule under which ANP Marketing will engage in wholesale electric power and energy transactions as a marketer. ANP Marketing also requested waiver of various Commission regulations. In particular, ANP Marketing requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by ANP Marketing.

On April 10, 2000, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by ANP Marketing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, ANP Marketing is

authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; Provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of ANP Marketing's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is May 10, 2000.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE, Washington, DC 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

California Electricity Oversight Board; Notice of Filing

April 13, 2000.

Take notice that on March 20, 2000, the California Independent System Operator Corporation (ISO) tendered for filing an amendment to its Amended and Restated Bylaws, as revised December 1999. The Amended and Revised Bylaws are intended to comply with the Commission's Order in the above-captioned docket. The instant amendment requests that the Commission accept the amendment effective March 20, 2000.

The ISO states that this filing has been served upon all persons on the official service list in the above-identified docket.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and

385.214). All such motions and protests should be filed on or before April 24, 2000. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Missouri Joint Municipal Electric Utility Commission and the City of Harrisonville, Missouri v. UtiliCorp United Inc.; Notice of Complaint

April 13, 2000.

Take notice that on April 11, 2000, the City of Harrisonville, Missouri and the Missouri Joint Municipal Electric Utility Commission on behalf of its member cities El Dorado Springs, Odessa, and Rich Hill, Missouri, filed a complaint against UtiliCorp United Inc. d/b/a Missouri Public Service (MPS). The complaint asserts that MPS has recovered certain impermissible purchased power expenses through MPS's fuel adjustment clause (FAC), in violation of the filed rate and the Commission's fuel clause regulations, 18 CFR 35.14. The complaint requests that the Commission: (1) Initiate an audit and investigation of MPS's application of the fuel adjustment clause, (2) by issuing a notice of rate examination and/or order to show cause under 18 CFR 385.209, require MPS to bear the burden of demonstrating in that audit and investigation that it has not included any improper energy purchase costs in its FAC billings from at least 1997 to date, and (3) require MPS to provide refunds (with interest) as appropriate to reflect correct application of the FAC, *i.e.*, elimination of all improper purchased energy costs, with respect to all relevant periods. The complainants also request consolidation of this proceeding with the complaint in Docket No. EL00-43-000.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).
