#### Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), the Coast Guard offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

#### Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

#### Federalism

The Coast Guard analyzed this rule under Executive Order 13132 and has determined that this rule does not have implications for federalism under that Order.

#### Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those costs. This rule would not impose an unfunded mandate.

#### Taking of Private Property

This rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

#### Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to

minimize litigation, eliminate ambiguity, and reduce burden.

#### Protection of Children

The Coast Guard analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

#### Environment

The Coast Guard considered the environmental impact of this rule and concluded that, under figure 2-1, (34)(g), of Commandant Instruction M16475.IC, this rule is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under **ADDRESSES**.

**AGENCY:** Coast Guard, DOT.

**ACTION:** Temporary final rule; request for comments.

##### FOR FURTHER INFORMATION CONTACT:

Lieutenant Diane J. Hauser, U.S. Coast Guard Marine Safety Office, 215 W. 83rd Street, Burr Ridge, Illinois 60521. The telephone number is (630) 986-2155.

**SUPPLEMENTARY INFORMATION:** In accordance with 5 U.S.C. 553, a notice of proposed rulemaking was not published for this regulation and good cause exists for making it effective less than 30 days after publication in the **Federal Register**. Publication of a notice of proposed rulemaking and delay of effective date would be contrary to the public interest because immediate

action is necessary to prevent possible loss of life, injury, or damage to property or the environment.

Although this rule is being published as a temporary final rule without prior notice, an opportunity for public comment is nevertheless desirable to ensure the rule is both reasonable and workable. Accordingly, persons wishing to comment may do so by submitting comments to the office listed in **ADDRESSES** in the preamble. Persons submitting comments should include their names and addresses, identify this rulemaking (CGD09-00-013), the specific sections of this document to which each comment applies, and give the reason for each comment. The Coast Guard will consider all comments received.

### Background and Purpose

A temporary safety zone is required to ensure safety of vessels and spectators from hazards associated with fireworks. Entry into, transit through or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port, Chicago or the designated Patrol Commander. The designated Patrol Commander on scene may be contacted on VHF Channel 16.

### Regulatory Evaluation

This temporary rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has not been reviewed by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary.

### Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) the Coast Guard considered whether this rule will have a significant impact on a substantial number of small businesses and not-for-profit organizations that are not dominant in their respective fields, and government jurisdictions with populations less than 50,000. For the same reasons set forth in the above regulatory evaluations, the Coast Guard certifies under section 605 (b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) that this temporary final rule will not have a significant economic

impact on a substantial number of small entities.

### Assistance for Small Entities

In accordance with section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub.L. 104-121), the Coast Guard wants to assist small entities in understanding this rule so that they can better evaluate its effectiveness and participate in the rulemaking process. If your small business or organization is affected by this rule, and you have questions concerning its provisions or options for compliance, please contact the office listed in **ADDRESSES** in this preamble.

### Collection of Information

This rule contains no information collection requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

### Federalism

The Coast Guard has analyzed this rule under the principles and criteria contained in Executive Order 13132 and has determined that this rule does not have federalism implications under that order.

### Environment

The Coast Guard considered the environmental impact of this regulation and concluded that, under figure 2-1, paragraph (34)(g) of Commandant Instruction M16475.1C, it is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under **ADDRESSES**.

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final rule.

**SUMMARY:** EPA is finalizing a limited approval and limited disapproval of revisions to the California State Implementation Plan (SIP) proposed in the **Federal Register** on April 12, 1999. This final action will incorporate these rules into the federally approved SIP.
