However, the decision of the Third Circuit in *Raquel* demonstrates that there is some risk in engaging in this practice. It is hoped that this statement of policy, clarifying what the Office's practice has been and will continue to be, will offer guidance to the courts and to litigants about the Office's examination practices with respect to the nature-of-work space, and will prevent other courts addressing situations similar to that in *Raquel* from reaching the same result as in *Raquel*.
