SUPPLEMENTARY INFORMATION:

I. Background

The North American Free Trade Agreement (NAFTA) Implementation Act amended Chapter 2 of Title II of the Trade Act of 1974 to add a Subchapter D—NAFTA Transitional Adjustment Assistance Program. This program provides needed adjustment assistance to workers adversely affected because of imports from Canada or Mexico or shifts of production from the United States to those countries.

Section 250 of the Act authorizes the Governor of each State to accept petitions for certification of eligibility to apply for adjustment assistance. Once a petition for NAFTA adjustment assistance is filed with the Governor in the State where the firm is located, the law gives the Governor ten days to make a preliminary finding of whether the petition meets the group eligibility requirements under Subchapter D, and transmits the finding to the Secretary of Labor. The NAFTA Confidential Data Request Form ETA-9043 establishes the format which has been used by the Governor for making a preliminary finding.
