Proposed Settlement Agreement, Application of Labor Standards Provision in the Clean Water Act State Revolving Fund program

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed settlement; request for public comment and notice of public meeting.

SUMMARY: The Environmental Protection Agency (EPA or the Agency) is seeking comment on a proposed settlement agreement between the Agency and the Building and Construction Trades Department, AFL/CIO (Building Trades) which would resolve a matter now pending before the Department of Labor's Wage and Hour Division Administrator. Title VI of the CWA authorizes EPA to award grants to capitalize state revolving funds from which states, in turn, award loans and other types of assistance for the construction of publicly owned treatment works and other water quality projects. Appropriations for the CWSRF program were authorized only through fiscal year 1994, but Congress has continued to
