

to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act (PRA) unless that collection of information displays a current valid Office of Management and Budget (OMB) control number. In accordance with the PRA, 44 United States Code (U.S.C.), Chapter 35, the OMB approved the 1999 Service Annual Survey under OMB Control Number 0607-0422. We will furnish report forms to organizations included in the survey, and additional copies are available on written request to the Director, U.S. Census Bureau, Washington, DC 20233-0101.

Program Requirements

The Census Bureau conducts surveys necessary to furnish current data on subjects covered by the major censuses authorized by Title 13, U.S.C. The Service Annual Survey provides continuing and timely national statistical data for a period between the economic censuses. The next economic census is for the year 2002. Data collected in this survey are within the general scope, type, and character of those inquiries covered in the economic census.

In accordance with Title 13, U.S.C. 182, 224, and 225, the Census Bureau has determined that 1999 data on total receipts, and total revenue and expenses for selected service industries are needed to provide a sound statistical basis for the formation of policy by various governmental agencies, and that these data also apply to a variety of public and business needs. Selected service industries include health, telecommunications, publishing, waste management, transportation, and finance industries. These data are not publicly available from nongovernment or other governmental sources.

The Census Bureau needs reports only from a limited sample of service sector firms in the United States. The probability of a firm's selection is based on its revenue size (estimated from payroll). We are mailing report forms to the firms covered by this survey and require their submission within thirty days after receipt.

Based upon the foregoing, I have directed that the Service Annual Survey be conducted for the purpose of collecting these data.

Dated: December 27, 1999.

Director, Bureau of the Census.

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice of Determination.

SUMMARY: The Bureau of the Census (U.S. Census Bureau) is conducting the Annual Trade Survey. The U.S. Census Bureau has determined that it needs to collect data covering annual sales, e-commerce sales, year-end inventories, and purchases.

FOR FURTHER INFORMATION CONTACT: Scott Scheleur or Dorothy Engleking, Service Sector Statistics Division, on (301) 457-2713.

SUPPLEMENTARY INFORMATION: The Annual Trade Survey is a continuation of similar wholesale trade surveys conducted each year since 1978. These data are not available publicly on a timely basis from nongovernmental or other governmental sources.

The U.S. Census Bureau will require a selected sample of firms operating merchant wholesale establishments in the United States (with sales size determining the probability of selection) to report in the 1999 Annual Trade Survey. We will furnish report forms to the firms covered by this survey and will require their submissions within thirty days after receipt. The sample will provide, with measurable reliability, statistics on the subjects specified above.

The U.S. Census Bureau is authorized to take surveys necessary to furnish current data on the subjects covered by the major censuses authorized by Title 13, United States Code, Sections 182, 224, and 225. This survey will provide continuing and timely national statistical data on wholesale trade for the period between economic censuses. In accordance with section 351.213 of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. The Department changed its requirements for requesting reviews for countervailing duty orders. Pursuant to 771(9) of the Act, an interested party must specify the individual producers or exporters covered by the order or suspension agreement for which they are requesting a review (Department of Commerce

Regulations, 62 FR 27295, 27424 (May 19, 1997)). Therefore, for both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of January 2000. If the Department does not receive, by the last day of January 2000, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: January 7, 2000.

Holly A. Kuga,

Acting Deputy Assistant Secretary for Group II, AD/CVD Enforcement.
