

transfers (EFT's) are processed each year; 200 RI 38-31 forms will be completed annually while 7,600 telephone calls are received at OPM. We estimate it takes approximately 10 minutes to complete the form for missing Treasury checks or to report the missing payment by telephone. The annual burden for reporting missing checks is 1,300 hours. The remaining 200 reports are about missing EFT payments. Since people have realized that they can report on the telephone, no missing EFT payments are reported using RI 38-31. The annual burden of reporting 200 missing EFT payments by telephone is 33 hours. The combined burden for collecting this information is 1,333 hours. In 1998 we included a total burden of 25 hours because 50 missing EFT payments were reported using RI 38-31. It takes an estimated 30 minutes to report a missing EFT payment using RI 38-31. The total burden is 17 hours lower because RI 38-31 is no longer used to report missing EFT payments.

Tell Us How We're Doing!": SEC File No. 270-406, OMB Control No. 3235-0463

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this previously-approved questionnaire to the Office of Management and Budget for approval.

The title of the questionnaire is "Tell Us How We're Doing!"

The Commission currently sends the questionnaire to persons who have used the services of the Commission's Office of Investor Education and Assistance. The questionnaire consists mainly of eight (8) questions concerning the quality of services provided by OIEA. Most of the questions can be answered by checking a box on the questionnaire.

The Commission needs the information to evaluate the quality of services provided by OIEA. Supervisory personnel of OIEA use the information collected in assessing staff performance and for determining what improvements or changes should be made in OIEA operations for services provided to investors.

The respondents to the questionnaire are those investors who request assistance or information from OIEA.

The total reporting burden of the questionnaire in 2001 was approximately 5 hours. This was calculated by multiplying the total number of investors who responded to the questionnaire times how long it is estimated to take to complete the questionnaire (20 respondents × 15 minutes = 5 hours).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate

of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: November 28, 2001.

Deputy Secretary.
