The proposed Consent Decree settles an action brought under Clean Water Act ("CWA") Section 301, 33 U.S.C. 1311, for civil penalties and injunctive relief for violations related to the publicly owned treatment works owned and operated by the City/Parish. The Consent Decree resolves all claims in the Complaint and provides for injunctive relief, a civil penalty of \$729,500; a \$1.125 million supplemental environmental project that will connect certain neighborhoods to the sewage treatment system; and payment \$216,000 in stipulated penalties which accrued under a prior Consent Decree. The injunctive relief will require the City/Parish to implement specified projects including a 13-15 year project to improve its sewage collection system, a Sanitary Sewer Overflow Response Plan to protect the public health by responding to overflows, and an extensive preventive maintenance program.

The Department of Justice will receive comments relating to the proposed Consent Decree for a period of thirty (30) days from the date of this publication.
