SUPPLEMENTARY INFORMATION:

Title: Marketing Agreement No. 146, Regulating the Quality of Domestically Produced Peanuts—7 CFR part 998.

OMB Number: 0581-0067.

Expiration Date of Approval: July 31, 2001.

Type of Request: Extension and revision of a currently approved information collection.

Abstract: Marketing agreement and order programs provide an opportunity for producers of fresh fruits, vegetables and specialty crops, in a specified production area, to work together to solve marketing problems that cannot be solved individually. Such regulations help ensure adequate supplies of high quality product and adequate returns to producers. Under the Agricultural Marketing Agreement Act of 1997 (AMAA), as amended (7 U.S.C. 601-674), the Agreement was established for handlers who voluntarily signed it. Signers agreed to have peanuts inspected, meet both incoming and outgoing quality regulations, be chemically tested and certified "negative" as to aflatoxin. The Secretary of Agriculture is authorized to oversee the Agreement's operations and consider issuing regulations recommended by a committee of producer and handler representatives from each of the three peanut producing areas within the 16-state production area.

The information collection requirements in this request are essential to carry out the intent of the AMAA, to provide the respondents the type of service they request, and to administer the Peanut Marketing Agreement program, which has been operating since 1965.

The Agreement authorizes the issuance of quality regulations along with inspection requirements. The Agreement also provides authority for limited indemnification. The Agreement, and rules and regulations issued thereunder, authorize the Peanut Administrative Committee (Committee), which is responsible for locally administering the program, to require handlers and growers to submit certain information. Much of the information is compiled in aggregate and provided to

the industry to assist in marketing decisions.

The Committee has developed forms as a means for persons to file required information with the Committee relating to peanut supplies, shipments, dispositions, and other information needed to effectively carry out the purpose of the AMAA and Agreement. USDA forms are used by peanut growers and handlers, who are nominated by their peers to serve as representatives on the Committee, to submit their qualifications to the Secretary. Other USDA forms are used by handlers to sign the Agreement.

These forms require the minimum information necessary to effectively carry out the requirements of the Agreement, and their use is necessary to fulfill the intent of the AMAA as expressed in the Agreement.

The information collected is used only by authorized representatives of the USDA, including AMS, Fruit and Vegetable Programs' regional and headquarter's staff, and authorized employees of the Committee. Authorized Committee employees and the industry, which may be provided only aggregate (not confidential) information, are the primary users of the information and AMS is the secondary user.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average .45 hours per response.

Respondents: Peanut producers and persons handling fresh and processed peanuts produced in the 16-state production area.

Estimated Number of Respondents: 25.

Estimated Number of Responses per Respondent: 10.44.

Estimated Total Annual Burden on Respondents: 118 hours.

Comments: Comments are invited on: (1) Whether the proposed collection of the information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments should reference OMB No. 0581-0067 and the Peanut Marketing Agreement No. 146, and be mailed to Docket Clerk, Fruit and Vegetable Programs, AMS, USDA, P.O. Box 96456, Room 2525-S, Washington, DC 20090-6456; Fax (202) 720-5698; or E-mail: moab.docketclerk@usda.gov. Comments should reference the docket number and the date and page number of this issue of the **Federal Register**. All comments received will be available for public inspection in the Office of the Docket Clerk during regular USDA business hours at 14th and Independence Ave., SW, Washington, DC, room 2525-S, or can be viewed at: <http://www.ams.usda.gov/fv/moab.html>.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Dated: October 3, 2000.

Farm Service Agency

Release of Georgia Tobacco Farmers' Social Security Numbers to the State of Georgia

AGENCY: Farm Service Agency, USDA.

ACTION: Notice of Intent to Release Records and Opportunity to Opt Out of the Release.

SUMMARY: This notice announces the intention of the Secretary of Agriculture to release the social security numbers of those Georgia tobacco farmers who receive Tobacco Loss Assistance Program 2000 (TLAP) payments; and provides notice of the method in which interested parties can opt out of that release. The release will be to the State of Georgia which will distribute an identical sum of State funds to each TLAP 2000 Georgia farmer.

EFFECTIVE DATE: October 6, 2000.

ADDRESSES: Notices should be mailed to Charles Hatcher, Farm Service Agency (FSA), Tobacco and Peanuts Division, STOP 0514, 1400 Independence Avenue, SW, Washington, DC 20250-0514.

FOR FURTHER INFORMATION CONTACT:

Misty L. Jones, telephone (202) 720-0200.

SUPPLEMENTARY INFORMATION: The TLAP 2000 Program is provided for in Section 204(b) of the Agricultural Risk Protection Act of 2000 (ARPA), Public Law 106-224, and is a program in which Federal payments are made to tobacco farmers and other parties with an interest in certain kinds of tobacco which have had reduced quotas. Tobacco farmers who applied for TLAP 2000 payments were required to provide to the Farm Service Agency their social security numbers. The ARPA of 2000, which provided funds for TLAP 2000, contains the following restriction as to the State of Georgia:

The Secretary shall use the amount allocated to the State of Georgia under paragraph (3) to make payments to eligible persons in Georgia only if the State of Georgia agrees to use an equal amount (not to exceed \$13,000,000) to make payments at the same time, or subsequently, to the same eligible persons in the same manner as provided for the Federal payment under paragraphs (4) and (5).

In order to efficiently and expeditiously make the matching payments to Georgia tobacco producers, the State of Georgia has requested that the Farm Service Agency provide the names, addresses, social security numbers, and the amount of money to be paid to each farmer. However, there may be some Georgia tobacco farmers who would rather not have their social security numbers released to the State. Because these matching State payments can provide much needed help to Georgia producers, the Secretary intends to provide the social security numbers to the State of Georgia, except in the

case of those parties who wish to opt out of the release. Those who wish to opt out of the release should send notice in writing of their election to Charles Hatcher, Farm Service Agency, Tobacco and Peanuts Division, STOP 0514, 1400 Independence Avenue, SW, Washington, D.C. 20250-0514. Such notice must be received by October 25, 2000.

Parties should understand that a request for an exemption from the disclosure could result in a delay in receiving a distribution from the State of Georgia or ineligibility for such a distribution. It is not expected that there will be many exemption requests filed. Accordingly, it appears that the record collections can be made at one location for re-routing to the national record center for processing.

Signed at Washington, D.C., on October 3, 2000.

Keith Kelly,

Administrator, Farm Service Agency.
