Changes From the Preliminary Results

Based on our analysis of comments received, we have made certain changes to the margin calculations. For a discussion of these changes, see the "Margin Calculations" section of the Decision Memo, which is on file in room B-099 at the Department and available on the Web at <http://ia.ita.doc.gov/>.

Final Results of Review

We determine that the following weighted-average margin percentages exist for the period December 1, 1998, through November 30, 1999:

Manufacturer/exporter	Margin (percent)
Cinsa	10.39
ENASA	17.69

The Department shall determine, and Customs shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b), we have calculated importer-specific assessment rates. We will direct Customs to assess the resulting percentage margins against the entered Customs values for the subject merchandise on each importer's entries under the relevant order during the review period.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of the administrative review for all shipments of porcelain-on-steel cookware from Mexico entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for Cinsa and ENASA will be the rates shown above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 29.52. This rate is the "All Others" rate from the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: February 21, 2001.

Silicon Metal From the People's Republic of China: Notice of Rescission of New Shipper Antidumping Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Rescission of New Shipper Antidumping Duty Review.

EFFECTIVE DATE: March 1, 2001.

SUMMARY: On August 16, 2000 the Department published in the **Federal Register** (65 FR 49965) a notice announcing the initiation of a new shipper review of the antidumping duty order on silicon metal from the People's Republic of China (PRC), covering Groupstars Chemical LLC for the period June 1, 1999 through May 31, 2000. This new shipper review is now being rescinded since Groupstars Chemical LLC (Groupstars Chemical) is not an exporter or producer of subject merchandise as required by 19 CFR 351.214(b)(1).

FOR FURTHER INFORMATION CONTACT:

Thomas Gilgunn or Douglas Campau, AD/CVD Enforcement Group III, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-0648 and (202) 482-1395, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2000, Groupstars Chemical, requested a new shipper review of the antidumping duty order on silicon metal from the PRC in accordance with 19 CFR 351.214(b). In its request, Groupstars Chemical certified that it was a producer and exporter of silicon metal. Based on this information, the Department initiated a new shipper review of this order on August 16, 2000, in accordance with 19 CFR 351.221(c)(1)(i). However, a review of information now on the record with respect to Groupstars Chemical has led us to conclude that Groupstars Chemical is not, in fact, a producer or exporter of silicon metal. Based on Groupstars Chemical's questionnaire response, the Department determined that Groupstars Chemical was only a U.S. "marketing company" and not a producer or exporter of silicon metal.

Rescission of Review

Since Groupstars Chemical is not an exporter or producer of silicon metal as required by 19 CFR 351.214(b)(1), the Department is hereby rescinding Groupstars Chemical's new shipper review.

This determination is issued and published in accordance with section 751 of the Tariff Act of 1930, as amended (19 U.S.C. 1675) and 19 CFR 351.214(f). Effective January 20, 2001, Bernard T. Carreau is fulfilling the duties of the Assistant Secretary for Import Administration.

Dated: January 31, 2001.

Bernard T. Carreau,

Deputy Assistant Secretary, AD/CVD Enforcement II.

Coral Reefs Economic Valuation Study

AGENCY: National Oceanic and Atmospheric Administration (NOAA).

ACTION: Proposed collection; comment request.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Pub. L. 104-13 (44 U.S.C. 3506(c)(2)(A)).

DATES: Written comments must be submitted on or before April 30, 2001.

ADDRESSES: Direct all written comments to Madeleine Clayton, Departmental Forms Clearance Officer, Department of Commerce, Room 6086, 14th and Constitution Avenue NW, Washington DC 20230 (or via Internet at MClayton@doc.gov).

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Dr. Vernon R. Leeworthy, NOS/Special Projects Office, N/SP3, Room 9124, 1305 East-West Highway, Silver Spring, MD 20910 (phone 301-713-3000, ext. 138), or via Internet at Bob.Leeworthy@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

The purpose of this data collection would be to provide information on the value of coral reef habitats to specific segments of the U.S. population. The study will measure nonmarket economic values for coral reefs. This effort is designed to provide defensible information for both resource managers and damage assessments on the value of coral reef habitats and alternative management actions. The project is designed as a phased three-year effort to ensure effective use of all the available information. This effort will involve development of extensive knowledge

about how reef habitats are perceived, implication of alternative management actions, designing original survey instruments, interviewing of a large number of respondents, conducting formal statistical analysis of the data, and developing a decision-support system for resource managers to use.

For active users of coral reefs, separate surveys of residents and visitors will be conducted to estimate the amount of use (measured in person-days) of the coral reefs, spending in the local economies while undertaking the activities on the reefs, and information that will support estimation of nonmarket economic use values using travel cost demand models, and discrete choice contingent valuation methods. For nonuse or passive use, a nationally-oriented survey will be conducted using stated preferences methods.

II. Method of Collection

Interviews will be conducted. The survey instruments will be formulated with the use of focus groups and a pretest of the instrument will be conducted.

III. Data

OMB Number: None.

Form Number: None.

Type of Review: Regular submission.

Affected Public: Individuals or households.

Estimated Number of Respondents: 2,538.

Estimated Time Per Response: 2 hours for a focus group member, 30 minutes for a pretest, and 30 minutes for the final survey.

Estimated Total Annual Burden Hours: 1,400.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: February 22, 2001.
