BILLING CODE 4710-08-P

## DEPARTMENT OF STATE

[Public Notice 4004]

### Office of Defense Trade Controls; Notifications to the Congress of Proposed Commercial Export Licenses

**AGENCY:** Department of State.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the Department of State has forwarded the attached Notifications of Proposed Export Licenses to the Congress on the dates shown on the attachments pursuant to section 36(c) and 36(d) and in compliance with section 36(e) of the Arms Export Control Act (22 U.S.C. 2776).

**EFFECTIVE DATE:** As shown on each of the twenty-six letters.

**FOR FURTHER INFORMATION CONTACT:** Mr. William J. Lowell, Director, Office of Defense Trade Controls, Bureau of Political-Military Affairs, Department of State (202 663-2700).

**SUPPLEMENTARY INFORMATION:** Section 38(e) of the Arms Export Control Act mandates that notifications to the Congress pursuant to section 36(c) must be published in the **Federal Register** when they are transmitted to Congress or as soon thereafter as practicable.

Dated: April 23, 2002.

**William J. Lowell,**

*Director, Office of Defense Trade Controls, Department of State.*

United States Department of State  
Washington, D.C. 20520, February 6, 2002.  
The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the manufacture of S-61 helicopter spare and replacement parts in the United Kingdom, for end-use in the United Kingdom, Australia, Egypt, Germany, Belgium, Norway, Qatar and India.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information

submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,

*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. DTC 128-01

United States Department of State  
Washington, D.C. 20520, February 13, 2002.  
The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting herewith certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the hardware, technical data and defense services for four 60-meter Ambassador MKIII Fast Missile Craft for the Egyptian Navy.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,

*Assistant Secretary Legislative Affairs.*

Enclosure: Transmittal No. DTC 116-01

United States Department of State  
Washington, D.C. 20520, February 13, 2002.  
The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement with Switzerland.

The transaction described in the attached certification involves the export to Switzerland of technical data, defense articles and assistance for the manufacture and assembly of the TOW 2A (Special) anti-armor missile for end-use by Switzerland and sale to Austria, Australia, Belgium, Canada, Denmark, Finland, France, Germany, Greece, Israel, Italy, Japan, Kuwait, Luxembourg, the Netherlands, Norway, Portugal, South Korea, Saudi Arabia, Spain, Sweden, Turkey and the United Kingdom.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,

*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. 140-01

United States Department of State  
Washington, D.C. 20520, March 8, 2002.  
The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense services for the maintenance, support and training of the Royal Saudi Air Force F-15 fleet through 2004.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,

*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. DTC 118-01

United States Department of State  
Washington, D.C. 20520, March 8, 2002.  
The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Germany of technical data and defense services for the repair and overhaul of various aircraft auxiliary equipment on aircraft of NATO member countries, Egypt, Finland, Ireland, Kuwait, Jordan, Oman, Sweden, Nigeria, Malaysia, Saudi Arabia, Tunisia, Morocco, and Algeria.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,

*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. DTC 159-01

United States Department of State  
Washington, D.C. 20520, March 8, 2002.  
The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

Dear Mr. Speaker:

Consistent with Section 36(c) of the Arms Export Control Act and Title IX of Public Law 106-79, I am transmitting, herewith, certification of a proposed license for the export of defense articles to India.

The President made a determination in a manner consistent with Title IX of the Department of Defense Appropriations Act, Fiscal Year 2000 (Public Law 106-79) to waive sanctions on India in connection with the Glenn Amendment and related provisions, as reported to you by separate letter. Under Title IX, the issuance of a license for the export of defense articles or defense services to India pursuant to the waiver authority of that Title is subject to the same requirements as are applicable to the export of items described in section 36(c) of the Arms Export Control Act, and the Administration is treating authorization for the requested re-export consistent with these provisions.

The transaction described in the attached certification involves the transfer of aircraft parts to be used on the United Kingdom supplied HAWK trainer aircraft.

The United States Government is prepared to authorize the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. DTC 165-01  
United States Department of State  
Washington, D.C. 20520, March 8, 2002.  
The Honorable J. Dennis Hastert, Speaker of  
the House of Representatives.

Dear Mr. Speaker:

Consistent with Section 36(c) of the Arms Export Control Act and Title IX of Public Law 106-79, I am transmitting, herewith, certification of a proposed license for the export of defense articles to India.

The President made a determination in a manner consistent with Title IX of the Department of Defense Appropriations Act, Fiscal Year 2000 (Public Law 106-79) to waive sanctions on India in connection with the Glenn Amendment and related provisions, as reported to you by separate letter. Under Title IX, the issuance of a license for the export of defense articles or defense services to India pursuant to the waiver authority of that Title is subject to the same requirements as are applicable to the export of items described in section 36(c) of the Arms Export Control Act, and the Administration is treating authorization for the requested re-export consistent with these provisions.

