

All of the foregoing are constructed of steel and are enameled or glazed with vitreous glasses. The merchandise is currently classifiable under the Harmonized Tariff Schedule ("HTS") item 7323.94.00.

Although the HTS subheading is provided for convenience and U.S. Customs ("Customs") purposes, our written description of the scope of this proceeding is dispositive.

#### Analysis of Comments Received

All issues raised in the case brief by the Respondent to this administrative review are addressed in the "Issues and Decision Memorandum" ("Decision Memorandum") from Holly A. Kuga, Acting Deputy Assistant Secretary, Import Administration, to Troy H. Cribb, Acting Assistant Secretary for Import Administration, dated concurrent with this notice, which is hereby adopted by this notice. A list of the issues which parties have raised and to which we have responded, all of which are in the Decision Memorandum, is attached to this notice as an Appendix. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum which is on file in the Central Records Unit ("CRU") of the Main Commerce Building in Room B-099. In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at [www.ita.doc.gov/import\\_admin/records/frn/](http://www.ita.doc.gov/import_admin/records/frn/). The paper copy and electronic version of the Decision Memorandum are identical in content.

#### Changes Since the Preliminary Results

Based on our analysis of comments received, we have made certain changes in the margin calculations. We have also corrected certain programming and clerical errors in our preliminary results, where applicable. Any alleged programming or clerical errors with which we do not agree are discussed in the relevant sections of the "Decision Memorandum," accessible in the CRU and also available at the Web address shown above.

#### Final Results of Review

We determine that the following percentage weighted-average margins exist for the period December 1, 1997 through November 30, 1998:

Manufacturer/producer/exporter	Margin (percent)
Clover Enamelware Enterprise/ Lucky Enamelware Factory.	Zero.

The Department shall determine, and Customs shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.106(c)(2), we will instruct the Customs Service to liquidate without regard to antidumping duties all entries of the subject merchandise during the POR manufactured by Clover and subsequently exported by Lucky.

#### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of POS cooking ware from the PRC entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) For Clover/Lucky, which has a separate rate, the cash deposit rate will be zero; (2) for any previously reviewed PRC firm and non-PRC exporter with a separate rate, the cash deposit rate will be the company- and product-specific rate established for the most recent period; (3) the cash deposit rate for all other PRC exporters will continue to be 66.65 percent, the PRC-wide rate established in the LTFV investigation; and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC supplier of that exporter. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305 or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance

with sections 751(a)(1) and 777(i) of the Act.

**Troy H. Cribb,**

*Acting Assistant Secretary for Import Administration.*

#### INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-718 (Review)]

#### Glycine From China

**AGENCY:** United States International Trade Commission.

**ACTION:** Scheduling of an expedited five-year review concerning the antidumping duty order on glycine from China.

**SUMMARY:** The Commission hereby gives notice of the scheduling of an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)) (the Act) to determine whether revocation of the antidumping duty order on glycine from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. For further information concerning the conduct of this review and rules of general application, consult the Commission's rules of practice and procedure, part 201, subpart A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

**EFFECTIVE DATE:** May 5, 2000.

**FOR FURTHER INFORMATION CONTACT:** Debra Baker (202-205-3180), Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usite.gov>).

**SUPPLEMENTARY INFORMATION:**

## Background

On May 5, 2000, the Commission determined that the domestic interested party group response to its notice of institution (65 FR 5371, February 3, 2000) was adequate and the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.<sup>1</sup> Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.

**Staff report.**—A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on June 2, 2000, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

**Written submissions.**—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before June 7, 2000, and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which should not contain any new factual information) pertinent to the review by June 7, 2000. Should Commerce, however, extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed

by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: May 10, 2000.
