COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Denial of Short Supply Request under the United States-Caribbean Basin Trade Partnership Act (CBTPA)

April 30, 2001.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Denial of the petition alleging that yarns of cashmere and yarns of camel hair cannot be supplied by the domestic industry in commercial quantities in a timely manner.

FOR FURTHER INFORMATION CONTACT: Lori E. Mennitt, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-3400.

SUMMARY: On February 28, 2001 the Chairman of CITA received a petition from Amicale Industries, Inc. alleging yarn of cashmere and yarn of camel hair, classified in heading 5108.10.60 of the Harmonized Tariff Schedule of the United States (HTSUS), cannot be supplied by the domestic industry in commercial quantities in a timely manner. It requested that the President proclaim that apparel articles of U.S. formed fabrics of such yarns be eligible for preferential treatment under the CBTPA. As a result, CITA published a Federal Register Notice on March 8, 2001 (66 FR 13913) requesting public comments on the petition. These comments were due March 23, 2001. Based on currently available information, CITA has determined that these products can be supplied by the domestic industry in commercial quantities in a timely manner and therefore denies the petition.

SUPPLEMENTARY INFORMATION:

Authority: Section 213(b)(2)(A)(v)(II) of the Caribbean Basin Economic Recovery Act, as added by Section 211(a) of the CBTPA; Section 6 of Executive Order No. 13191 of January 17, 2001.

BACKGROUND: The CBTPA provides for quota- and duty-free treatment for qualifying textile and apparel products. Such treatment is generally limited to products manufactured from yarns or fabrics formed in the United States or a beneficiary country. The CBTPA also provides for quota- and duty-free treatment for apparel articles that are both cut (or knit-to-shape) and sewn or otherwise assembled in one or more CBTPA beneficiary countries from fabric or yarn that is not formed in the United States or a CBTPA beneficiary country, if it has been determined that such fabric or yarn cannot be supplied by the domestic industry in commercial quantities in a timely manner and the President has proclaimed such treatment. In Executive Order No. 13191, the President delegated to CITA the authority to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner under the CBTPA and directed CITA to establish procedures to ensure appropriate public participation in any such determination. On March 6, 2001, CITA published procedures that it will follow in considering requests. (66 FR 13502).

On February 28, 2001 the Chairman of CITA received a petition from Amicale
