In accordance with § 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with § 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of July 2001. If the Department does not receive, by the last day of July 2001, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for

consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: June 25, 2001.

SUPPLEMENTARY INFORMATION:

Background

On May 21, 1999, the Department published in the **Federal Register** the antidumping duty order on certain stainless steel plate in coils from Belgium (64 FR 27756). On May 31, 2000, in accordance with 19 CFR 351.213, respondent ALZ and its affiliated U.S. importer TrefilARBED, Inc., and the petitioners, Allegheny Ludlum, AK Steel Corporation (formerly Armco, Inc.), J&L Speciality Steel Inc., North American Stainless, Butler-Armco

Independent Union, Zanesville Armco Independent Union, and the United Steelworkers of America, AFL-CIO/CLC (collectively, petitioners), requested a review of the antidumping duty order on certain stainless steel plate in coils from Belgium. On July 7, 2000, we published a notice of "Initiation of Antidumping Review." See 65 FR 41942. On August 14, September 5, and September 15, 2000, ALZ responded to sections A, B and D, then C, respectively, of the Department's antidumping questionnaire. On October 5, 2000, ALZ submitted a timely request for withdrawal from the administrative review pursuant to section 351.213(d) of the Department's regulations, and requested the return or destruction of its questionnaire responses. On October 20, 2000, the petitioners objected to ALZ's request for the return or destruction of the information submitted in the course of the proceeding. In accordance with the Department's practice, we granted ALZ its request to remove its questionnaire responses from the Department's record. For a detailed discussion regarding the removal of questionnaire responses from the administrative record, see *Memorandum to Barbara E. Tillman through Sally Gannon from Abdelali Elouaradia: Return or Destruction of ALZ, N.V. Questionnaire Response*, December 19, 2000 (on file in the Department's Central Records Unit, Room B-099). Given that petitioners also requested a review, we continued conducting this administrative review pursuant to section 751(a) of the Act. In light of the petitioners' request to continue the review process, the Department published in the **Federal Register** the preliminary results of review on February 26, 2001 (66 FR 11559-01), applying adverse facts available in accordance with section 776(b) of the Act to determine ALZ's rate.

Extension of Time Limits for Final Results

The parties in this proceeding have submitted extensive briefs concerning the Department's choice of facts available. In order to consider these comments, it is not practicable to complete this review by the current deadline of June 26, 2001. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results

of review until no later than October 24, 2001.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act and § 351.213(h)(2) of the Department's Regulations.

Dated: June 26, 2001.

Joseph A. Spetrini,

Deputy Assistant Secretary, AD/CVD Enforcement Group III.
