

Gas' blanket certificate issued in Docket CP83-76-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket #" from the RIMS Menu and follow the instructions (please call (202) 208-2222 for assistance).

Columbia Gas states that the new point of delivery will consist of installing a tap and a valve and that the estimated quantity of natural gas to be delivered at the new delivery point is 3,600 dekatherms per day. Columbia Gas declares that the estimated cost of construction is \$20,890. Columbia Gas states that service is currently being provided by Ohio Cumberland Gas Company (Ohio Cumberland). Columbia Gas asserts that Ohio Cumberland has waived its rights to continue providing the service.

Columbia Gas states that the quantities of natural gas to be provided through the new point of delivery will be within Columbia Gas's authorized level of services. Columbia Gas asserts there is no impact on their existing design day and annual obligations to the customers as a result of the construction and operation of the new delivery point for firm transportation service.

Any questions regarding the application should be directed to Fredric J. George, Attorney, Columbia Gas Transmission Corporation, P.O. Box 1273, Charleston, West Virginia 25325-1273, at (304) 357-2359, Telecopier: (304) 357-3206.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 285.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no request is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. ### Standard Paragraph

E. Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of these filings are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.
