Many times, defaults are determined insoluble by holders at the time the notice of default is to be filed with VA. In such cases, the holders are requested to file VA Form 26-6850a, which will provide both notices of default and intent to foreclose together on one form. VA

Form 26-6850a requires that servicing efforts be fully explained so that VA can determine whether supplemental servicing could develop further information which might justify the extension of forbearance to the veteran-borrower as opposed to foreclosure.
