Description: The National Longitudinal Survey of Youth 1979 represents the 20th wave of data collection. The information obtained in this survey will be used by the Department of Labor (DOL), other government agencies, academic researchers, the news media, and the general public to understand the employment experiences and life-cycle transitions of men and women born in the years 1957 to 1964 and living in the United States when the survey began in 1979. Among the objectives of the DOL are to promote the development of the U.S. labor force and the efficiency of the U.S. labor market.

Office of the Secretary

Submission for OMB Review; Comment Request

September 28, 2001.

The Department of Labor (DOL) has submitted the following public information collection requests (ICRs) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). A copy of each individual ICR, with applicable supporting documentation, may be obtained by calling the Department of Labor. To obtain documentation contact Darrin King at (202) 693-4129 or E-Mail: King-Darrin@dol.gov.

Comments should be sent to Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for ETA, Office of Management and Budget, Room 10235, Washington, DC 20503 ((202) 395-7316), within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

* Evaluate whether the proposed collection of information is necessary for the proper performance of the

functions of the agency, including whether the information will have practical utility;

* evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

* enhance the quality, utility, and clarity of the information to be collected; and

* minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
