Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: 2002 Survey of Program Dynamics.

Form Number(s): SPD-22005, SPD-222105(L), SPD-22107(L), SPD-22103(L), SPD-22113(L).

Agency Approval Number: 0607-0838.

Type of Request: Revision of a currently approved collection.

Burden: 25,138 hours.

Number of Respondents: 41,990.

Avg Hours Per Response: 36 minutes.

Needs and Uses: The Census Bureau seeks OMB approval to conduct the 2002 Survey of Program Dynamics (SPD), the final data collection for this annual survey which began in 1997. The SPD provides the basis for an overall evaluation of how well welfare reforms are achieving the aims of the Administration and the Congress and meeting the needs of the American people. This survey simultaneously measures the important features of the full range of welfare programs, including programs that are being reformed and those that are unchanged, and the full range of other important social, economic, demographic, and family changes that will facilitate or limit the effectiveness of the reforms.

The SPD is a longitudinal study that follows a subset of the respondents from the 1992 and 1993 panels of the Survey of Income and Program Participation (SIPP). The SPD was first implemented in the spring of 1997 with a bridge survey that provided a link to baseline data for the period prior to the implementation of welfare reforms. The first full-scale SPD was conducted in 1998. The data gathered for the 10-year period (1992-2002) will aid in assessing short- to medium-term consequences of outcomes of the welfare legislation.

The 2002 SPD will exclude the self-administered questionnaire (SAQ) which we administered to 12- to 17-year-olds during the 2001 SPD, and will include questions on the extended measures of child well-being, last asked during the 1999 data collection. Due to cost constraints, the sample for the 2002 SPD will be reduced by approximately 30 percent to 20,000 households.

The 2002 SPD will be conducted by our interviewing staff using a computer-assisted interviewing instrument on laptops during personal and telephone interviews. As in previous years, we will offer monetary incentives to select groups of respondents in order to maintain and improve response rates.

Affected Public: Individuals or households.

Frequency: Annually.

Respondent's Obligation: Voluntary.

Legal Authority: Title 42 U.S.C., section 614.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Survey of Building and Zoning Permit Systems.

Form Number(s): C-411.

Agency Approval Number: 0607-0350.

Type of Request: Reinstatement, with change, of an expired collection.

Burden: 500 hours.

Number of Respondents: 2,000.

Avg Hours Per Response: 15 minutes.

Needs and Uses: The Census Bureau produces statistics used to monitor activity in the large and dynamic construction industry. These statistics help state and local governments and the Federal Government, as well as private industry, to analyze this important sector of the economy. The accuracy of the Census Bureau statistics regarding the amount of construction authorized depends on data supplied by building and zoning officials throughout the country. The Census Bureau uses Form C-411, "Survey of Building and Zoning Permits," to obtain information from state and local building permit officials needed for updating the universe of permit-issuing places from which samples for the Report of Privately-Owned Residential Building or Zoning Permits Issued (also known as

the Building Permits Survey (BPS)), and the Survey of Housing Starts, Sales, and Completions (also known as Survey of Construction (SOC)) are selected. The questions pertain to the legal requirements for issuing building or zoning permits in the local jurisdictions. Information is obtained on such items as geographic coverage and types of construction for which permits are issued. The form is sent to jurisdictions when the Census Bureau has reason to believe that a new permit system has been established or an existing one has changed.

We are requesting a reinstatement of the Form C-411 which has remained unused since its expiration earlier this year. We are requesting revisions to the form to streamline the collection and because of changing data needs.

Affected Public: State, local, or Tribal government.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., sections 8(b), 9(b), 161, and 182; Title 15 U.S.C., section 1525.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

OMB Number: 0625-0039.

Type of Request: Regular Submission.

Burden: 490 hours.

Number of Respondents: 1,000.

Avg. Hours Per Response: 30 minutes.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for

collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: Advocacy Questionnaire.

Agency Form Number: ITA-4133P.

OMB Number: 0625-0220.

Type of Request: Regular Submission.

Burden: 205.

Number of Respondents: 200.

Avg. Hours Per Response: 30 minutes.

Needs and Uses: The U.S. Department of Commerce invites the general public and other Federal agencies to comment on the proposed extension of the use of the advocacy questionnaire by the Trade Promotion Coordination Committee's (TPCC) Advocacy Network. The questionnaire is used to evaluate requests for United States' Government (USG) commercial advocacy in connection with overseas bids and proposals. The International Trade Administration's Advocacy Center marshals federal resources to assist U.S. business interests competing for foreign government procurements worldwide. The mission of the Advocacy Center is to coordinate USG commercial advocacy in order to promote U.S. exports and create U.S. jobs. The Advocacy Center is under the umbrella of the TPCC, which is chaired by the Secretary of Commerce and includes 19 federal agencies involved in export promotion. The purpose of the advocacy questionnaire is to collect the information necessary to make an evaluation about a company's eligibility for USG advocacy assistance. There are clear, well established USG advocacy guidelines that describe the various situations in which the USG can provide advocacy support for a firm. The questionnaire was developed to collect only the information necessary to determine if the firm meets the eligibility requirements set forth in these guidelines. The Advocacy Center, appropriate ITA officials, our U.S. Embassies worldwide, and other federal government agencies (the Advocacy Network) that provide advocacy support, will require firms seeking USG advocacy support to complete the questionnaire. Without this information, the USG would be unable to make eligibility determinations.

Affected Public: Businesses or other for-profits.

Frequency: Occasionally.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.
