See Commission rules 207.24(d), 201.13(m) and 201.36(b)(4) (19 CFR 207.24(d), 201.13(m) and 201.36(b)(4)). The remainder of the hearing will be open to the public. FOR FURTHER INFORMATION CONTACT: Peter L. Sultan, Office of General Counsel, U.S. International Trade Commission, telephone 202-205-3094, e-mail psultan@usitc.gov. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-3105.

SUPPLEMENTARY INFORMATION: The Commission believes that Indian Respondents have justified the need for a closed session. In these investigations, significant amounts of data concerning the domestic industry are business proprietary. Indian Respondents seek a closed session in order to fully address the issues before the Commission without referring to business proprietary information ("BPI"). In making this decision, the Commission nevertheless reaffirms its belief that whenever

possible its business should be conducted in public.

The hearing will begin with public presentations by DuPont Teijin Films, Toray Plastics (America), Inc. and Mitsubishi Polyester Film, LLC, petitioners in these investigations, followed by Indian Respondents. During the public session, the Commission may question the parties following their respective presentations. Next, the hearing will include a 20-minute *in camera* session for a confidential presentation by Indian Respondents and for questions from the Commission relating to the BPI, followed by a 20-minute *in camera* rebuttal presentation by petitioners. For any *in camera* session the room will be cleared of all persons except those who have been granted access to BPI under a Commission administrative protective order (APO) and are included on the Commission's APO service list in these investigations. See 19 CFR 201.35(b)(1), (2). The time for the parties' presentations and rebuttals in the *in camera* session will be taken from their respective overall time allotments for the hearing. All persons planning to attend the *in camera* portions of the hearing should be prepared to present proper identification.

Authority: The General Counsel has certified, pursuant to Commission Rule 201.39 (19 CFR 201.39) that a portion of the Commission's hearing in Polyethylene Terephthalate Film, Sheet and Strip from India and Taiwan, Inv. Nos. 701-TA-415 and 731-TA-933-934, may be closed to the public to prevent the disclosure of BPI.

Issued: May 7, 2002.

By order of the Commission.

Secretary.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Federal Bureau of Prisons

Notice of Cancellation of Environmental Impact Statement Process Criminal Alien Requirement Phase III—Arizona and California

One June 13, 2000, the U.S. Department of Justice, Federal Bureau of Prisons (Bureau) issued a notice in the Commerce Business Daily stating that the Bureau would be soliciting for Contractor-Owned and Contractor-Operated correctional facilities to house up to 4,500 low security, adult male, non-U.S. citizen criminal aliens within the States of California and/or Arizona. The solicitation was subsequently issued on November 13, 2000 and proposals were submitted by prospective contractors to the Bureau by January 12, 2001. At that time, sites were offered to the Bureau for consideration in: Eloy, Arizona; Florence, Arizona; Kingman, Arizona; Safford, Arizona; San Luis, Arizona; Wilcox, Arizona; Arvin, California; Barstow, California; Orange Cove, California; El Centro, California; and Wasco, California. In support of this undertaking, and in compliance with the National Environmental Policy Act, the Bureau initiated preparation of a Draft Environmental Impact Statement (EIS). Draft EIS preparation began on September 19, 2000 with publication in the **Federal Register** of a Notice of Intent to prepare a Draft EIS followed by public scoping meetings held in Arizona and California during October 2000. Since that time, the Bureau has been preparing the Draft EIS which would serve to study the potential environmental impacts associated with the proposed action at each of the alternative locations.

On March 15, 2002, the Bureau issued Amendment No. 6 to RFP No. PCC-0007 cancelling the overall solicitation. Cancellation of the solicitation was deemed appropriate because the Bureau no longer has a need for the service. Since January 2001 when proposals were submitted to the Bureau, the Bureau's requirements changed. New population projections indicate a reduced rate of growth of the federal inmate population. Therefore, the Bureau has determined that it is in the best interest of the Federal Government not to proceed with Solicitation No. PCC-0007 or to complete preparation of the Draft EIS. This decision is consistent with the Bureau's strategy of utilizing private corrections contractors to allow flexibility in managing its bedspace capacity needs in a reasonable and cost-
