COMMODITY FUTURES TRADING COMMISSION

17 CFR Part 140

Delegation of Authority to Disclose and Request Information

AGENCY: Commodity Futures Trading Commission.

ACTION: Final rules.

SUMMARY: The Commodity Futures Trading Commission (Commission or CFTC) is amending Rule 140.73, which delegates authority to members of the Commission's staff to provide information to other government agencies, to conform the rule with the provisions of the Commodity Exchange Act (Act) that authorize such information sharing. The Commission is also making certain technical

corrections to Rules 140.72 and 140.73 to clarify its delegations of authority.

EFFECTIVE DATE: January 9, 2001.

FOR FURTHER INFORMATION CONTACT:

Lawrence B. Patent, Associate Chief Counsel, Ky Tran-Trong, Attorney-Advisor, or Julie R. Windhorn, Law Clerk, Division of Trading and Markets, Commodity Futures Trading Commission, 1155 21st Street, NW, Washington, DC 20581. Telephone: (202) 418-5450.

Supplementary Information:

I. Background

Commission Rule 140.73 delegates the authority of the Commission to provide information to other government agencies to specified members of the Commission's staff. The Commission is authorized to promulgate this rule under Sections 2(a)(11), 8a(5) and 8(e) of the Act.¹ The Commission's original delegation was granted to the Director of the Division of Enforcement (and, in his absence, to each Deputy Director of the Division) in order to “eliminate the necessity of the Commission itself authorizing the release of information” in each instance where other federal agencies requested information.²

II. Discussion

A. 17 CFR 140.73(a)(1)

As originally adopted, Rule 140.73 limited the information that could be disclosed by authorized Commission staff to another federal agency to that which was “within the scope of [the requesting agency's] jurisdiction in the investigation or prosecution of any violation of federal law.”³ In 1983, after the Futures Trading Act of 1982 (1982 Act) made various amendments to Section 8(e) of the Act, the Commission revised Rule 140.73 to add State and foreign authorities to the list of agencies to which information could be released.⁴ The 1983 expansion of the Commission's information-sharing

¹ Section 2(a)(11), 7 U.S.C. 4a(j), authorizes the Commission to “promulgate such rules and regulations as it deems necessary to govern the operating procedures and conduct of the business of the Commission.” Section 8a(5), 7 U.S.C. 12a(5), gives the Commission the authority to “promulgate such rules and regulations as, in the judgment of the Commission, are reasonably necessary to effectuate any of the provisions or to accomplish any of the purposes of [the] Act.” Section 8(e), 7 U.S.C. 12(e), is the provision that permits the agency to release information.

² 44 FR 72107 (Dec. 13, 1979).

⁴ 48 FR 22133 (May 17, 1983). The Commission also authorized several additional members of the Commission's staff to disclose information. *Id.* The delegation of authority was further expanded in 1996, and more recently in October 2000. See 61 FR 1708 (Jan. 23, 1996); 65 FR 64136 (Oct. 26, 2000).
