INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 701-TA-401 (Final) and
731-TA-854 (Final)]

Certain Structural Steel Beams From Korea

Determinations

On the basis of the record ¹ developed in the subject investigations, the United States International Trade Commission determines, pursuant to sections 705(b) and 735(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) and 1673d(b)) (the Act), that an industry in the United States is materially injured ² or threatened with material injury ³ by reason of imports from Korea of certain structural steel beams, provided for in subheadings 7216.32.00, 7216.33.00, 7216.50.00, 7216.61.00, 7216.69.00, 7216.91.00, 7216.99.00, 7228.70.30, and 7228.70.60 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce to be subsidized by the Government of Korea

and sold in the United States at less than fair value (LTFV).

Background

The Commission instituted these investigations effective July 7, 1999, following receipt of petitions filed with the Commission and the Department of Commerce by Northwestern Steel & Wire Co., Sterling, IL; Nucor-Yamato Steel Co., Blytheville, AR; TXI-Chaparral Steel Co., Midlothian, TX; and The United Steelworkers of America AFL-CIO, Pittsburgh, PA. The final phase of the investigations was scheduled by the Commission following notification of a preliminary determination by the Department of Commerce that imports of certain structural steel beams from Korea were being sold in the United States at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)).⁴ Notice of the scheduling of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of March 1, 2000 (65 FR 11092). The hearing was held in Washington, DC, on April 25, 2000, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on August 4, 2000. The views of the Commission are contained in USITC Publication 3326 (August 2000), entitled Certain Structural Steel Beams from Korea: Investigations Nos. 701-TA-401 (Final) and 731-TA-854 (Final).

Issued: August 8, 2000.

By order of the Commission.

Donna R. Koehnke,
Secretary.

INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 731-TA-470-472 and
671-673 (Review)]

Silicon Metal From Argentina, Brazil, and China and Silicomanganese From Brazil, China, and Ukraine

AGENCY: United States International
Trade Commission.

ACTION: Scheduling of full five-year reviews concerning the antidumping duty orders on silicon metal from Argentina, Brazil, and China; the antidumping duty orders on silicomanganese from Brazil and China; and the suspended investigation on silicomanganese from Brazil.

SUMMARY: The Commission hereby gives notice of the scheduling of full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) (the Act) to determine whether revocation of the antidumping duty orders on silicon metal from Argentina, Brazil, and China; the antidumping duty orders on silicomanganese from Brazil and China; and termination of the suspended investigation on silicomanganese from Ukraine would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B). For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

EFFECTIVE DATE: August 8, 2000.

FOR FURTHER INFORMATION CONTACT: Olympia DeRosa Hand (202-205-3182), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>).

SUPPLEMENTARY INFORMATION:

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR § 207.2(f)).

² Vice Chairman Deanna Tanner Okun, Commissioner Marcia A. Miller, and Commissioner Jennifer A. Hillman find that an industry in the United States is materially injured.

³ Chairman Stephen Koplan, Commissioner Lynn M. Bragg, and Commissioner Thelma J. Askey find that an industry in the United States is threatened with material injury. Further, Chairman Koplan and Commissioners Bragg and Askey determine, under sections 705(b)(4)(B) and 735(b)(4)(B) of the Act (19 U.S.C. 1671d(b)(4)(B) and 19 U.S.C. 1673d(b)(4)(B)), that they would not have made affirmative material injury determinations but for the suspension of liquidation.

⁴ Commerce made a preliminary negative determination regarding subsidies on subject imports from Korea. The Commission noted that in the event Commerce made an affirmative final determination regarding subsidies, the final phase of the Commission's countervailing duty investigation would be activated. Commerce's final determination regarding subsidized imports was affirmative, thus activating the final phase of the Commission's countervailing duty investigation.

Background

On February 3, 2000, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews pursuant to section 751(c)(5) of the Act should proceed (65 F.R. 7891, February 16, 2000). A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's web site.

Participation in the Reviews and Public Service List

Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff Report

The prehearing staff report in the reviews will be placed in the nonpublic record on October 24, 2000, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

Hearing

The Commission will hold a hearing in connection with the reviews beginning at 9:30 a.m. on November 14, 2000, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before November 7, 2000. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on November 9, 2000, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), 207.24, and 207.66 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

Written Submissions

Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission's rules; the deadline for filing is November 2, 2000. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission's rules. The deadline for filing posthearing briefs is November 22, 2000; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before November 22, 2000. On January 5, 2001, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before January 9, 2001, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's

rules do not authorize filing of submissions with the Secretary by facsimile or electronic means. The Commission has determined to waive rule 207.3(c) in order to permit the filing of public versions of posthearing briefs in these reviews on November 27, 2000.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: August 8, 2000.

By order of the Commission.

Donna R. Koehnke,

Secretary.
