The period of review is June 1, 2000, through November 30, 2000.<sup>1</sup> The administrative review covers four manufacturers/exporters and the period November 1, 1999, through October 31, 2000. #### The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act and all citations to the Department of

<sup>1</sup> The period of review for the new shipper review was established in accordance with 19 CFR 351.(g)(1)(ii)(B)

Commerce's regulations are to 19 CFR part 351 (2000).

### Background

On February 9, 2001, the petitioner submitted a request for alignment of the new shipper and administrative reviews. Clipper Manufacturing Co. Ltd. responded to the Department that it did not object to the petitioner's request. See Memorandum to the File regarding alignment of new shipper and administrative reviews (Feb. 19, 2001). Therefore, we are conducting these two reviews simultaneously.

On August 24, 2001, the Department published the preliminary results of the new shipper and administrative reviews of the antidumping duty order on fresh garlic from the People's Republic of China. See *Fresh Garlic from the People's Republic of China; Preliminary Results of Antidumping New Shipper Review, Preliminary Results of Antidumping Duty Administrative Review, and Partial Rescission of Administrative Review*, 66 FR 44596 (August 24, 2001). We invited parties to comment on our preliminary results. With respect to the new shipper review, we received comments from the petitioner and the new shipper, Clipper Manufacturing Co. Ltd. We received comments from the petitioner and one of the respondents, Fook Huat Tong Kee Pte., Ltd., and Taian Fook Huat Tong Kee Foods Co., Ltd. (collectively FHTK), that pertained to the administrative review. The final results for these reviews are currently due no later than December 22, 2001.

### Extension of Time Limits for Preliminary Results for New Shipper and Administrative Reviews

The comments we received concerning our preliminary results present a number of complex factual and legal questions about the assignment of antidumping duty margins. In addition, we have determined that, in the new shipper review, we may need additional information in order to complete our analysis in that review. Therefore, it is not practicable to complete the reviews within the time limits mandated by section 751(a)(3)(A) of the Act. Consequently, we are extending the time limit for the final results of the reviews to February 2, 2002.

Dated: December 18, 2001.

### Polyethylene Terephthalate Film Sheet, and Strip From Korea; Notice of Rescission of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of rescission of the antidumping duty administrative review.

**SUMMARY:** On July 23, 2001, in response to requests by Hyosung Corporation (Hyosung) and H.S. Industries (HSI), the Department of Commerce (the Department) published a notice of initiation of antidumping duty administrative review of Polyethylene Terephthalate Film, Sheet and Strip from Korea, for the period June 1, 2000 through May 31, 2001. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 66 FR 38252 (July 23, 2001). Hyosung has timely withdrawn its request for review; therefore, the Department is rescinding this review with respect to Hyosung in accordance with the withdrawal of their request for review. Furthermore, the Department revoked the order with respect to HSI subsequent to initiating this review. It would be inappropriate for the Department to continue to review entries of the subject merchandise by HSI. Therefore, the Department is rescinding this review with respect to HSI.

**EFFECTIVE DATE:** December 27, 2001.

**FOR FURTHER INFORMATION CONTACT:** Michael J. Heaney or Robert James, Enforcement Group III, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4475 and (202) 482-0649, respectively.

### SUPPLEMENTARY INFORMATION:

#### Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Tariff Act), are references to the provisions effective January 1, 1995, the effective date of the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations codified at 19 CFR part 351 (2001).

### Background

On June 5, 1991 the Department published the antidumping duty order on polyethylene terephthalate film, sheet and strip from Korea. See *Antidumping Duty Order and Amendment to Final Determination of Less Than Fair Value: Polyethylene Terephthalate Film, Sheet and Strip from the Republic of Korea*, 56 FR 25660 (June 5, 1991). On June 29, 2001, HSI and Hyosung, producers of the subject merchandise, requested that the Department conduct an administrative review of their respective sales for the period June 1, 2001 through May 31, 2001. There were no other requests for review. On July 23, 2001, the Department published a notice of initiation of antidumping duty administrative review of polyethylene terephthalate film, sheet and strip from Korea, in accordance with 19 CFR 351.221(c)(1)(i). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 66 FR 38252 (July 23, 2001). On August 7, 2001, Hyosung withdrew its request for review. On November 15, 2001, we revoked the order with respect to HSI. (See *Polyethylene Terephthalate, Film, Sheet, and Strip from Korea: Final Results of Antidumping Duty Administrative Review and Revocation in Part* 66 FR 57417 (November 15, 2001)).

### Rescission of Review

The Department's regulations provide that the Department will rescind an administrative review "if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." See 19 CFR 351.213(d)(1). Hyosung's withdrawal of its request for review was within the 90-day time limit. Therefore, the Department is rescinding this review with respect to Hyosung in accordance with 19 CFR 351.213(d)(1).

As a result of Hyosung's withdrawal of its request for review, the revocation of the order with respect to HSI, and because the Department received no other requests for review, the Department is rescinding the administrative review for the period June 1, 2000 through May 31, 2001, and will issue appropriate assessment instructions to the U.S. Customs Service.
