individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested

party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state

specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of June 2001. If the Department does not receive, by the last day of June 2001, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, codified at 19 CFR part 351 (2000).

Background

On September 29, 2000, in accordance with 19 CFR 351.213(b)(1), the Crawfish Processors Alliance, the Louisiana Department of Agriculture & Forestry and Bob Odom, Commissioner (petitioners), submitted a timely request to the Department for administrative review of eighty-nine entities. On October 30, 2000, the Department published a notice of initiation of administrative review of the antidumping duty order on Freshwater Crawfish Tail Meat from the People's Republic of China, covering the period of September 1, 1999 through August 31, 2000. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Requests for Revocation in Part and Deferral of Administrative Reviews*, 65 FR 64662 (October 30, 2000). On November 13, 2000 and January 29, 2001, the petitioners withdrew their request for review of a number of entities for which reviews were initiated. Even with these withdrawals, thirteen companies have submitted section A questionnaire responses.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Act, the Department may extend the deadline for completion of the preliminary results of a review if it determines that it is not practicable to complete the preliminary results within the statutory time limit of 245 days from the date on which the review was initiated. The Department has determined that it is not practicable to complete the preliminary results of this review within the statutory time limit. The Department must review the thirteen responding companies, as well as all suppliers and affiliated importers. Many of the respondent companies have multiple suppliers and importers. Given

the number of entities involved, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act and section 351.213(h)(1) of the Department's regulations.

Therefore, in accordance with these sections, the Department is extending the time limits for the preliminary results by 120 days, to September 30, 2001.

Dated: June 1, 2001.

Joseph A. Spetrini,

Deputy Assistant Secretary, AD/CVD Enforcement Group III.
