SUMMARY: This order partially revokes an Executive order insofar as it affects 4,231.09 acres of public lands withdrawn for the Bureau of Land Management's Public Water Reserve No. 107. The lands do not qualify for a public water reserve and the revocation is needed to permit several land disposals. This action will open the lands to surface entry and non-metalliferous mining, unless included in other segregations of record. All of the lands have been and will remain open to metalliferous mining and mineral leasing, unless included in other segregations of record.
