CMI Industries, Inc.; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on April 13, 2001, applicable to workers of CMI Industries, Inc., Clinton Fabric Division, Clinton, South Carolina. The notice was published in the **Federal Register** on May 2, 2001 (66 FR 22007).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of griegre woven fabric. New information shows that some workers separated from employment at the subject firm had their wages reported under a separate

unemployment insurance (UI) tax account for Defender Services, Inc.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of CMI Industries, Inc. who were adversely affected by increased imports of griegre woven fabric.

The amended notice applicable to TA-W-38,442 is hereby issued as follows:

All workers of CMI Industries, Inc., Clinton Fabric Division, Defender Services, Inc., Clinton, South Carolina (TA-W-38,442), Bailey Plant, Clinton, South Carolina (TA-W-38,442A), Vance Complex, Clinton, South Carolina (TA-W-38,442B) and Administrative Office, Clinton, South Carolina (TA-W-38,442C) who became totally or partially separated from employment on or after December 4, 1999 through April 13, 2003 are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974.

Signed at Washington, DC this 29th day of June, 2001.

Hobman Corporation Jim Thorpe, Pennsylvania; Notice of Revised Determination on Reconsideration

On February 6, 2001, the Department accepted a request from petitioners for reconsideration of the Department of Labor's Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance applicable to workers of the subject firm. The notice was published in the **Federal Register** on February 20, 2001 (66 FR 10918).

The initial investigation resulted in a negative determination because the "contributed importantly" test of the Group Eligibility Requirements of the Trade Act was not met for workers at the subject firm. The workers at Hobman Corporation in Jim Thorpe, Pennsylvania, produced model train transformers and plastics. The denial notice was published in the **Federal Register** on November 16, 2000 (65 FR 69342).

On reconsideration, the Department obtained new information from the

company regarding the production at the subject firm plant. Although the subject firm sales consisted of model train transformers and plastics, workers at the plant produced power packs during the time relevant to the investigation. New findings of the investigation show that from 1998 to 1999, the subject firm increased imports of power packs and plastics. The Hobman Corporation, Jim Thorpe, Pennsylvania plant closed in September 2000, and the production was transferred to another U.S. facility.

Conclusion

After careful consideration of the new facts obtained on reconsideration, it is concluded that increased imports of articles like or directly competitive with the articles produced by the subject firm contributed importantly to the decline in sales or production and to the total or partial separation of workers of Hobman Corporation, Jim Thorpe, Pennsylvania. In accordance with the provisions of the Trade Act of 1974, I make the following revised determination:

All workers at Hobman Corporation, Jim Thorpe, Pennsylvania, who became totally or partially separated from employment on or after August 10, 1999, through two years from the date of certification, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, DC this 25th day of June 2001.

International Paper (Castigan Mill; Passadumkeag Mill); Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of May 10, 2001, counsel on behalf of the company, requests administrative reconsideration of the Department's negative determination regarding eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of the subject firm plants. The denial notice was signed on March 13, 2001, and was published in the **Federal Register** on April 16, 2001 (66 FR 19520).

The company presents new information regarding U.S. imports of stud trade lumber.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of The JPM Company, San Jose, California who were adversely affected by increased imports of wire harnesses and cable assemblies.

The amended notice applicable to TA-W-38,656 is hereby issued as follows:

All workers of The JPM Company, Denron, Inc., San Jose, California who became totally or partially separated from employment on or after January 28, 2000 through April 9, 2003 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.
