Part I. General Information*A. Background*

The purpose of the MSFW youth program is to provide an effective and comprehensive array of educational opportunities, employment skills, and life enhancement activities to at-risk MSFW youth that lead to academic success, economic stability and development into productive members of society.

The MSFW Youth program is described at 20 CFR 669.600 through 669.680. It is designed:

- (1) to strengthen the ability of eligible farmworker youth to obtain or retain unsubsidized employment, or
- (2) to stabilize their unsubsidized employment by providing related assistance, integrated and coordinated with other appropriate services.

B. MSFW Youth Participant Eligibility

Eligible participants must be 14 to 21 years of age, and a farmworker or a dependent of farmworker parent(s) (or guardian(s)) as defined in section 167(h) of the Workforce Investment Act and at 20 CFR part 669.

Eligible farmworkers are those economically disadvantaged persons who, for 12 consecutive months out of the 24 months preceding their application for services, have been primarily employed in agricultural labor that is characterized by chronic unemployment or underemployment. Complete eligibility requirements will be provided upon request.

C. Eligible Entities

To be eligible for receipt of funds under this program, an organization must have:

- (1) Documented experience in providing services to migrant and seasonal farmworker youth;
- (2) a working familiarity with the geographic area to be served and be able to show its ability to work within the existing service environment;
- (3) the capacity to administer the program of activities and services proposed for MSFW youth; and
- (4) the appropriate legal status to enter into a grant agreement with the U.S. Department of Labor (e.g. a private non-profit corporation or a unit of State or local government).

D. Consultation With Governors and Local Boards

Executive Order No. 12372, "Intergovernmental Review of Federal Programs," and the implementing regulations at 29 CFR part 17, are applicable to this program. Under these requirements, the applicant must provide a copy of the application for comment to the States that have established a consultation process under the Executive Order. Applications must be submitted to the State's Single Point of Contact (SPOC) no later than the deadline for submission of the application to the Department.

For States that have not established a consultative process under Executive Order No. 12372, and have established a State Workforce Investment Board (State Board), the State Board will be the SPOC. For WIA implementation purposes, this consultation process fulfills the requirement of WIA section 167(e) concerning consultation with Governors and Local Boards. To strengthen the implementation of Executive Order No. 12372, the Department establishes the following time-frame for its treatment of comments from the State's SPOC on WIA section 167 applications:

1. The SPOC must submit comments, if any, to the Department and to the applicant, no later than 30 days after the deadline date for submission of applications;
2. The applicant's response to the SPOC comments, if any, must be submitted to the Department no later than 15 days after the post-marked date of the comments from the SPOC;
3. The Department will notify the SPOC of its decision regarding the SPOC comments and applicant response; and
4. The Department will implement that decision within 10 days after it has notified the SPOC.

E. Grant Duration and Period of Performance

The Department anticipates that grants will be funded for two one-year time periods—with funding in the second year contingent on satisfactory performance during the first year and the availability of funding in the second year. The period of performance for the first year is expected to commence April 1, 2002.

Part II. Application Process and Guidelines*A. Submission of the Grant Application Package*

Applicants must submit an original and three (3) copies of the complete application package for review.

Applications must be mailed no later than five (5) days prior to the closing date for the receipt of applications. However, if applications are hand-delivered, they must be received at the designated place by 4:00 p.m., Eastern Standard Time on the closing date for receipt of applications. All overnight mail will be considered to be hand-delivered and must be received by the specified time and closing date. Telegraphed, faxed and e-mailed proposals will not be honored. Applications that do not adhere to the above instructions will not be honored.

B. Late Applications

Any applications received at the office designated in the solicitation after the exact time specified for receipt will not be considered unless it

(1) Was sent by U.S. Postal Service registered or certified mail not later than the fifth calendar day before the closing date specified for receipt of applications (e.g. an offer submitted in response to a solicitation requiring a receipt of application by the 30th of January must have been mailed by the 25th); or

(2) Was sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5 p.m. at the place of mailing two (2) working days prior to the date specified for receipt of application. The term "working days" excludes weekends and U.S. Federal holidays.

The only acceptable evidence to establish the date of a late application sent by U.S. Postal Service registered or certified mail is the U.S. postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. Both postmarks must show a legible date or the proposal will be processed as if it had been mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been applied or affixed by an employee of the U.S. Postal Service on the date of mailing. Therefore, applications should request the postal clerk to place a legible hand cancellation "bull's eye" postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the date of mailing of a late application sent by "Express Mail Next Day Service-Post Office to Addressee" is the date entered by the post office receiving clerk on the Express Mail Next Day Service-Post Office to Addressee label and the postmarks on both the envelope and wrapper and the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as

defined above. Therefore, an applicant should request the postal clerk to place a legible hand cancellation "bull's eye" postmark on both the receipt and the envelope or wrapper.

