Agency Information Collection Activities Under OMB Review; Proposed New Information Collection

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of proposed new information collection.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces the following Information Collection Request (ICR) has been forwarded to the Office of Management and Budget (OMB) for review and comment: Limited Recipient Identification Sheet, Trust Information Sheet for Acreage Limitation, 43 CFR part 426. The ICR describes the nature of the information collection and its expected cost and burden.

DATES: Your comments must be received on or before June 4, 2001.

ADDRESSES: You may send comments regarding the burden estimate, or any other aspect of the information collection, including suggestions for reducing the burden, to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for the Department of the Interior, 725 17th Street, NW., Washington DC 20503. A copy of your comments should also be directed to the Bureau of Reclamation, Attention: D-5200, P.O. Box 25007, Denver, CO 80225-0007.

FOR FURTHER INFORMATION CONTACT: For further information or a copy of the proposed forms contact Stephanie McPhee, D-5200, P.O. Box 25007, Denver, CO 80225-0007; or by telephone: (303) 445-2897.

SUPPLEMENTARY INFORMATION:

Title: Limited Recipient Identification Sheet, Trust Information Sheet for Acreage Limitation, 43 CFR part 426.

Abstract: Identification of limited recipients.

Some entities that receive Reclamation irrigation water may believe themselves to be under the Reclamation Reform Act of 1982 (RRA) forms submittal threshold and consequently, may not submit the appropriate RRA form(s). However, some of these entities may in fact have a different RRA forms submittal threshold than what they believe it to be due to the number of natural persons benefitting from each entity and the location of the land held by each entity. In addition, some entities that are exempt from the requirement to submit

RRA forms due to the size of their landholdings may in fact be receiving Reclamation irrigation water for which the full-cost rate must be paid because the start of Reclamation irrigation water deliveries occurred after October 1, 1981 (43 CFR 426.6(b)(2)). The information obtained through completion of the Limited Recipient Identification Sheet allows us to establish entities' compliance with Federal reclamation law. The proposed Limited Recipient Identification Sheet will be disbursed at our discretion.

Trust Review

We are required to review and approve all trusts (43 CFR part 426.7(b)(2)) in order to ensure trusts meet the regulatory criteria specified in 43 CFR part 426.7. Land held in trust generally will be attributed to the beneficiaries of the trust rather than the trustee if the criteria are met. When we become aware of trusts with a relatively small landholding (40 acres or less), we may extend to those trusts the option to complete and submit for our review the proposed Trust Information Sheet instead of actual trust documents. If we find nothing on the completed, proposed Trust Information Sheet that would warrant the further investigation of a particular trust, that trustee will not be burdened with submitting trust documents to us for in-depth review.

Changes to the RRA Forms and the Instructions to Those Forms

We made no changes (other than typographical changes) from the version of these forms offered in conjunction with the 60-day comment period initiated by the **Federal Register** notice published on January 3, 2001 (66 FR 385, Jan. 3, 2001). The proposed new forms will be effective in the 2002 water year.

Frequency: Generally, these forms will be submitted once per identified entity or trust. Each year, we expect new responses in accordance with the following numbers.

Respondents: Entity landholders and trusts identified by Reclamation that are subject to the acreage limitation provisions of Federal reclamation law.

Estimated Total Number of Respondents: 1,105.

Estimated Number of Responses per Respondent: 1.00.

Estimated Total Number of Annual Responses: 1,105.

*Estimated Total Annual Burden on Respondents: 92 hours.
Estimate of Burden for Each Form:*

Form No.	Estimated No. of respondents	Frequency of response	Total annual responses	Burden estimate per form (in minutes)	Total burden hours
Limited Recipient Identification Sheet	635	1.00	635	5	53
Trust Information Sheet	470	1.00	470	5	39
Total	1,105	1.00	1,105	92
