Large Newspaper Printing Presses and Components Thereof, Whether Assembled or Unassembled, from Germany: Preliminary Results and Rescission in Part of Antidumping Duty Administrative Reviews and Final Determinations of Scope Inquiries

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative reviews.

SUMMARY: In response to requests by the respondent MAN Roland Druckmaschinen AG and the petitioner Goss Graphic Systems, Inc., the Department of Commerce is conducting administrative reviews of the antidumping duty order on large newspaper printing presses and

components thereof, whether assembled or unassembled, from Germany. These reviews cover MAN Roland Druckmaschinen AG and Koenig & Bauer AG, manufacturers/exporters of the subject merchandise to the United States. The periods of review for Koenig & Bauer AG are September 1, 1997, through August 31, 1998, and September 1, 1998, through August 31, 1999. The period of review for MAN Roland Druckmaschinen AG is September 1, 1998, through August 31, 1999.

We preliminarily determine that sales have not been made below normal value for MAN Roland Druckmaschinen AG. If these preliminary results are adopted in our final results of administrative review, we will instruct the Customs Service not to assess antidumping duties on all appropriate entries. Interested parties are invited to comment on these preliminary results.

In accordance with 19 CFR 351.213(d)(3), the Department of Commerce is rescinding these reviews in part as to Koenig & Bauer AG because we verified that it made no sales or shipments of subject merchandise during the review periods. In addition, we determine that certain LNPP parts imported by KBA North America Inc. Web Press Division from Germany during the period 1998 through 1999, pursuant to contracts for the sale of LNPP systems to Dayton Newspapers, Inc. and Fayetteville Publishing Company, are outside the scope of the order.

EFFECTIVE DATE: October 19, 2000.
