DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a consent decree in *United States v. Berks Associates et al.*, Civil Action No. 91-4868 (E.D. Pa.) was lodged on January 19, 2001, with the United States District Court for the Eastern District of Pennsylvania. The consent decree resolves the claims of the United States under section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9607(a), for reimbursement of response costs incurred by the U.S. Environmental Protection Agency ("EPA") in connection with the Douglassville Disposal Superfund Site located in Douglassville, Berks County,

Pennsylvania. The settling defendants are Conrail, Cabot Corporation, CSX Transportation, Inc., the Glidden Company, Lehigh Valley Railroad, American Premier Underwriters, Inc., Kimberly Clark Corporation, Shell Oil Company, Southeastern Pennsylvania Transportation Authority, Chevron, and A&A Waste Oil, and Lester Schurr d/b/a Berks Associates, Inc.

In addition, the consent decree resolves counterclaims of the settling defendants against 8 federal agencies including the Departments of Defense, Army, Air Force, Navy, U.S. Coast Guard, U.S. Mint, U.S. Post Office, and the U.S. Government Printing Office.

Under the terms of the consent decree, EPA would receive reimbursement of \$13.85 million in costs incurred by EPA at the Site. In addition, the settling defendants (with the exception of Lester Schurr, Berks Associates, and A&A Waste Oil) agree to implement a soil stabilization remedy at the Site. The settling federal agencies will pay \$5,366,922 toward reimbursement of EPA's past response cost and \$978,712 toward reimbursement of private party defendant response costs. In addition, the settling federal agencies will pay \$3,255,029 toward the implementation of the soil stabilization remedy.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, U.S. Department of Justice, Washington, DC 20530, and should refer to *United States v. Berks Associates et al.* DOJ # 90-11-2-303. The proposed consent decree may be examined at the offices of the United States Attorney, 615 Chestnut Street, Suite 1250, Philadelphia, PA 19106-4476. A copy of the consent decree may also be obtained by mail from the U.S. Department of Justice Consent Decree Library, P.O. Box 7611, Washington, DC 20044. In requesting a copy, please refer to the referenced-case and enclose a check in the amount of \$35.50 (25 cents per page reproduction cost exclusive of exhibits), payable to the Consent Decree Library.

Notice of Lodging of Consent Decree Under the Clean Air Act

Notice is hereby given that on January 18, 2001, a proposed Consent Decree in *United States v. CENCO Refining Co.*, Civil Action No. CV 01-00512-RSWL (AIJx) was lodged with the United States District Court for the Central District of California.

This consent decree represents a settlement of claims brought against CENCO Refining Co. ("CENCO") under 28 U.S.C. 2201(a) and Section 113(b) of the Clean Air Act ("the Act"), 42 U.S.C. 7413(b), for a declaratory judgment that CENCO's building, erecting installing, altering and/or replacing of any equipment at its oil refining facility that may cause the issuance of air contaminants without first obtaining all pre-construction permits required under the Act and the California State Implementation Plan, violates the Act and the California State Implementation Plan, entitling the United States to injunctive relief and civil penalties against CENCO.

Under the proposed settlement, CENCO will undertake significant injunctive measures designed to limit the facility's emissions of nitrogen oxides, sulfur oxides and volatile organic compounds.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, PO Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. CENCO Refining Co.*, D.J. Ref. 90-5-2-1-07306. A copy of all comments should also be sent to Matthew A. Fogelson, U.S. Department of Justice, Environment and Natural Resources Division, Environmental Enforcement Section, 301 Howard Street, San Francisco, CA 94105.

The Consent Decree may be examined at the Office of the United States Attorney, 300 North Los Angeles Street, Room 7516, Federal Building, Los Angeles, California, and at U.S. EPA Region 9, 75 Hawthorne Street, San Francisco, California. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, PO Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. In requesting a copy, please enclose a check in the amount of \$5.25 (25 cents

Notice of Lodging of Consent Decree Under the Clean Water Act

Notice is hereby given that on January 18, 2001, a proposed Consent Decree in *United States and State of Georgia v. Dalton Utilities, et al.*, Civil Action No. 4:98-CV-191-HLM was lodged with the United States District Court for the Northern District of Georgia.

In this action the United States and the State of Georgia sought civil penalties and injunctive relief to address violations of the Clean Water Act in the wastewater operations of Dalton Utilities, part of the municipality of Dalton, Georgia. In particular, the United States and State of Georgia alleged unlawful discharges from the collection system and land application system, unlawful disposal of sewage sludge, and violations of Dalton Utilities' pretreatment program. In the Consent Decree, the defendants agree to pay a civil penalty of \$6 million and to perform various injunctive relief. The defendants agree to submit to audits of their collection system and pretreatment program, and to make improvements identified during the audits. The defendants agree to monitor their land application system for one year and to correct the causes of any discharges. The State of Georgia agrees to issue a draft NPDES permit covering the land application system at the end of the monitoring period. The defendants also agree to a permanent injunction against the land application of sewage sludge and to remediate, if necessary, fields formerly used for sludge disposal.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, PO Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States and State of Georgia v. Dalton Utilities, et al.*, D.J. Ref. 90-5-1-1-4436.

The Consent Decree may be examined at the Office of the United States Attorney, 73 Spring Street, SW, Suite 1800, Atlanta, Georgia, and at U.S. EPA

Region 4, 61 Forsyth Street, SW, Atlanta, Georgia. Notice of Lodging of Consent Decree Pursuant to the Clean Air Act

In accordance with 28 CFR 50.7, notice is hereby given that on January 25, 2001 a proposed consent decree in *United States v. The Michael's Furniture Company*, Civil Action No. S-00-798 DFL GGH, was lodged with the United States District Court for the Eastern District of California.

In this action, which concerned the Michael's Furniture Company's facility in Sacramento, California, the United States alleged that the company initiated the construction, modification or operation of a stationary source of pollution without first obtaining the necessary permits from the local air district, failed to install the best available control technology, and exceeded the emission limitations in the permits that the company did obtain. The consent decree requires the company to pay a \$185,500 penalty (plus interest) and, among other things, to (i) limit emissions of volatile organic compounds ("VOCs") to 2,500 pounds per month and 7,500 pounds per quarter, (ii) operate its thermal oxidizer to achieve a 95 percent capture efficiency and 95 percent destruction efficiency of VOCs, and (iii) apply for new permits to operate from the local air district that reflect the requirements established in the consent decree.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments on the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. The Michael's Furniture Company*, Civil Action No. S-00-798

DFL GGH (E.D. Cal.), DOJ NO. 90-5-2-1-06556.

The proposed consent decree may be examined at the office of the United States Attorney, 501 "I" Street, Sacramento, CA, and may also be obtained by mail from the Consent Decree Library, PO Box 7611, U.S. Department of Justice, Washington, DC 20044-7611.
