BILLING CODE 6717–01–M

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

25 CFR Part 151

RIN 1076–AD90

Acquisition of Title to Land in Trust

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Final rule.

SUMMARY: This rule revises and clarifies the procedures used by Indian tribes and individuals to request the Secretary of the Interior to acquire title to land into trust on their behalf. It describes the criteria that the Secretary will use in determining whether to exercise his or her authority to accept title to land to be held in trust for the benefit of Indian tribes and individuals. This rule also describes the procedure for mandatory acquisitions of title and establishes a process to address the difficulties encountered by Indian tribes which have no reservation, have no trust land or have trust land the character of which renders it incapable of being developed.

DATES: Effective February 15, 2001.

FOR FURTHER INFORMATION CONTACT:

Questions concerning this rule should be directed to: Terry Virden, Director, Office of Trust Responsibilities, Mail Stop: 4513–MIB, 1849 C Street NW., Washington, DC 20240; telephone: 202–208–5831; electronic mail: TerryVirden@BIA.GOV.

SUPPLEMENTARY INFORMATION: The regulation makes more clear the process that is followed by the Secretary in the

exercise of this discretionary authority. The regulation also makes clear that we will follow a process which reflects (1) a presumption in favor of the acquisition of trust title when an application involves title to lands located inside the boundaries of a reservation (“on-reservation lands”), and (2) a more demanding standard for the acquisition of title when the application involves title to lands located outside the boundaries of a reservation (“off-reservation lands”). The delineation of these differing processes will better enable the Secretary to carry out the responsibility for assisting Indian tribes in re-establishing jurisdiction over land located within their own reservations. It also creates a framework that more adequately addresses concerns non-Indian governments may have about the potential ramifications of placing off-reservation lands into trust.

This regulation also describes the procedure for mandatory acquisitions of title. The general statutory authority giving the Secretary discretion to acquire title to lands in trust is found in section 5 of the Indian Reorganization Act (IRA) of 1934, 25 U.S.C. 465. Occasionally, Congress enacts more narrow legislation granting the Secretary discretionary authority to acquire title to land into trust for some specific purpose. Acquisitions of trust title under the IRA and other more narrow statutes that grant discretionary authority to the Secretary are referred to as “discretionary acquisitions” of title. Mandatory acquisitions of title are those that Congress has directed the Secretary to complete by removing any discretion in the administrative decision making process. The processing of these mandated acquisitions has not always been well-understood. The rule identifies the types of acquisitions that we consider mandatory and defines the process by which we acquire the title.

Finally, this regulation establishes a process to address the unique difficulties encountered by Indian tribes which have no reservations, have no trust land or have trust land the character of which renders it incapable of being developed. The process enables such tribes to designate a “Tribal Land Acquisition Area” (TLAA) in which it plans to acquire land. The TLAA requires approval of the Secretary and, when approved, will enable the tribe to acquire title to the lands within the TLAA into trust under the on-reservation provision of this regulation for a prescribed period of time.

On April 12, 1999, the proposed rule for the acquisition of title to land in trust was published in the **Federal**
