## COMMODITY FUTURES TRADING COMMISSION

RIN 3038-ZA07

### Application of the Merchants' Exchange of St. Louis, L.L.C. for Designation as a Contract Market in the Illinois Waterway and St. Louis Harbor Barge Rate Futures Contracts

**AGENCY:** Commodity Futures Trading Commission.

**ACTION:** Notice of availability of the terms and conditions of proposed commodity futures contracts.

**SUMMARY:** The Merchants' Exchange of St. Louis, L.L.C. ("MESL" or "Exchange") has applied for designation as a contract market for the automated trading of deliverable Illinois Waterway and St. Louis Harbor barge rate futures contracts on an electronic trading system ("MESL System").

The Exchange has not previously been approved by the Commodity Futures Trading Commission ("Commission") as a contract market in any commodity. Accordingly, in addition to the terms and conditions of the two proposed futures contracts, MESL has submitted to the Commission a proposed trade-matching algorithm; proposed rules pertaining to MESL governance, disciplinary and arbitration procedures, trading standards and recordkeeping requirements; and various other materials to meet the requirements for a board of trade seeking initial designation as a contract market.

MESL has reached a preliminary agreement with, and is in the process of negotiating a definitive agreement with, the Board of Trade Clearing Corporation ("BOTCC") to provide all clearance and settlement functions. The National Futures Association ("NFA") would perform several of MESL's required regulatory functions.