C. Withdrawal of Applications

Applications may be withdrawn by written notice or telegram (including mailgram) received at any time before the award. Applications may be withdrawn in person by the applicant or by an authorized representative thereof, if the representative's identity is made known and representative signs a receipt for the proposal.

D. Grant Application Package

The grant application package must consist of:

(1) A Standard Form 424 (Application for Federal Assistance) found in OMB Circular A-102 and as an attachment to this Solicitation.

(2) A Standard Form 424A (Budget) found in OMB Circular A-102 and as an attachment to this Solicitation. Budgets are required only for the first year of the two-year plan and designation period. Administrative costs are limited to 15 percent of the total grant award.

(3) A certification, prepared within the last six months prior to the submission of this application, attesting to the adequacy of the entity's fiscal management and accounting systems to account for and safeguard Federal funds properly. The required certification must be obtained as follows:

- a. For incorporated organizations, from a Certified Public Accountant.
- b. For public agencies, by its Chief Fiscal Officer.

(4) A statement describing the entity's legally constituted authority under which the organization functions. A nonprofit organization should submit a copy of its Charter or Articles of Incorporation, including proof of the organization's nonprofit status;

(5) A copy of the current indirect cost rate agreement issued by the cognizant federal agency, if applicable.

(6) The completed grant application as described below.

To ensure full consideration, the application must follow the numerical sequence of the sections 1 through 5 as presented in II E of this solicitation immediately below. The application must include a table of contents. To ensure your application is considered fully, be sure to respond completely to each section. All attachments should be included at the end under a section 6 heading.

The Grant Officer will give appropriate consideration to an entity in any service area for which the entity has been designated as a WIA section 167 MSFW program grantee (20 CFR 669.630). Further, the Grant Officer will make selections that promote a geographic distribution of funds where merited (20 CFR 669.650). The Grant Officer may, at his/her discretion, request an applicant to submit additional or clarifying information if deemed necessary to make a selection. However, selections may be made without further contact with the applicants.

Responsibility Review

Prior to awarding a grant to any applicant, the Department will conduct a responsibility review. The responsibility review is an analysis of available information and records to determine if an applicant has established a satisfactory history of accounting for Federal funds and property. The responsibility review is independent of the competitive process. Applicants failing to meet the requirements of this section may be disqualified for designation as a grantee without respect to their standing in the competitive process. An applicant that is not selected as a result of the Grant Officer's responsibility review will be advised of its appeal rights. The responsibility tests that will be considered are required by the WIA regulations at 20 CFR 667.170.

application denied in whole or in part by the Department for receipt of funds, will be notified in writing by the Grant Officer and will be advised of all appeal rights.

Notification of Selection

Applicants that are selected will be notified in writing by the Grant Officer. Formal designation as a grantee will be contingent on the successful negotiation of a grant agreement for the first year of operation.

Prohibited Transaction Exemption 2002-01; Grant of Individual Exemptions; Key Trust Company of Ohio, et al.

AGENCY: Pension and Welfare Benefits Administration, Labor.

ACTION: Grant of individual exemptions.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

Notices were published in the **Federal Register** of the pendency before the Department of proposals to grant such exemptions. The notices set forth a summary of facts and representations contained in each application for exemption and referred interested persons to the respective applications for a complete statement of the facts and representations. The applications have been available for public inspection at the Department in Washington, DC. The notices also invited interested persons to submit comments on the requested exemptions to the Department. In addition, the notices stated that any interested person might submit a written request that a public hearing be held (where appropriate). The applicants have represented that they have complied with the requirements of the notification to interested persons. No public comments and no requests for a hearing, unless otherwise stated, were received by the Department.

The notices of proposed exemption were issued and the exemptions are being granted solely by the Department because, effective December 31, 1978, section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996), transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.

Statutory Findings

In accordance with section 408(a) of the Act and/or section 4975(c)(2) of the Code and the procedures set forth in 29 CFR Part 2570, Subpart B (55 FR 32836, 32847, August 10, 1990) and based upon

the entire record, the Department makes the following findings:

(a) The exemptions are administratively feasible;

(b) They are in the interests of the plans and their participants and beneficiaries; and

(c) They are protective of the rights of the participants and beneficiaries of the plans.
