4.0 Conclusion

Accordingly, the Commission has determined that, pursuant to 10 CFR 50.12(a), the exemption is authorized by law, will not endanger life or property or common defense and security, and is, otherwise, in the public interest. Also, special circumstances are present. Therefore, the Commission hereby grants CP&L an exemption from the requirements of 10 CFR 50, appendix G, for generating the P-T limit curves for BSEP.

Pursuant to 10 CFR 51.32, the Commission has determined that the granting of this exemption will not have a significant effect on the quality of the human environment (66 FR 50458).

This exemption is effective upon issuance.

SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration on the American Stock Exchange LLC (Media General, Inc., Class A Common Stock, \$5.00 par value) File No. 1-6383

October 3, 2001.

Media General, Inc., a Virginia Corporation ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Class A Common Stock, \$5.00 par value ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex").

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in effect in the Commonwealth of Virginia, in which it is incorporated, and with the Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration. The Issuer's application relates solely to the Security's withdrawal from listing on the Amex and registration under Section 12(b) of the Act³ and shall not affect its obligation to be registered under Section 12(g) the Act.⁴

On August 15, 2001, the Board of Directors of the Issuer approved resolutions to withdraw the Issuer's Security from listing on the Amex and list it on the New York Stock Exchange, Inc. ("NYSE"). In its application, the

Issuer states that trading in the Security on the Amex will cease on September 18, 2001, and trading in the Security is expected to begin on the NYSE at the opening of business on September 19, 2001. In making the decision to withdraw the Security from listing on the Exchange, the Issuer considered the potential of increased liquidity for its Security by listing on the NYSE.

Any interested person may, on or before November 5, 2001, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁵

Jonathan G. Katz,

Secretary.
