**Office of Justice Programs**

**Agency Information Collection Activities: Proposed Collection; Comment Request**

**ACTION:** 30-day notice of information collection under review: reinstatement, with change, of a previously approved collection for which approval has expired; annual survey of jails.

The Department of Justice, Office of Justice Programs, Bureau of Justice Statistics, has submitted the following information collection requires for review and clearance in accordance with the Paperwork Reduction Act of 1995. Office of Management and Budget approval is being sought for the information collection listed below. This proposed collection was previously published in the **Federal Register** on

January 4, 2002, Volume 67, page 609, allowing for a 60-day public comment period.

The purpose of this notice is to allow an additional 30 days for public comment until May 1, 2002. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC 20530. Additionally, comments may be submitted to OMB via facsimile to (202) 395-7285.

Written comments and/or suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Overview of this information collection:
