

\$2,345,000,000 in aggregate net assets. Applicants also state that, as of December 31, 2001, the aggregate net assets of the Hartford Funds were approximately \$33,077,000,000. Applicants thus assert that the Fortis Funds' assets would represent approximately 7.09% of the aggregate net assets of the Hartford Funds.

5. Applicants state that two of the seven directors who serve on the Boards of Hartford Funds are "interested persons," within the meaning of section 2(a)(19) of the Act, of the Hartford Advisers. Applicants state that none of the directors owns any interest in or is otherwise an "interested person" of Fortis or the Fortis Funds.

6. Applicants state that to comply with section 15(f)(1)(A) of the Act, Hartford Funds would have to alter the composition of their Boards, either by asking experienced directors to resign or by adding a new director. Applicants, further state that adding a new director could require a shareholder vote, not only of shareholders of the acquiring Hartford Funds but also the shareholders of the other series of the Hartford Funds not otherwise affected by the Reorganization. Applicants assert that adding an additional non-interested director to the Boards of Hartford Funds could entail a lengthy process and increase the ongoing costs of Hartford Funds.

7. For the reasons stated above, applicants submit that the requested relief is necessary and appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,
Deputy Secretary.

Applicants' Representations

1. Wells Fargo Funds Trust, a Delaware business trust, is registered under the Act as an open-end management investment company and consists of multiple series, including Wells Fargo Specialized Financial Services Fund (the "Acquiring Fund").

Wells Fargo Funds Management, LLC ("WFFM"), a Delaware limited liability company, is an investment adviser registered under the Investment Advisers Act of 1940 and is an indirect wholly owned subsidiary of Wells Fargo & Company ("Wells Fargo"), a publicly-traded Delaware corporation, whose principal businesses are retail and commercial banking and providing financial services. Although a significant majority of Wells Fargo's annual revenues derive from its core banking business, Wells Fargo may also be deemed to be engaged in "securities related activities," as defined by rule 12d3-1 under the Act.

2. SIFE Trust Fund (the "Acquired Fund," and together with the Acquiring Fund, the "Funds") is registered under the Act as an open-end management investment company. The Acquired Fund has investment objectives and policies substantially similar to the Acquiring Fund and has been in continuous operation since July 2, 1962. SIFE, a California corporation, currently acts as investment adviser to the Acquired Fund. Pursuant to an Agreement and Plan of Reorganization, SIFE is expected to merge with and into a wholly-owned subsidiary of Wells Fargo on February 22, 2002. In addition, in February, 2002, the Acquired Fund will transfer all of its assets and liabilities to the Acquiring Fund in exchange for shares of the Acquiring Fund (the "Reorganization"). Upon the effectiveness of the Reorganization, WFFM will act as investment adviser to the Acquiring Fund.

3. Between May, 1989, and September, 1999, the Acquired Fund made 14 separate purchases of Wells Fargo stock totaling 680,000 shares, in compliance with the Act and the rules thereunder. Each purchase was made on the open market at prices ranging from \$4.57 per share to \$44.34 per share, at a total cost of \$19,774,452. All such purchases were made prior to the time that Wells Fargo and SIFE began negotiating the purchase of SIFE by Wells Fargo. The Acquired Fund currently holds 500,000 shares of Wells Fargo stock equal to approximately 3% of its total net assets and these shares represents an unrealized gain to the Acquired Fund of \$8,844,244 (the "Wells Fargo Position"). In connection with the Reorganization, the Acquired Fund will transfer the Wells Fargo Position to the Acquiring Fund (the "Transfer"). The Reorganization is expected to qualify as a tax-free reorganization under the Internal Revenue Code, and accordingly, the tax basis of all securities holdings and other

assets of the Acquired Fund will be transferred to the Acquiring Fund.

4. Each Fund's board of trustees ("Board"), including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act, approved the Reorganization and concluded that the Reorganization was in the best interest of the respective Fund. In approving the Reorganization, each Board considered the Wells Fargo Position. To effect the Reorganization, a shareholder meeting of the Acquired Fund's shareholders will be held on or about January 31, 2002. A proxy statement soliciting shareholder approval, which discussed the Wells Fargo Position, was mailed in November, 2001.

Applicants' Legal Analysis

1. Section 12(d)(3) of the Act, in relevant part, prohibits a registered investment company from purchasing or otherwise acquiring any security issued by any person who is a broker, dealer, investment adviser, or engaged in the business of underwriting. Rule 12d3-1 under the Act exempts certain transactions from the prohibitions of section 12(d)(3) if specified conditions are met. Rule 12d3-1(c) provides that the exemption provided by the rule is not available when the issuer of the securities is the investment company's investment adviser, promoter, or principal underwriter, or an affiliated person thereof.

2. Applicants state that because Wells Fargo is an affiliated person of WFFM, the Acquiring Fund's investment adviser, the Transfer and the Acquiring Fund's continued holding of the Wells Fargo Position would not meet the conditions of rule 12d3-1(c).¹ Applicants request relief from section 12(d)(3) to permit the Acquiring Fund to effect the Transfer and the continued holding for up to two years of the Wells Fargo Position following the Reorganization in order to permit the Acquiring Fund to effect its orderly liquidation.

3. Section 6(c) of the Act authorizes the SEC to exempt persons or transactions from the provisions of the Act to the extent that the exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policies and provisions of the Act. Applicants state that the requested relief meets this standard.

4. Applicants state that the relief is warranted because none of the abuses

that section 12(d)(3) was intended to prevent are present in the instant situation and the two-year disposition period will permit the Acquiring Fund to maximize the realization of gain on the orderly sale of the Wells Fargo Position while minimizing the tax effects of the disposition. Applicants also state that the Acquired Fund obtained the Wells Fargo Position in compliance with the Act and the rules thereunder.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Applicants will seek to liquidate the Wells Fargo Position as soon as possible, consistent with the maximization of shareholder return and the best interests of the Acquiring Fund, and in any case, within two years of the date of the Reorganization.

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,

Deputy Secretary.