The transaction described in the attached certification involves the transfer of sixty-six ram turbine engine systems for the United Kingdom supplied HAWK trainer aircraft.

The United States Government is prepared to authorize the export of these items having

taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*  
Enclosure: Transmittal No. DTC 166-01  
United States Department of State  
Washington, D.C. 20520 March 14, 2002.  
The Honorable J. Dennis Hastert, Speaker of  
the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 9001(e) of Public Law 106-79 and consistent with Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles to India.

The President made a determination in a manner consistent with Title IX of the Department of Defense Appropriations Act, Fiscal Year 2000 (Public Law 106-79) to waive sanctions on India in connection with the Glenn Amendment and related provisions, as reported to you by separate letter. Under Title IX, the issuance of a license for the export of defense articles or defense services to India pursuant to the waiver authority of that Title is subject to the same requirements as are applicable to the export of items described in Section 36(c) of the Arms Export Control Act, and the Administration is treating authorization for the requested re-export consistent with these provisions.

The transaction described in the attached certification involves the export of eighteen (18) Magnetrons to the Indian Army for use in the ground-based Reporter Radar.

The United States Government is prepared to authorize the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*  
Enclosure: Transmittal No. DTC 175-01

United States Department of State  
Washington, D.C. 20520 March 15, 2002.  
The Honorable J. Dennis Hastert, Speaker of  
the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 9001(e) of Public Law 106-79 and consistent with Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles to India.

The President made a determination in a manner consistent with Title IX of the

Department of Defense Appropriations Act, Fiscal Year 2000 (Public Law 106-79) to waive sanctions on India in connection with the Glenn Amendment and related provisions, as reported to you by separate letter. Under Title IX, the issuance of a license for the export of defense articles or defense services to India pursuant to the waiver authority of that Title is subject to the same requirements as are applicable to the export of items described in Section 36(c) of the Arms Export Control Act, and the Administration is treating authorization for the requested re-export consistent with these provisions.

The transaction described in the attached certification involves export of twelve (12) single-channel rotary joints to the Indian Army for incorporation in the Flycatcher Air Defense System.

The United States Government is prepared to authorize the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*

The transaction contained in the attached certification involves the export to Japan of technical data, defense services and defense articles for the manufacture of Aircraft Fuel Control Devices for end-use by Japan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. DTC 032-02  
United States Department of State  
Washington, D.C. 20520, April 15, 2002.  
The Honorable J. Dennis Hastert, Speaker of  
the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense

services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the temporary export of one (1) EchoStar IX commercial satellite for launch into geosynchronous orbit from international waters by Sea Launch.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. DTC 013-02  
United States Department of State  
Washington, D.C. 20520, April 15 2002.  
The Honorable J. Dennis Hastert, Speaker of  
the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export to Japan, France and Canada of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and assistance for the BSAT-2c commercial communications satellite for launch from French Guiana.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*

Enclosure: Transmittal No. DTC 015-02  
United States Department of State  
Washington, D.C. 20520, April 15, 2002.  
The Honorable J. Dennis Hastert, Speaker of  
the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Technical Assistance Agreement with Bulgaria.

The transaction described in the attached certification involves the transfer of naval architectural and marine engineering services to Bulgaria for the basic and detailed development of a multi-mission corvette to the Bulgarian Ministry of Defense.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,  
Paul V. Kelly,  
*Assistant Secretary, Legislative Affairs.*

## DEPARTMENT OF TRANSPORTATION

### Coast Guard

[USCG-2002-12187]

#### Chemical Testing; List of Drug Testing Service Agents

**AGENCY:** Coast Guard, DOT.

**ACTION:** Notice; request for submissions.

**SUMMARY:** The Coast Guard receives numerous daily inquiries from mariners asking for the location of drug testing centers that will satisfy the USCG chemical drug testing requirements for licensing or Merchant Mariner Document (MMD) transactions. The Coast Guard wants to identify for mariners those service agents who provide a complete drug test service and to make available to merchant mariners a list of those drug testing service agents. The list would assist mariners in locating a drug testing service agent.

**DATES:** In order to be included on the initial listing, submissions should be received no later than June 17, 2002.

**ADDRESSES:** Submissions should be mailed to: Robert C. Schoening, Drug and Alcohol Program Manager, U.S. Coast Guard, Office of Investigations and Analysis (G-MOA-1), 2100 Second Street, SW., Washington, DC 20593-0001.

**FOR FURTHER INFORMATION CONTACT:** If you have questions about this notice, contact Robert C. Schoening, U.S. Coast Guard at 202-267-0684 or e-mail address [RSchoening@comdt.uscg.mil](mailto:RSchoening@comdt.uscg.mil).

#### SUPPLEMENTARY INFORMATION:

##### Background

There are approximately 48,000 mariner credentialing transactions annually that require a drug test. The Coast Guard receives numerous daily inquiries from mariners asking for the location of drug testing centers that will satisfy the USCG chemical drug testing requirements for licensing or Merchant
