SUPPLEMENTARY INFORMATION: The Secure Rural Schools and Community Self Determination Act establishes a five-year payment schedule to local counties to compensate them in part for the decrease in funds formally derived from the harvest of timber on federal lands. Pursuant to the Act, BLM is establishing five Committees for western Oregon BLM districts that contain O&C grant lands and Coos Bay Wagon Road grant lands. Committees will consist of 15 local citizens representing a wide array of interests.

The Act creates a new mechanism for local community collaboration with federal land management activities in the selection of projects to be conducted on federal lands or that will benefit resources on federal lands using funds under Title II of the Act.

Committee membership must be balanced in terms of the categories of interest represented. Members will serve without monetary compensation, but will be reimbursed for travel and per diem when on Committee business, as authorized by 5 U.S.C. 5703. Prospective members are advised that membership on a Resource Advisory Committee calls for a substantial commitment of time and energy.

Any individual or organization may nominate one or more persons to serve on the Committees. Individuals may also nominate themselves or others. Nominees must reside within one of the counties that are (in whole or part) within the BLM District boundaries of the Committee(s) on which membership is sought. A person may apply for and serve on more than one Committee. Nominees will be evaluated based on their education, training, and experience relating to land use issues and knowledge of the geographical area of the Committee. Nominees must also demonstrate a commitment to collaborative resource decision-making.

You may make nominations for the following categories of interest:

- Category One—5 members who:
1. represent organized labor;

2. represent developed outdoor recreation, off-highway vehicle users, or commercial recreation activities;

3. represent energy and mineral development interests;

4. represent the commercial timber industry; or

5. hold federal grazing permits, or other land permits, within the area for which the committee is organized.

Category Two—5 members representing:

1. nationally recognized environmental organizations;

2. regionally or locally recognized environmental organizations;

3. dispersed recreational activities;

4. archeological and historical interests; or

5. nationally or regionally recognized wild horse and burro interest groups.

Category Three—5 members who:

1. hold State elected office or their designee;

2. hold county or local elected office;

3. represent American Indian Tribes within or adjacent to the area for which the committee is organized;

4. are school officials or teachers; or

5. represent the affected public at large.

The Resource Advisory Committees will be based on western Oregon BLM District boundaries. Specifically, the BLM Committees are as follows:

Salem District Resource Advisory Committee advises officials on projects associated with federal lands within the Salem District boundary which includes Benton, Clackamas, Clatsop, Columbia, Lane, Lincoln, Linn, Marion, Multnomah, Polk, Tillamook, Washington, and Yamhill Counties.

Eugene District Resource Advisory Committee advises federal officials on projects associated with federal lands within the Eugene District boundary. The area covers Benton, Douglas, Lane, and Linn Counties.

Roseburg District Resource Advisory Committee advises federal officials on projects associated with federal lands within the Roseburg District boundary which includes Douglas, Lane, and Jackson Counties.
