

and (2) material injury to the domestic industry.

The Department's procedures for the conduct of sunset reviews are set forth in 19 CFR 351.218. Guidance on methodological or analytical issues relevant to the Department's conduct of sunset reviews is set forth in the

Department's Policy Bulletin 98:3—*Policies Regarding the Conduct of Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders; Policy Bulletin*, 63 FR 18871 (April 16, 1998) ("*Sunset Policy Bulletin*").

**Background**

*Initiation of Review*

In accordance with 19 CFR 351.218, we are initiating a sunset review of the following antidumping duty order:

DOC Case No.	ITC Case No.	Country	Product
A-588-840 .....	731-TA-748	Japan .....	Gas Turbo-Compressor Systems

*Filing Information*

As a courtesy, we are making information related to sunset proceedings, including copies of the *Sunset Regulations* (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists, available to the public on the Department's sunset Internet website at the following address: "<http://ia.ita.doc.gov/sunset/>".

All submissions in this sunset review must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303. Also, we suggest that parties check the Department's sunset website for any updates to the service list before filing any submissions. The Department will make additions to and/or deletions from the service list provided on the sunset website based on notifications from parties and participation in this review. Specifically, the Department will delete from the service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review are, in many instances, very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

*Information Required From Interested Parties*

Domestic interested parties (defined in 19 CFR 351.102) wishing to participate in this sunset review must respond not later than 15 days after the

date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review.

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the sunset review must file substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for foreign and domestic parties. Also, note that the Department's information requirements are distinct from the International Trade Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of sunset reviews.<sup>1</sup> Please consult the Department's regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

<sup>1</sup> A number of parties commented that these interim-final regulations provided insufficient time for rebuttals to substantive responses to a notice of initiation, 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

Dated: April 25, 2002.

### Applicable Statutes and Regulations

Unless otherwise indicated, all citations to the statute are references to provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930, (the Act) by the Uruguay Round Agreements Act, and all citations to the Department of Commerce's (the Department's) regulations are to 19 CFR Part 351 (2001).

### Statutory Time Limits

Section 751(a)(3)(A) of the Act requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

### Background

On July 23, 2001, the Department published the notice of initiation of the antidumping administrative review on certain non-frozen apple juice concentrate from the People's Republic of China (PRC) covering the period from November 23, 1999 through May 31, 2001. (*See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 66 FR 38252 (July 23, 2001)). On February 1, 2002, the Department postponed the preliminary results of this review by 60 days. (*See Certain Non-frozen Apple Juice Concentrate from the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the First Administrative Review*, 67 FR 5788 (February 7, 2002)). Accordingly, the preliminary results are currently due not later than May 1, 2002.

### Extension of Time Limits for Preliminary Results

Due to the number of companies and the complexity of the issues, including the collection of surrogate value information, it is not practicable to issue the preliminary results within the originally anticipated time limit (*i.e.*, May 1, 2002). (*See Memorandum from Team to Richard W. Moreland, "Extension of Time Limit for Preliminary Results,"* dated, April 26, 2002. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the completion of preliminary

results in this case by an additional 60 days, (*i.e.*, until not later than July 1, 2002).

This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

### Certain Steel Concrete Reinforcing Bars From Turkey; Preliminary Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** In response to a request by the petitioner and two producers/exporters of the subject merchandise, the Department of Commerce is conducting an administrative review of the antidumping duty order on certain steel concrete reinforcing bars from Turkey. This review covers three manufacturers/exporters of the subject merchandise to the United States. This is the fourth period of review, covering April 1, 2000, through March 31, 2001.

We have preliminarily determined that sales have been made below the normal value by certain of the companies subject to this review. In addition, we have preliminarily determined to rescind the review with respect to Diler Demir Celik Endustrisi ve Ticaret A.S., Yazici Demir Celik Sanayi ve Ticaret A.S., and Diler Dis Ticaret A.S., and ICDAS Celik Enerji Tersane ve Ulasim Sanayi, A.S. because these companies had no shipments of subject merchandise during the period of review. ### Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's (the Department's) regulations are to 19 CFR Part 351 (2001).

### Background

On April 2, 2001, the Department published in the **Federal Register** a notice of "Opportunity to Request an Administrative Review" of the antidumping duty order on certain steel concrete reinforcing bars (rebar) from Turkey (66 FR 17523).

In accordance with 19 CFR 351.213(b)(2), in April 2001, the Department received requests from HABAS Sinai ve Tibbi Gazlar Istihsal Endustrisi A.S. (Habas) and ICDAS Celik Enerji Tersane ve Ulasim Sanayi, A.S. (ICDAS) to conduct an administrative review of the antidumping duty order on rebar from Turkey. In accordance with 19 CFR 351.213(b)(1), on April 30, 2001, the Department also received a request for an administrative review from the petitioner, AmeriSteel, for the following four producers/exporters of rebar: Colakoglu Metalurji A.S. (Colakoglu); Diler Demir Celik Endustrisi ve Ticaret A.S., Yazici Demir Celik Sanayi ve Ticaret A.S., and Diler Dis Ticaret A.S. (collectively "Diler"); Ekinciler Holding, A.S. and Ekinciler Demir Celik A.S. (collectively "Ekinciler"); and ICDAS.

In May 2001, the Department initiated an administrative review for Colakoglu, Diler, Ekinciler, Habas, and ICDAS (66 FR 28421 (May 17, 2001)) and issued questionnaires to them.

In May 2001, Diler informed the Department that it had no shipments of subject merchandise to the United States during the period of review (POR). We reviewed Customs Service data to confirm that Diler had no shipments of subject merchandise during the POR. Consequently, in accordance with 19 CFR 351.213(d)(3) and consistent with our practice, we are preliminarily rescinding our review for Diler. For further discussion, see the "Partial Rescission of Review" section of this notice, below.
