

Public disclosure of this information would be likely to significantly frustrate implementation of the National Medal of Technology program because premature publicity about candidates under consideration for the Medal, who may or may not ultimately receive the award, would be likely to discourage nominations for the Medal.

Accordingly, I find and determine, pursuant to section 10(d) of the Federal Advisory Committee Act, 5 U.S.C. app. 2, as amended, that the March 29, 2001, meeting may be closed to the public in accordance with section 552b(c)(9)(B) of Title 5, United States Code because revealing information about Medal candidates would be likely to significantly frustrate implementation of a proposed agency Action.

Due to closure of the meeting, copies of the minutes of the meeting will not be available, however a copy of the Notice of determination will be available for public inspection and copying in the office of Mildred Porter, Director, National Medal of Technology, 1401 Constitution Avenue, N.W., Herbert Hoover Building, Room 4226, Washington, D.C. 20230, Phone: (202) 482-1424.

Dated: February 28, 2001.

Acting Under Secretary for Technology.
