Without the approvals, the contractor cannot use their personal as requested.

Office of the Secretary

Submission for OMB Review; Comment Request

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title, Form Number, and OMB Number: Armed Forces Participation in Public Events; DD Forms 2535 and 2536; OMB Number 0704-0290.

Type of Request: Extension.

Number of Respondents: 43,000.

Responses Per Respondent: 1.

Annual Responses: 43,000.

Average Burden Per Response: 8 minutes (average).

Annual Burden Hours: 5,547.

Needs and Uses: The information collection requirement is necessary to evaluate the eligibility of events to receive Armed Forces community relations support and to determine whether requested military assets are available. Respondents are individuals or representatives of Federal and non-Federal government agencies, community groups, non-profit organizations, and civil organizations requesting Armed Forces support for patriotic events conducted in the civilian domain. DD Forms 2535 and 2536 record the type of military support requested, event data, and sponsoring organization information. The completed forms provide the Armed Forces the minimum information necessary to determine whether an event is eligible for military participation and whether the desired support is permissible and/or available. If the forms are not provided, the review process is greatly increased because the Armed Forces must make additional written and telephonic inquiries with the event sponsor. In addition, use of the forms reduces the event sponsor's preparation time because the forms provide a detailed outline of information required, eliminate the need for a detailed letter, and contain concise information necessary for determining appropriateness of military support. Use of the forms is essential to reduce preparation and processing time, increase productivity, and maximize responsiveness to the public.

Affected Public: Individuals or households; business or other for-profit; not-for-profit institutions; State, Local, or Tribal Government.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: Mr. Edward C. Springer.

SUPPLEMENTARY INFORMATION: Section
3506 of the Paperwork Reduction Act of

that the Director of OMB provide
interested Federal agencies and the
public an early opportunity to comment
on information collection requests. The
Office of Management and Budget
(OMB) may amend or waive the
requirement for public consultation to
the extent that public participation in
the approval process would defeat the
purpose of the information collection,
violate State or Federal law, or
substantially interfere with any agency's
ability to perform its statutory
obligations. The Leader, Information
Management Group, Office of the Chief
Information Officer, publishes this
notice containing proposed information
collection requests at the beginning of

the Departmental review of the
information collection. Each proposed

Department; (2) will this information be
processed and used in a timely manner;
(3) is the estimate of burden accurate;
(4) how might the Department enhance
the quality, utility, and clarity of the
information to be collected; and (5) how
might the Department minimize the
burden of this collection on
respondents, including through the use
of information technology.
