SUPPLEMENTARY INFORMATION:

Title: 30 CFR Part 256, Leasing of Sulphur or Oil and Gas in the Outer Continental Shelf.

OMB Control Number: 1010-0006.

Abstract: The Outer Continental Shelf (OCS) Lands Act, as amended, 43 U.S.C. 1331 *et seq.*, requires the Secretary of the Interior to preserve, protect, and develop offshore oil and gas resources; to make such resources available to meet the Nation's Energy needs as rapidly as possible; to balance orderly energy resource development with protection of the human, marine, and coastal environments; to ensure the public a fair and equitable return on the resources of the OCS; and to preserve and maintain free enterprise competition. The Energy Policy and Conservation Act of 1975 (EPCA) prohibits certain lease bidding arrangements (42 U.S.C. 6213 (c)).

The Independent Offices Appropriations Act of 1952 (IOAA), 31 U.S.C. 9701, authorizes Federal agencies to recover the full cost of services that provide special benefits. Under the Department of the Interior's (DOI) policy implementing the IOAA, MMS is required to charge the full cost for services that provide special benefits or privileges to an identifiable non-Federal recipient above and beyond those that accrue to the public at large. Instruments of transfer of a lease or interest are subject to cost recovery, and MMS regulations specify filing fees for these transfer applications.

Responses are required to obtain or retain a benefit. No questions of a "sensitive" nature are asked. The individual responses to Calls for Information are the only information collected involving the protection of confidentiality. MMS protects specific individual replies from disclosure as proprietary information according to section 26 of the OCS Lands Act and 30 CFR 256.10(d).

MMS uses the information to determine if applicants are qualified to hold leases in the OCS and specifically to:

- Verify the qualifications of a bidder on an OCS lease sale. Once the required information is filed with MMS, a qualification number is assigned to the bidder so that duplicate information is not required on subsequent filings.
