

DEPARTMENT OF INTERIOR**Bureau of Land Management****[CA-180-1630/PD]****Camping and Firearms Restrictions****ACTION:** Final supplementary rules and written orders.

SUMMARY: In previous **Federal Register** Notices, the Bureau of Land Management (BLM) has enacted numerous Supplementary Rules and Orders to provide management and protection of Public Lands and resources. The BLM has republished those existing Supplementary Rules and Orders to correct typographical errors, correct administrative errors, to review the need for the Rule, and to provide for additional public comment. The proposed Supplementary Rules and Written Orders were published in the **Federal Register** September 5, 2000 (Volume 65, Number 172, page 53746).

No comments were received to the proposed Supplementary Rules and Written Orders. Two changes were to the proposed Supplementary Rules and Written Orders. A change was made to correct an error in the legal description for the Supplementary Rules for the Red Hills. The second change was deleting "and persons visiting registered campers" from section (g) of the Merced River Written Orders. No other changes were made from the proposed Supplementary Rules and Written Orders.
