SUPPLEMENTARY INFORMATION: Title V of Pub. L. 105-383 provides authority to the Secretary of Transportation to administratively waive the U.S.-build requirements of the Jones Act, and other statutes, for small commercial passenger vessels (no more than 12 passengers). This authority has been delegated to the Maritime Administration per 49 CFR 1.66, Delegations to the Maritime Administrator, as amended. By this notice, MARAD is publishing information on a vessel for which a request for a U.S.-build waiver has been received, and for which MARAD requests comments from interested parties. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD'S regulations at 46 CFR Part 388.

Vessel Proposed for Waiver of the U.S.-Build Requirement:

(1) Name of vessel and owner for which waiver is requested.

Name of vessel: *Jule III*. Owner: Robert E. Todd.

(2) Size, capacity and tonnage of vessel. According to the applicant: "The sailing vessel *Jule III* is a 38 foot length overall ketch. Passenger capacity is limited to 5 passengers given the cockpit and berthing constraints. Net tonnage is 11 tons (determined by Atlantic Boat Document Inc, 58 Leeland Rd, Edgewater MD, 21037)."

(3) Intended use for vessel, including geographic region of intended operation and trade. According to the applicant: "Non bareboat charter; multi-mast sail training; onboard maritime electronics and communications training; Chesapeake Bay (concentration below West River); Florida East Coast (training only)."

(4) Date and Place of construction and (if applicable) rebuilding. Date of construction: 1978. Place of construction: Arnis/Schlei, Germany.

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. According to the applicant: "The applicant believes that the intended commercial operations of the sailing vessel *Jule III* will have no

adverse effect on other commercial operations for the following reasons:

a. Our major regions (please refer to (8) above) do not have significant commercial operations relative to *Jule III*'s intended use. Non-bareboat Charter (i.e., charter with licensed master) is very uncommon below Annapolis in Maryland and above Norfolk in Virginia.

b. Training specializing in multi-masted sailing vessels of *Jule III*'s size (38 foot ketch) is not routinely conducted in the section 8 regions. Onboard electronics and communications training by a licensed FCC operator is not routinely conducted in the section 8 regions."

(6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: "The applicant believes that approval of the requested waiver will have no impact on United States vessel builders for the following reason: United States vessel builders no longer routinely build or advertise multi masted sailing vessels in the size category of the *Jule III* (38 feet). Multi masted sailing vessels below 50 feet have not been common since the early 1990's."

Dated: June 26, 2001.

By Order of the Maritime Administrator.

Secretary, Maritime Administration.

For the quarter beginning July 1, 2001, the interest rates for overpayments will be 6 percent for corporations and 7 percent

for non-corporations, and the interest rate for underpayments will be 7 percent. This notice is published for the convenience of the importing public and Customs personnel.

EFFECTIVE DATE: July 1, 2001.

FOR FURTHER INFORMATION CONTACT:

Ronald Wyman, Accounting Services Division, Accounts Receivable Group, 6026 Lakeside Boulevard, Indianapolis, Indiana 46278, (317) 298-1200, extension 1349.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 19 U.S.C. 1505 and Treasury Decision 85-93, published in the **Federal Register** on May 29, 1985 (50 FR 21832), the interest rate paid on applicable overpayments or underpayments of Customs duties shall be in accordance with the Internal Revenue Code rate established under 26

U.S.C. 6621 and 6622. Section 6621 was amended (at paragraph (a)(1)(B) by the Internal Revenue Service Restructuring and Reform Act of 1998, Pub. L. 105-206, 112 Stat. 685) to provide different interest rates applicable to overpayments: one for corporations and one for non-corporations.

The interest rates are based on the short-term Federal rate and determined by the Internal Revenue Service (IRS) on behalf of the Secretary of the Treasury on a quarterly basis. The rates effective for a quarter are determined during the first-month period of the previous quarter.

In Revenue Ruling 2001-32 (*see*, 2001-26 IRB 1, dated June 25, 2001), the IRS determined the rates of interest for the fourth quarter of fiscal year (FY) 2001 (the period of July 1-September 30, 2001). The interest rate paid to the Treasury for underpayments will be the

short-term Federal rate (4%) plus three percentage points (3%) for a total of seven percent (7%). For corporate overpayments, the rate is the Federal short-term rate (4%) plus two percentage points (2%) for a total of six percent (6%). For overpayments made by non-corporations, the rate is the Federal short-term rate (4%) plus three percentage points (3%) for a total of seven percent (7%). These interest rates are subject to change the first quarter of FY-2002 (the period of October 1-December 31, 2001).

For the convenience of the importing public and Customs personnel the following list of IRS interest rates used, covering the period from before July of 1974 to date, to calculate interest on overdue accounts and refunds of Customs duties, is published in summary format.
